The meeting was called to order by Chairman, Owen Lawson, Jr. There being no agenda, the first item of discussion was a review of the last meeting.

1. Reducing number of faculty/staff decals - one solution would be to limit one decal per faculty/staff member - no decision made. Committee was requested to consider recommendations and bring before the committee at the next meeting.
2. Reduce "S" decals - Paul Bunch indicated the issuance of "S" decals had improved.
3. William Cunningham made motion and was seconded by George Niva and passed by the committee to authorize Paul Bunch and Owen Lawson to make emergency parking changes for a period of one year.
4. Review of parking for Schneider Hall and Kentucky Building (visitor) - Dr. Clayton Riley had requested all of Schneider Hall lot be reserved for the Continuing Education Center. George Niva made motion and was seconded by Howard Bailey and passed by the committee to deny the request.

5. Revised Traffic and Parking regulations - job well done by subcommittee.

New Business

1. Owen Lawson brought committee up-to-date on Rehabilitation Act #504 (handicap); Phase I (\$295,000) has been approved by the Council on Higher Education. This phase would open up handicap spaces in some lots making more spaces available. Phase II (\$275,000 - \$300,000) has not been funded; this phase would be for elevators and chair lifts.

Owen Lawson pointed out that cars parked in a handicap space would be ticketed at all hours if they did not have handicap decals. Carroll Wells requested this information be inserted in the "blue sheet".

2. <sup>(MEDICAL PERMITS)</sup> ~~Temporary handicap permits~~ (need to provide doctor's statement). Motion was made by George Niva and seconded by Dee Gibson and passed by committee to comply with present policy of not issuing handicap permits to temporary handicap persons but upon submission of doctor's statement, to allow temporary handicap persons to park in faculty/staff zones but not in handicap zones.
3. Owen Lawson submitted petition received from faculty/staff members from A.A.#1 and A.A.#2, for faculty/staff zones in the A.A. Lot. Howard Bailey made motion and was seconded by Terri Craig and passed by committee to deny request.
4. Additional reserved parking for speech clinic submitted by Dr. Stan Cook - motion was made by George Niva and seconded by Gloria Hovious and passed by committee to approve request.

5. ASG resolution to re-designate Grise Hall lot and Potter lot to "B" zone. No decision made but was requested by Owen Lawson that the committee consider the resolution and the matter would be considered again at the next meeting.
6. Motion was made by Marion Lucas and seconded by Paul Bunch and passed by committee to proceed with opening up Upper Drive near Potter Hall.

The best time for all committee members to meet was on Wednesday at 3 p.m.

The meeting was adjourned at 4:05 p.m.
