NOT SO FAST!

First, before we can announce this year’s winners, we need to tell you what these businesses and local dives that we all know, and have grown to love, have won!

For all you data lovers out there, we had another great success with the contest! 63,842 write-in votes were cast online by WKU students, faculty and staff in 56 categories.

Thank you to everyone who voted in this year’s contest, those votes are why this awesome publication is even possible.

WHAT IS BEST OF THE HILL?

There is no denying that Bowling Green is a college town. Over the past month, our advertising and design team asked all WKU students, faculty and staff to vote online for their local favorites while being on Western’s Hill. Each year, our advertisers can’t wait to hear where they rank at WKU.

This special section recognizes all the businesses, local dives, and WKU organizations who were voted best on the hill.

This advertising edition of the College Heights Herald provides you a user-friendly, vote powered, guide to shopping, dining, and where to go for entertainment!
See ya at the Store!
