International Pledge

In the full knowledge of the obligations I am undertaking, I promise to care for the sick with all the skill and understanding I possess, without regard to race, creed, colour, politics or social status, sparing no effort to conserve life, to alleviate suffering and to promote health.

I will respect at all times the dignity and religious beliefs of the patients under my care, holding in confidence all personal information entrusted to me, and refraining from any action which might endanger life or health.

I will endeavor to keep my professional knowledge and skills at the highest level, and to give loyal support and cooperation to all members of the health team.

I will do my utmost to honour the international code of ethics applied to nursing and to uphold the integrity of the nurse.

Western Kentucky University Department of Nursing Pinning Ceremony

*I am Nursing
I am sensitivity
compassion
empathy
tenderness
caring.*

*I am Nursing!
I am a baby's first lusty cry.
I break fever's and dry tears.
I am the faith of a cancer patient,
the hope of the incurable, the love of
the forsaken, the dignity of the dying.*

*I am Nursing!
...watching progress and knowing that
my knowledge, my skill, my exquisite
ingenuity helped make it all happen.
To perform the miracles of technology; to know
disease. To touch. To teach. To heal. To
smile. To hug. TO NURSE.*
