MID-SEMESTER CLASSES BEGIN APRIL 8, 1924

On April 4th registration will commence for mid-semester classes starting Tuesday, April 8th. Students may enroll for a full program (8 semester hours of college work or 1 unit of high school credit; permission will be granted to exceptional students to carry 9 semester hours of work or 1 1/4 units of high school credit) until Wednesday, April 9th, inclusive; for one-half this credit until 11:30 a. m. Saturday, April 12th, after which time no further enrollments will be permitted. There will be no enrollments on Saturday afternoon, April 5th and 12th.

HIGH SCHOOL COURSES

In order to readjust credits, permission will be granted to high school students who have completed the first part of any subject to enter that class for the last half of the semester and gain a complete semester standing for the subject. However, no student may enter such a class unless credit has been earned for the first part of the course. In addition to this privilege, high school students are admitted to the following classes which commence April 8:

Observation and Participation	1/4 unit
School Management	1/4 unit
Physical Education	1/4 unit
Public School Music	1/4 unit
Penmanship	1/4 unit
Drawing	1/4 unit
Agriculture	1/2 unit
American Literature	1/2 unit
Civics	1/2 unit
Geography	1/2 unit
Arithmetic	1/2 unit

High school academic subjects which give 1/4 unit credit will meet 1 period daily for 9 weeks. Subjects giving 1/2 unit credit will meet double periods, five days a week.

COLLEGE COURSES

In the college field, the two semester hour subjects will meet four days a week, each period being 50 minutes in length; the three semester hour subjects will meet 5 daily periods. The following courses will be given in the college field during the spring 9 week term:

College Agriculture	2 sem. hours
Freshman English	5 sem. hours
Class Management	2 sem. hours
Modern European History	3 sem. hours
Modern American Literature	3 sem. hours

GENERAL REQUIREMENTS FOR THE DEGREE

The baccalaureate degree is granted with the successful completion of a minimum of 128 semester hours of prescribed and elective work. Former students, who have received the Advanced Certificate, will be required to renew their attendance at the institution and spend a minimum of one full semester of 18 weeks in residence study before the degree will be granted. This is required regardless of the number of semester hours of credit which the student may have completed at other institutions. Such a student must complete not less than 16 semester hours of work which must be taken only after conference with the Dean of Faculty. All other candidates for the degree must meet a residence of one full year, consisting of two semesters of eighteen weeks each; at least 32 semester hours of work must be completed, the courses taken to be approved by the Dean.

Candidates for the degree are expected to have met the specific course requirements of the first two years of college work or their equivalent. The prescribed curriculum is divided among the following fields, the number of semester hours given being the minimum requirements:

Education	24 semester hours
English	18 semester hours
Foreign Language (1 language)	10 semester hours
Mathematics	7 semester hours
Social Sciences (History, Economics, Sociology)	10 semester hours
Sciences (Chemistry, Physics, Biology, etc.)	12 semester hours

All students who are candidates for the degree must select a major and a minor field of study; completing a minimum of 24 and a maximum of 34 semester hours in the former and a minimum of 12 and a maximum of 18 semester hours in the latter.

The degree of Bachelor of Science will be conferred on students who specialize in Home Economics or Agriculture. It is recommended that all other students major in the field of Education, the degree conferred being Bachelor of Arts.

Candidates for the degree are requested to register for advanced courses during their Junior and Senior years. Failure to observe this rule will necessitate completing more than the minimum of 128 semester hours required. Students carrying less than twelve semester hours do not meet residence requirements, the meeting of which is a condition imposed in degree conferment.

