Western well represented at Southeastern Regionals

The 1994 Southeastern Regional meeting of Beta Alpha Psi was held March 25 and 26 in Clearwater, Florida. The meeting was hosted by the University of South Florida and included activities such as an Innovative Activity Presentation, a Chapter Exchange and Student Paper Presentations. Chapters also participated in social activities such as a Chocoholic Dessert Social and a Volleyball Tournament. Western was one of the most actively represented schools at this year's meeting. Three western students presenting papers at the meeting were Travis Armstrong, Dana Hire and Brian Woosley. Also representing Western's chapter was Faculty Advisor Dr. Rick Aldridge and eleven students: Amy Amos, Mary Cole, Mark Dilliha, Kim Greenwell, Barbara Hale, Valerie Siciliano, Kimberly Smith, and Jason Taylor. The theme for this year's meeting was "Yesterday, Today and Tomorrow: The Dynamic Evolution of the Accountant."

The Eta Omicron Chapter is tentatively planning to co-host the 1996 Regional Meeting with Murray State's chapter.

Thoughts From The First MPA Graduate
by Angie Duvall

May 8th is almost here and thousands of Western Kentucky University students will be leaving the campus permanently. I will be among that group of students throwing their caps into the air and feeling a sense of accomplishment. For the last several months I have been enrolled in the Masters of Professional Accountancy program at Western. It seems like yesterday when I decided to commit myself to the struggle, but now it is coming to an end.

The degree I have earned will serve a far greater purpose than merely appearing as a framed certificate on my wall. Because of this program, I will be better prepared to enter the accounting profession. In addition, one year of experience will automatically be applied toward my certification requirements for becoming a CPA.

This fall I will be working for the accounting firm of Deloitte & Touche in Nashville. I accepted an auditing position with the firm last November after passing the CPA exam. They are excited about the new 150 hour requirement for sitting for the exam, and hope that a master's degree will result in better communication skills for their employees. I can assure them that it definitely worked to my advantage and I'm glad that I took the challenge.
