## DEPARTMENTAL NEWSLETTER

- \*\*\*PAY INCENTIVE - Bill goes to the House of Representative's Education sub-committee on Thursday, February 16, 1984, at 10:00 a.m. All Public Safety Directors will meet in Lexington on Wednesday at noon and will also be on hand when the bill goes to committee on Thursday.
- \*\*\*A.S.G. - Last week, A.S.G. gave the first reading of a proposal to "notify all students before their cars were towed". A.S.G. invited me to speak on this issue and I did at their meeting on Thursday, February 7, 1984. There were between 45 - 50 members there, and the proposal did not receive one vote from the students - not one. This is a clear indorsement of our policy and the way in which we do our job.
- \*\*\*LINK - NCIC TELETYPE - is being replaced with a new AT&T Bell 43 Teleprinter. The change will be made prior to March 31, 1984.
- \*\*\*PHONE LINE CHANGE - 5431 has been eliminated and replaced with 2548. We are in the process of notifying people of the change. 2548 is the rotary number. For example, if someone calls in on 2548 and that line is busy, it will rotor to 2549 and if 2549 is busy, it will rotor to 2540.