MUSIC FESTIVAL

May 8-9, 1924

The annual Music Festival, which was discontinued for several seasons, will again be given this year. Mr. Strahm is hard at work with the chorus and this year's work will no doubt be of the same high class as all former performances. The Festival will consist of three concerts—one on the night of May 8th and one on the evening of May 9th. A matinee will be given on the afternoon of May 9th. A new choral work of Mr. Strahm's will be given. It will be of great interest to the former pupils of the Western Kentucky State Normal School to hear this. The male chorus will render several selections at the matinee. Besides this, Mrs. Travelstead is preparing a children's cantata to be given by the Training School. This will be a great feature of the program. It is not often possible for school children to have an opportunity to sing with a large orchestra.

The soloists for the occasion will be: Mr. James Goddard, basso, lately of the Chicago Opera Company. He is absolutely the greatest American bass singer. Mr. Barnes Well, the popular tenor, who is so well known and loved, will sing in all concerts. Miss Meisle, contralto, of the Chicago Opera Company, will be here for two concerts on Friday evening and at the matinee. She is one of the leading altos and has sung in practically every leading alto part in the last few years. The soprano soloist will be our own Miss Lenore Wilson, voice teacher in the Department of Music of our school. Miss Wilson has made tremendous progress in her music career as a teacher. She is an excellent singer and has made such rapid strides that she has surprised even her most ardent admirers. Besides the vocal soloists, the orchestra will consist of sixty pieces, including Violin, Harp and Xylophone solos.

Mr. Strahm and Miss Wilson have entered the choruses (male and female) in the state-wide contest to be held in Louisville, Kentucky, during the K. E. A.

Some Flashes From the College Heights Foundation

THIS IS THE OFFICE OF THE COLLEGE HEIGHTS FOUNDATION IN CABEL HALL
FOUR HUNDRED AND FIFTY CHECKS HAVE BEEN RECEIVED BY SECRETARY SEWARD DURING THE PAST FEW WEEKS

The Foundation is continuing to function in the interest of those who are in need of help in a pecuniary way in order to remain in school and complete some definite course of study.

The Student Loan Fund is growing rapidly in size and is gradually extending its scope of usefulness. Notwithstanding the fact that the Foundation has been in operation only a few months, many loans have already been granted to deserving young men and women.

A cordial welcome is extended to all to visit the Foundation office on the first floor of Cabell Hall at any time.

The Foundation has decided not to send out any formal notices to those whose pledges are due, but

desires to take this opportunity to suggest that they send their remittances to the Foundation as soon as convenient, as the demand for loans on the part of students is fast overtaking the supply of cash in the treasury.

Have you done your bit toward making the Foundation a success? If not, kindly let us have your subscription without delay. We need your help and cooperation and know you will not want to miss this opportunity to aid the Foundation in the accomplishment of its laudable efforts to help all who are willing to help themselves.

What can you do in your community to help boost the Foundation? We shall be glad to have any suggestions from any one at any time, and shall ap-

preciate the same very much. A number of teachers have already given pie suppers and box suppers in their schools and contributed one-half of the proceeds to the College Heights Foundation. Isn't it possible for you to do something of this sort? Think it over and let us hear from you.

The Foundation is continuously receiving letters from student-subscribers and others. These letters are full of fine sentiments and inspirational messages concerning ways and means of making the Foundation an outstanding success. We hope to find space some time in the future to publish a few extracts from these letters. In the meantime, let us have a word from you in this connection.

RURAL SCHOOL GRADUATES AND THE SUMMER SCHOOL

What will the Summer School mean to you? If you expect to teach next year or later, attendance here for the nine weeks of the Summer Term will be decidedly to your interest.

First, because you can SEE EXPERT TEACHING done in the Graded and Junior High of the Training School and in the Model Rural School.

Second, because you may complete certain work (to the extent of nine college hours) on your advanced course.

Third, you will have the opportunity to do the professional work required of those who expect to apply for admission to the county examination in June or July.

Fourth, most county superintendents allow an INCREASE IN SALARY for attendance at Summer School.

ROOM RESERVATION FEE FOR YOUNG WOMEN

Those desiring to be assured of accommodations in the J. Whit Potter Hall for the Spring or the Summer Term, should send in the reservation fee of five dollars as soon as convenient. This payment will be applied on the room rent at the time of entering here.

