I stand in honor at what lays ahead of me trained
in the full knowledge and skill of nursing.

I pledge to commit myself totally to my calling,
my hands dedicated to serve all who come
to me.

Never will I prejudice against anyone or any need at
any time. Nor will I hold any preconceptions
about anyone for any reason.

I will cooperate with and support all medical personnel
with whom I work and keep my own knowledge and
skills at the highest level.

I will do my utmost to bring respect, dignity and
distinction to my profession.
