**WINTER BREAK DORM PROCEDURES**

You do NOT need to remove all your belongings from your room during Winter Break. Only remove all of your belongings if you plan on checking out and not returning in the Spring Semester.

Sign-up in advance for a check out time with your RA.

Defrost and unplug refrigerator. Prop door open to prevent mold and mildew build-up. Make sure it's dry.

Unplug all electrical equipment including computers, aquariums, stereos, televisions, etc.

Wash all dirty dishes.

Throw away trash and clean out trash can. Take all trash to compactor or outside dumpster. Activate compactor with your room key.

Set room temperature to 65 degrees and the fan speed in auto OR halfway between blue and red with the fan speed on low.

Move the refrigerator, furniture, and all other belongings from in front of the heating unit so the filter can be changed.

Remove belongings from closet floor.

Close and lock windows. Turn off lights and lock your room.

If you are changing rooms or if you are permanently checking out, see your RA or Hall Director for additional paperwork and instructions.

**Residence Halls will close at 4 p.m. on Saturday Dec. 17.**
