# Teachers College Highlights

Entered as second-class matter December 18, 1916, at the Post Office at Bowling Green, Kentucky, under an Act of August 24, 1912.

Published Bi-Monthly by  
The Western Kentucky State Normal School and Teachers College

Vol. 8

Bowling Green, Ky., December, 1924

No. 2

## OPENING OF SECOND SEMESTER

The Western State Teachers College and Normal School commenced its eighteenth year as a state teacher training institution on September 22, 1924, with a greatly augmented faculty. The next semester will begin February 2, 1925. During the past year the accrediting committee of the University of Kentucky classified the college as Grade A, which admits the graduates of the four-year course into the Graduate School of Columbia University on the same basis as their own graduates. Peabody Teachers College, the University of Wisconsin, and the University of Indiana are admitting the graduates into advanced work, giving full credit for all work done by this institution.

**CALENDAR FOR REMAINDER OF THE YEAR**  
February 2, 1925—Registration for winter semester begins.

February 7, 1925—(11:30 a. m.) Last day for registration for full credit.

February 11, 1925—Last day for registration.

April 6, 1925—Registration for spring term (9 weeks).

April 8, 1925—Last day for registration for full credit.

April 11, 1925—(11:30 a. m.) Last day for registration.

June 5, 1925—Last day of winter semester and spring term.

June 8, 1925—Registration for first summer term (6 weeks).

July 17, 1925—Last day of first summer term.

July 20, 1925—Registration for second summer term (6 weeks).

August 28, 1925—Last day of second summer term.

### Organization of Institution:

The teaching activities of Western Kentucky State Teachers College and Normal School are organized under two divisions: a complete program of four years of high school work is presented, which leads to high-school graduation and the securing of the Standard Elementary Certificate of secondary grade. In the college field courses are presented which lead to various certificates and a four-year course is organized leading to the degree of Bachelor of Arts and Bachelor of Science. The school year is divided into two semesters of 18 weeks each, a spring term of 9 weeks which parallels the last half of the second semester, and two summer sessions of six weeks each.

New Vanmeter Hall and Administration Building, Western State Teachers and State Normal School. One of the most attractive fire-proof buildings in this country. It has an Auditorium with a seating capacity of 2,000 and many administration and class rooms. This building was dedicated May 5, 1911.

### ORDER OF REGISTRATION

New students are requested to send in advance a properly certified transcript of credits to Miss Mary Stallard, Registrar. This will assist in proper classification for advanced work.

Each student will receive a mimeograph copy of certificate requirements and the program of classes, together with a student current record card, student schedule, and duplicate course cards. Each student is requested to read certificate requirements carefully and then select courses, avoiding class conflicts and duplication of courses.

The student is requested to carefully give all of the information asked for on the various cards. After this is completed the cards are carried to the west side of the stage where the program is approved. The next step is payment of incidental and laboratory fees in the room east of the stage. Each course card held by the student is receipted by the Bursar and is presented to the instructor as a class admittance card.

### GENERAL INFORMATION

#### Standards of Admission:

No student will be admitted to the Normal unless he has attained the age of 16 at the time of entrance and has completed the requirements for graduation from the eighth grade.

#### Advanced Standing:

Mature students who have had teaching experience will be eligible for examination for advanced standing on payment of a small fee. Application for examination must be sanctioned by the Dean of Faculty.

#### INFORMATION CONCERNING WORK (High School)

The Normal School presents a four-year program of high-school work. Credit in this field is measured in terms of units, this unit being definite as the amount of credit given for the successful completion of a subject offered five class periods a week for 36 weeks, the average period being forty-five minutes in length. Ordinary practice permits a student to complete 4 units during 36 weeks; thus it usually requires a period of four years to complete the high school program of 16 units. Exceptional students who pass a test devised for the purpose will be permitted to carry a maximum of 2½ units during a semester.

