## PRESIDENT'S MESSAGE

---

Fellow Faculty and Staff,

A tragic event over the weekend claimed the life of one of our students and forever altered the lives of others. Our thoughts go out to all who have been affected by this loss. Staff in Student Affairs have been in touch with these students and their families to offer counseling services and other assistance and will continue to provide support as needed.

I have communicated with our students to encourage them to support and take care of one another and urge you to do the same. Please watch for signs of stress in those who are having trouble coping, and be understanding with those who may struggle as they work through what has happened. Students can be referred to professionals in our Counseling and Testing Center, located in Potter Hall Room 409. They can be reached at 745-3159 or [wku.edu/heretohelp](http://wku.edu/heretohelp).

The loss of any student under any circumstance is the hardest part of our jobs in higher education. Thank you for all that you do for our students and for each other.

Best,
