Western Kentucky University encourages retirees to continue a strong relationship with each other and the University. This can be accomplished through participation in some of the many programs and activities that the University offers throughout the year. Retirees can be a great asset in the recruitment of outstanding students; participating in fund raising activities; and in general, being an ambassador for Western. Very best wishes are extended for your retirement and thank you for your invaluable contribution to Western Kentucky University's ability to continue its legacy of excellence.
