Miss Western Contestants:

Western Kentucky University is pleased to have been selected as host of a Miss Kentucky Preliminary Pageant. We are committed to making certain that the Miss Western Pageant is organized in a first-class, efficient manner.

The Miss America Pageant, of which the Miss Western contest is a part, places value on the whole person and recognizes intelligence and talent as well as beauty. This is why we are excited about sponsoring a contest on our campus bearing the title of Miss Western.

On behalf of this university, I want to wish each of you the very best. We are proud of you as Western students and look forward to cheering for Miss Western in the Miss Kentucky Pageant.

Sincerely,

Thomas C. Meredith
President

Sponsor Appreciation

Western Kentucky University's William E. Bivin Forensic Society is proud to sponsor the Miss Western Kentucky University Pageant. Western has had some type of debate organization since its beginning. In the beginning, the debate team was sort of an unofficial extra-curricular activity and was sometimes associated with the Congress Debate Club, which is the oldest student organization on campus. Western Forensics students have always competed successfully with other major colleges and universities and this year has been no exception. During the first semester, WKU has placed in the top three at each of the tournaments attended, qualifying many for nationals in individual events and making WKU a strong contender for the National Sweepstakes. Last year WKU placed 13th in the nation in their division at the national tournament.

We owe our success to the dedication and expertise of our coach and all of the faculty members, administrators, and students who have spurred us on with encouraging words. It is rewarding to know that so many people on campus have shown interest in our program.

The WKU Forensic team would like to thank each of the eighteen contestants for their participation and each of you for attending. We are confident that tonight we will not only be crowning a new Miss Western but also the next Miss Kentucky.
