WHAT IS A NURSE?

Such a special person,
An angel in disguise,
With tenderness in every touch
And caring in their eyes.
The one who'll sit beside you
To talk away your fears,
Soothe your spirit, warm your heart,
And wipe away your tears.
They'll comfort you, look out for you
With true concern and care,
And when you need a helping hand,
You know you'll find them there.
They care for all their patients
With true expertise and pride,
Their warmth and dedication
Come from way down deep inside.
A nurse is a professional
Who goes the extra mile—
What is a nurse? A little bit
Of heaven....with a smile.
