International Pledge

In the full knowledge of the obligations I am undertaking, I promise to care for the sick with all the skill and understanding I possess, without regard to race, creed, colour, politics or social status, sparing no effort to conserve life, to alleviate suffering and to promote health.

I will respect at all times the dignity and religious beliefs of the patients under my care, holding in confidence all personal information entrusted to me, and refraining from any action which might endanger life or health.

I will endeavor to keep my professional knowledge and skills at the highest level, and to give loyal support and cooperation to all members of the health team.

I will do my utmost to honour the international code of ethics applied to nursing and to uphold the integrity of the nurse.

A Nurses Prayer

As I care
for my patients today,

Be there with me
O Lord I pray,

Make my words kind
it means so much

And in my hands
place your healing touch,

Let your love shine
through all that I do,

So those in need
may hear and feel you.