SUMMER SCHOOL

Teachers and those planning to teach who cannot enter school early in the year should begin now to make arrangements to be here for our Summer School of nine weeks which opens on June 9, 1924.

The Summer School is intended to meet the needs of:

- Rural Teachers.
- Grade Teachers.
- High School Teachers.
- Principals and Superintendents.
- County Superintendents.
- Supervisors of Public School Drawing and Art.
- Supervisors of Public School Music.
- Home Economics Teachers.
- Students preparing for the County and State Examinations.
- High School Students.
- Regular Course Students.
- Persons desiring recreation and to study games and plays suitable for the school, health problems and Physical Education.

Students desiring to take special subjects and do a limited amount of work.

Every minute of the Summer School will be full of inspiration, professional spirit and instruction. The work will be done by the regular faculty and a large number of educational leaders and entertainers of national reputation secured for special work.

A special edition of Teachers College Heights giving full information concerning the Summer School will be ready for distribution in a few weeks. Write for a copy of this special Summer School bulletin. It will announce a great program and give much valuable information.

BRIEF NOTES ON COMMENCEMENT

By Prof. Gordon Wilson

Seventeen years ago, when the Western Kentucky State Normal School began, there were only eight high school graduates enrolled during the first year. More than 1,200 will enroll this year. How is that for growth?

The course of study as originally made out in 1907 included little more than a year of college work. This year seventy people are finishing the fourth year of college and will receive the A. B. degree during the commencement.

Of the present Senior class nearly everyone has already taken the Life Certificate and has made a success as a teacher. When the school was given the privilege of extending its course of study, so as to become a standard college, these "old timers" came back and are making the new standards of the institution. If you come back for nothing else, come to see the vigorous first graduates since the school became a college and to see how far reaching the influence of the school has been.

Did you know that the school, through its Agriculture department, now butchers much of the meat used in the dormitory? Professor Lancaster has promised to have enough animals butchered for all the "old timers" who return for the GET-TOGETHER DAY. Out in the field on the farm the ditches will be dug and the tasty meat prepared. Come and get your share.

Already people from the neighboring towns are planning automobile trips to the great GET-TOGETHER MEETING on Thursday, June 5. Tents will be put up on the hill for the accommodation of the travelers and any others. Get out your old flivver and see that it is in good repair for the trip. Plan to arrive early and remain until after the graduating exercises on Thursday evening.

Dr. J. E. Hampton, who will preach the Pacalauate Sermon, is the new pastor of the First Baptist Church of Bowling Green, and has already made himself a power in the community. He is regarded as one of the most eloquent preachers of our city.

The School of Music is arranging a number of excellent musical numbers for the various programs.

Dr. Will S. Taylor, who is to give the Alumni address, was one of our first graduates in the Life Certificate course. Last year he took his Ph. D. degree in Columbia University and in September became Dean of the new School of Education of the University of Kentucky.

Professor Strahm assures us that this has been an unusually good year in the School of Music and promises three programs to which the public is invited. By consulting the general program you will see that these programs will be given May 23, 27, and 30th.

Over two hundred people are to receive the Life Certificate at the end of the spring semester. This will be an increase of more than fifty over last year's class, which in turn was almost double the largest preceding class. We are growing.

Frequently visiting students and Alumni have said that not enough time was given to renewing acquaintances and talking over old times. It is to meet that very need that a Talk Fest has been arranged on the morning of June the 5th in the Parlor of J. Whit Potter Hall. Here will be a chance for all "old timers" to compare notes on their achievements as well as to recall pleasant memories of Grammar Three.

The Chapel on Thursday morning on June 5th will be in the nature of a Forum, in which all visitors are expected to participate. Tell us what you have done and why, where you have been, and what you are expecting to do. Give us all the information you can about your own interesting self and any other former student whom you may know. Everybody will be on the program and speeches will be limited to two minutes.

