Welcome to **Women In Transition!** We hope both new and returning members will have a successful year. For those of you who are unfamiliar with W.I.T., our purpose is to provide support for adult women returning to school. We hope to make the transition easier by helping in the overcoming of obstacles, adding to their strength and determination through mutual support, and to increase the retention of this group of students. We are located in Room 102 of the Garrett Conference Center. The phone number is 745-4554. The first few weeks of school can be stressful especially if you are a new student or a student returning after having been out of school for a few years. Drop by and see what we have to offer. There will be "Welcome" donuts and coffee available on August 26th and 27th.

Returning members need to be aware of other nontraditional women in their classes and on campus. Invite them to Women In Transition!

There have been some new additions to the W.I.T. room. We have a new coffee maker and a new file cabinet has been purchased for the storing of supplies used in correspondence and so forth. New thank-you cards, all-occasion cards, stamps, cups, and spoons are some of the other purchases that have been made or planned.

W.I.T. plans to write letters in support of keeping the W.K.U. Credit Union on campus. It is felt that the services needed by the members of this organization would suffer if the office is moved off-campus.
