SUBJECT: Amendments to the Parking and Traffic Committee
Report on Regulations, June 26, 1978

The Traffic and Parking Committee regulations as submitted to you June 26, have been reviewed by the University legal staff.

The Traffic and Parking Committee recommends the following changes under general information, paragraph 14 as follows:

14. Vehicles parked in designated tow-away zones or in a location in a manner constituting a safety hazard are subject to being towed away and impounded. In such cases, clearance from the Department of Public Safety must be obtained before the vehicle is returned to the registered operator, who shall be liable for all towing and storage charges.