The Life Certificate class are bending all their energies now toward producing their annual play. Those who remember "If I Were King," "Pocahontas," "Martha" and "Monsieur Beaucaire," will want to be present for the play this year.

As usual, the overland trip to Mammoth Cave will be made at the end of the spring semester, the party being in charge of Professor Page. Doubtless many of the visitors will be glad to make this trip as a part of their coming back to celebrate old times.

The following students are children of former students of the old Glasgow Normal, the Southern Normal or the Western Kentucky State Normal: Gillys W. Allen, William Hugh Allen, Thelma Austin, Louise Bell, Ruby Burdette, Don Boitnott, Dazie Lou Baskette, Josephine Hughes Chanler, Louise Cherry, Louise Farris, Lota Kelley, Elton Lowe, Nellie Mims, Sydney K. Osborn, Irene Odell, Lucille Pearson, J. R. Popplewell, James Parish, Mary Ray, Fadie LeMay Ryan, Gladys Shaver, Marshall C. Sterrett, Dick Thompson, Martha Whitehouse, Harold Wheat, Mabel Williams, Vera Waller and Rosalie Williams.

ST. VALENTINE'S PARTY

At the J. White Potter Hall
All the students are asked to call.
St. Valentine's Friday is the date;
See hours below—please don't be late.

You'll meet the President and the Dean.
Their wives and faculty folk you've seen,
Greet other friends, chat some more,
Make your adieu and pass out the door.

Seven to Nine—Veteran Trainees, Normal Freshmen.
Nine to Eleven—Sophomore, Juniors, Seniors.

The above "bid" greeted the students as the second semester got under way, and the reception under the direction of Mrs. H. H. Cherry assisted by the ladies of the faculty was a tremendous success. While awaiting their time the groups were entertained with a nine reel picture in the auditorium.

EXTRA COPIES OF THIS PAPER

In case you receive more than one copy of this publication, we shall appreciate your kindness in handing the extra copy to someone who will be interested in education.

We Will Meet You in Louisville

Seelbach Hotel, Where the Western Normal and Teachers College will have its headquarters

The Western Normal and Teachers College will have headquarters on the mezzanine floor of the Seelbach Hotel, Louisville, during the session of the K. E. A. which meets April 23-26, 1924. The institution will open headquarters on Tuesday morning, April 22nd, and close on Saturday afternoon, April 26th.

The institution urges every former student to be sure to call at headquarters and make themselves at home. A most cordial invitation is extended to everybody and especially former students.

The annual Get-Together meeting of all students of the Western Normal and Teachers College will take place Friday afternoon from 4:00 to 7:30 in the auditorium of the Seelbach Hotel. A banquet of seven or eight hundred plates will be served for \$1.00 per plate. Every former student is not only asked but urged to be present at this banquet. All who desire to be present should send \$1.00 at the earliest possible moment to Miss Florence Schneider, Western Normal and Teachers College, Bowling Green, Kentucky. This should be done at once, as several hundred have already indicated their purpose to be present. It is earnestly desired to make this banquet one of the outstanding experiences in the life of College Heights.

It is earnestly hoped that the predominant characteristic of the meeting and the banquet will be

that spontaneity and warmth which flow from good fellowship and a unity of ideals. There will be no formal program. **Everybody is on the program and a minute speech is the limit.**

We earnestly hope that every former student will tell other former students about the Get-Together Meeting and the Banquet and urge them to be present. The forthcoming meeting is going to be, without question, the greatest in the history of the institution.

A special train will be run to Louisville by the L. & N. for the benefit of the faculty and students of the Western Normal and Teachers College. A very low rate has been secured. The train will leave Bowling Green at 5:00 a. m. April 25th and return some time Saturday night. The number of students who will attend the K. E. A. this year will, according to present signs, eclipse all previous records. We hope you are making your arrangements to be there.

