International Pledge

In the full knowledge of the obligations I am undertaking, I promise to care for the sick with all the skill and understanding I possess, without regard to race, creed, colour, politics or social status, sparing no effort to conserve life, to alleviate suffering and to promote health.

I will respect at all times the dignity and religious beliefs of the patients under my care, holding in confidence all personal information entrusted to me, and refraining from any action which might endanger life or health.

I will endeavor to keep my professional knowledge and skills at the highest level, and to give loyal support and cooperation to all members of the health team.

I will do my utmost to honour the international code of ethics applied to nursing and to uphold the integrity of the nurse.

The Nurse

*As a nurse, Dear Lord, You know
I have no easy task
And when my spirits sink so low
Some favors I must ask*

*If troubles should my work beset
Let this not spoil my mission
Never once let me forget
I assist God, the Great Physician*

*Few compliments will come my way
You know this truth Dear Lord
That's why I ask You every day
Walk with me through each ward.*
