Figure out how much work is left. Generate enough to cover expenses. When can you go play? Enter a two-day fun phase. Invite your crew over.

PISCES
(Feb. 19-March 20)
Home holds a magnetic draw today and tomorrow. Develop a private fantasy. Reorganize and renew your space. An old enemy turns out to be friendlier than you thought.

ARIES
(March 21-April 19)
Practicing something you love to do goes well now. Read, write and film. Roadblocks require patience. If you get stuck, take a break and try later. Keep it practical.

TAURUS
(April 20-May 20)
A confrontation could require explanation. Hold your position. Wait for a better time to talk about money. Focus on making it, and enter a lucrative phase.

GEMINI

The moon's in your sign, and you're exceptionally clever with planning. Stick to practical ambitions. Don't get distracted with fantasies or procrastination.

CANCER
(June 21-July 22)
Wait for practical answers, or for locked doors to open. Cut everyday spending without suffering about it. Delays and obstacles could hinder travels.

LEO
(July 23-Aug. 22)
Laughter with friends refreshes. They offer comfort and advice. Put unrealistic ventures aside and handle basics. Doubt clouds your judgment.

VIRGO
(Aug. 23-Sept. 22)
Pesky regulations could interfere with your plans. Learn so you're stronger next time. Analysis plus intuition equals understanding.

LIBRA
(Sept. 23-Oct. 22)
Today and tomorrow pose a pleasant traveling phase. A conflict or disagreement could throw a monkey wrench in the works. Cut the frills.

SCORPIO
(Oct. 23-Nov. 21)
Postpone an outing. Obstacles could delay the action. Take care of financial accounting and paperwork today and tomorrow, and stash the change.