WE WILL MEET YOU AT THE HEADQUARTERS OF THE INSTITUTION ON THE MEZZANINE FLOOR OF THE SEELBACH DURING THE SESSION OF THE KENTUCKY EDUCATIONAL ASSOCIATION.

WE WILL LOOK FOR YOU AT THE BIG GET-TOGETHER MEETING AT THE BANQUET IN THE AUDITORIUM OF THE SEELBACH FROM 4:00 TO 7:30 FRIDAY, APRIL 25TH.

BASKETBALL, 1924

When the gun sounded closing the last half of the Eastern Normal game, the historian found that Captain Botto's warriors had collected ten scalps, while their own locks had been trimmed no less than eight times. As he turned the pages such names as Centre, Bethel, Middle Tennessee Normal, and Union appeared in black print. On the same pages but printed in red were these: Berea, Eastern, Georgetown, and Michigan City, Indiana, Y. M. C. A. Especially interesting was the big battle with Centre at Bowling Green; within two minutes of the final whistle the Colonels were leading 28 to 25, but a desperate effort put the scarlet and gray lads on the long end of a 29 to 28 count. The game with Michigan City was quite the contrary from the beginning; Western was in the lead until the last five minutes when the Hoosiers tossed three baskets which tied the score forcing an overtime game. In the play-off Michigan City collected six points while two was the best Western could do. The same was true of the Eastern game; the locals set the pace for thirty-five minutes only to be passed in the last five.

Ten wins and eight losses tells the kind of ball the Western quintet played. At times they were unbeatable; at others they were easy marks. Against Centre and Middle Tennessee Normal they played basketball worthy of the best teams in the country; against Berea and Eastern, their play was ragged and far below standard. The team next year should be strong as only two of the regulars were lost by graduation. Captain Botto and ex-captain Owen, Glenn, Denning and Ward each have two years more to play, and a number of this year's subs should make a good showing next year.

THE RURAL DEMONSTRATION SCHOOL

The new rural one-teacher school, just off the campus, opened at the beginning of the second semester in February. It will continue during the second half semester, which opens April 4th.

We have a modern building, model apparatus, and real model teacher. Twelve students are doing their practice teaching in the rural school and a large number are taking observation.

The school has forty country children who are coming with great regularity and have already become thoroughly adjusted to the demands of the demonstration school.

Systematic work in physical education and play has already begun and will be carried out during every session. We hope to demonstrate that with proper care and attention rural children can attend school as regularly as any other children.

On Washington's birthday we had the members of the State Legislature as our guests. Many of the members said they considered our work in the rural demonstration school one of the most important things we are doing.

It would be well if all county superintendents, supervisors, and rural teachers could spend at least a few hours in our rural school and study the skill with which Miss Clark manages the work with all the grades with one teacher.

YOU CAN TAKE THIS EXAMINATION HERE

In order to relieve the student of the expense and loss of time incident to returning home for the county examination, the privilege has been extended them of taking it here and having their papers sent to the county of their choice to be graded. A large number of young students avail themselves of this offer each year. By this means only one day is lost from the regular class work.

POSITIONS FOR TEACHERS

Boards of education, trustees and county superintendents who will be in need of additional teachers for next year are invited to call on us for assistance and recommendations. We have some unusually well qualified men and women whom we shall be glad to recommend, if you will let us know your needs. Among the list of those who will complete the four years' college course, receiving degrees at the close of this scholastic year, are experienced men and women, several of them married men and their wives.

GENERAL NEWS ITEMS

By Henry Clay Anderson

Twelve more weeks until the 1924 commencement. Seventy will get their degrees, over two hundred their Life Certificates. The big Home Coming will be held at that time, Barbecue, Field Day and lots of things. Are you planning to come back?

