Manuscripts & Folklife Archives – Church Records Collections

This is a list of churches for which the [Manuscripts & Folklife Archives](#) of WKU's [Department of Library Special Collections](#) holds records (originals or photocopies). The contents differ in each case, but typically these records consist of minutes of church meetings and registers of members. They may also include other information such as the church constitution, articles of faith, rules of decorum, and lists of pastors, elders, deacons, baptisms, marriages and deaths.

Clicking on the link will direct you to [TopSCHOLAR](#)®, WKU's online digital repository, where you can download a detailed finding aid for the collection and, in some cases, access the collection itself. For further information, e-mail mssfa@wku.edu.