The All-Star Concert Series, under the direction of Will B. Hill, enjoyed its usual success this year. Sousa's Band and Miss Freda Hempel were the star numbers of the programs rendered. Over one thousand students were the beneficiaries of cultural renditions generally reserved for the "elite."

Prof. W. C. Craig, "Uncle Billy," is no longer with us. Remember when you see his smiling countenance coming in the door that he is now State High School Inspector. Govern yourself accordingly.

Homer Bellies left us this year to represent his district in the legislature.

Prof. Leiper was called from his class recently and found his house afire. The damage was confined to the interior and after two months is back again in his "new" house. Insurance covered all damage.

The Fort has taken on an atmosphere a la Hollywood. Every sunshiny day finds a group awaiting their turn before the camera. The forthcoming Senior Annual is responsible.

The entire General Assembly accompanied by many State Officials paid us a visit on Washington's Birthday. After attending chapel "it was all over;" they will never forget the Hill.

Remember you are invited to the Get-Together Banquet to be held in the auditorium of the Seelbach during the K. E. A. Friday evening, April 25th, is the date. Send Miss Schneider one dollar for a plate.

Miss Mildred Potter, a student of Sargents, has taken over the physical education work for the semester.

Miss Lelah Bowen of the class of 1917, and Mr. J. H. Lamb, County Superintendent, Hawesville, were recently married at Woodburn, Kentucky. They have the best wishes and sincere congratulations of the school.

Congratulations are also due Superintendent J. Harvey Sweeney of Washington County. Mrs. Sweeney was formerly Miss Golda Johnson, a most efficient teacher in the Training School for several years.

Mrs. Callie Reid Dunn writes from Beuna Vista, Kentucky, that although happy in the role of home maker, she plans to return to the institution to complete the Life Certificate course in the near future.

Mr. George L. Rankins and Miss Lena D. Mills were married about the time of issuing our last College Heights. This is the first opportunity we have had to wish them great things in the future.

Mr. W. L. Mapother, President of the Louisville and Nashville Railroad, was our guest at chapel March 6th and gave a most interesting discussion on Transportation and the Transportation Act of 1920.

The Third District Sectional Basketball Tournament of the High Schools was conducted by Coach "Ed" Diddle in the Gymnasium. There were sixteen teams entered in this contest bringing one hundred and sixty high school boys and girls to the Hill as visitors.

The Senior Annual, the first to be composed since becoming a college, will be one of merit and will hold its own with other like publications. It is understood that there will be over one hundred and sixty pages of pictures, stories, jokes, history, athletics and the like.

The advanced plans for the summer session which opens June 9th are most pretentious. This will be a nine week session.

Dr. Gamble, Miss Hatcher, Miss Sweeney and Miss Funk attended the N. E. A. at Chicago.

Detailed plans for commencement will be forthcoming later, but it is not too early to mark the first week of June as the date for your visit to the Hill.

WILL YOU FINISH A COLLEGE COURSE?

The Teachers College of the Western Normal will have a very large graduating class this year. The class is made up of strong men and women who have already had successful experience. The prospect for the graduating class of 1925 is equally bright as that of the present year. We would greatly appreciate hearing from all persons desiring to finish a college course and secure a degree. We especially desire correspondence with Life Certificate and Junior College graduates as well as those of equal or more advanced rank. Can't you commence now and make your arrangements to be a member of the Teachers College graduating class of 1925?

Tell every former student that he is on the program at the banquet of the big Get Together Meeting in the auditorium of the Seelbach. Be there yourself and urge every other former student to be present. Send in a dollar at once for your plate.

ATTENTION ALUMNI AND FORMER STUDENTS

We are inclosing in this publication a supplement and are asking for certain items of information which we are trusting the former students of the institution will be good enough to supply. If you are an old student and know of the whereabouts of any other former student, we shall appreciate it if you will give us this information. We are anxious to secure the names and addresses of every former student possible and desire most earnestly the assistance and cooperation of all former students who are interested in helping us obtain this data and in making the Teachers College one of the outstanding teacher-training institutions of the South.

HAVE YOUR ADVANCED CERTIFICATE VALIDATED

Kindly send your certificate by registered mail and also a statement or statements showing that you have taught successfully for three years since graduating from the Life Certificate course. These certificates will be properly signed at this place and then sent to the State Superintendent of Public Education at the same time we send the certificate to be issued for the present year, thus avoiding a multiplication of requests at that office. Do not overlook the importance of HAVING YOUR CERTIFICATE SENT us at your earliest convenience. Send to H. H. CHERRY, President.

TAKE THE EXAMINATION AT THIS PLACE

Students entering here for the mid-semester, which begins on April 7th, will have an opportunity to take the professional work that will fulfill the requirement of the law for those who wish to take the county examination in May or June. Under the law, it will not be necessary to return home in order to take this examination, a plan that would cause considerable loss of time and interference in your course of study. By taking this examination here, one will be able to continue his regular course of study and complete eight or nine hours of college credits on the Elementary Certificate course.

FREE TUITION AND BOARD

See your county superintendent, if you live or teach in Western Kentucky, and ask that you be appointed to free instruction. There will be no trouble about this, provided it is your purpose to teach following attendance at this place and provided you are eligible to enter. Good board, everything furnished, is offered for reasonable rates. We shall be GLAD TO MEET YOU AT THE TRAIN AND AID YOU IN MAKING THE BOARDING ARRANGEMENTS YOU PREFER, if you will write us and tell us when to expect you. Young women desiring reservations made in the J. Whit Potter Hall, should send the required reservation fee of five dollars—which will be applied on room rent at the time of registering.

Make the foundation 100 per cent loyalty by sending in your subscription now.

Fill out the foundation blank published on this page. Cut it out and mail it to the institution.

Nine additional teachers who have had extensive training and wide experience will become members of the faculty of the Western Normal and Teachers College during the nine weeks beginning April 7th.

The next issue of Teachers College Heights will be devoted to the Summer School. It is now in the press and will be ready for distribution within a few weeks. It will announce a great educational program for the Summer School of nine weeks which begins on June 9th. Write for a copy.

Begin now and make your arrangements to attend the big reunion of all former students which will occur on College Heights on June 5th during the week of commencement.

The Western Normal and Teachers College will be prepared to give definite and specific information concerning qualified teachers who are available for work next year. If you want a real trained teacher, call at the headquarters of the institution on the mezzanine floor of the Seelbach during the K. E. A., or write President H. H. Cherry, Bowling Green, Kentucky.

The public, as well as all former and present students are urged to make themselves at home at the headquarters of the Western Normal and Teachers College during the K. E. A.

Don't fail to call at the headquarters of the Western Normal and Teachers College on the Mezzanine Floor of The Seelbach Hotel, during the session of The Kentucky Educational Association.

Send a dollar at once to Miss Florence Schneider, Western Normal and Teachers College, Bowling Green, Kentucky, for a plate at the Banquet and Get-Together Meeting which will be held in the Auditorium of the tenth floor of The Seelbach, Friday evening, April 25th, from 4:00 until 7:30.

DO YOU NEED A TEACHER?

If you need a trained teacher, be sure to call at the headquarters of the institution and have a conference with the recommendation committee and with persons desiring work.

Begin now and tell every former student to be sure to call at the headquarters of the institution and to attend the great Get-Together Meeting in the large auditorium of the Seelbach.

The Western Normal and Teachers College extends to all school officials, superintendents, trustees, etc., a cordial invitation to call at Normal headquarters on the Mezzanine Floor of the Seelbach during the K. E. A. and canvass the situation with reference to the employment of teachers for next year. A directory will have been prepared of teachers who are available and conferences will be arranged between persons desiring teachers and prospective teachers. If you cannot attend the Kentucky Educational Association, write us telling us what you want and we will give your request special attention.