#### Information Concerning College Work:

The average load carried by a student during a semester is 16 semester hours, the maximum is 18 and granted only in special cases. A student must carry not less than 12 hours to be enrolled as a regular student. A semester hour is the credit given for attending class one hour per week for 18 weeks. Laboratory periods are doubled.

An applicant for admission to first-year college classes must present credits for fifteen units of high school work so chosen as to include not less than three units of English, one unit of Algebra, and one unit of Geometry. Only students who hold certificates of graduation from accredited high schools will be admitted without examination.

Candidates from other accredited institutions of collegiate rank may present advanced standing and thereby reduce the number of hours required for graduation. An official statement must be secured from the registrar of the institution in which the credit is made and must be sent to the office of the registrar.

The student who is not a candidate for a degree or for any teaching certificate may enter the college and pursue special work. These students must present the same credentials as any other applicant for admission to collegiate work. The institution is not obligated to give the special student a teaching certificate unless the student has met the specific courses required for the certificate.

#### CERTIFICATES GRANTED BY THIS INSTITUTION

Public School Music, Physical Education, and Agriculture are legal requirements that must be presented as credit by every student applying for a certificate.

No certificate is granted unless the student has demonstrated his ability to write as well as

seventy-five (75) on the Zaner Handwriting Scale. Students are advised to take this examination at the beginning of a semester, and, if the required standard is not met, the student may enter special penmanship classes.

The Provisional Certificate of second grade, valid for two years, is granted with the completion of 4 units of high school work. Two of these units must be earned by residence work at this institution and the other two may be earned at approved high schools or accredited institutions of high school rank. Of the two units that may be earned elsewhere, one may be completed by correspondence work, or at an extension school.

The Provisional Certificate of first grade, valid for two years, is granted with the completion of a minimum of 8 units. Four of these units must be earned by residence work at this institution. The other four units will be accepted from accredited high schools; not more than two of these four will be accepted from summer extension schools and not more than two units may be completed by correspondence.

The standard Elementary Certificate, valid for three years, is granted with the completion of 16 units of prescribed and elective work. At least 35 weeks must be spent in residence and not less than four units completed at that time. The remainder of the work may be completed at accredited high schools. Correspondence credit to the amount of four units will be accepted.

The Elementary College Certificate, valid for two years, is granted with the completion of a minimum of 32 semester hours of prescribed and elective work, sixteen of which must be earned at this institution during a residence of not less than eighteen weeks. The remaining sixteen may be earned at other accredited collegiate institutions; eight of these may be completed by correspondence.

The Advanced College Certificate, valid for three years with renewal for life tenure, is granted with the successful completion of a minimum of 64 semester hours of prescribed and elective work. At least thirty-two semester hours of work must be completed in residence. The remaining thirty-two semester hours of work may be accepted from other collegiate institutions and not more than 16 semester hours of correspondence work can be applied on this certificate.

#### REISSUANCE OF CERTIFICATES EARNED THROUGH STATE DEPARTMENT EXAMINATIONS

The 1924 Legislature passed a licensing act which enables the State Board of Education to reissue, on or before date of its expiration, a Standard Elementary teacher's license when the holder presents with his application for reissue a certified transcript showing credit for a minimum of 16 semester hours of college work in an approved teacher training institution, together with a certified transcript showing graduation from an approved high school or the equivalent thereof, provided that the holder has made an average of 85 per cent with no subject less than 70 per cent in a standard elementary teachers' examination. Such a license shall be eligible for extension for life, on or before its date of expiration, provided the holder thereof submit evidence of having taught successfully for at least three years and provided that the holder submits a certified transcript showing credit for at least 64 semester hours of work done in an approved teacher training institution.

Any Provisional Elementary teacher's license, first grade, shall be reissued for a two-year period, on or before the date of its expiration, provided that the holder thereof submit with his application for reissue a certified transcript showing credit for at least an additional two units of work done in a standard high school or the equivalent thereof and in addition 6 weeks of residence work in a standard teacher training institution.

Any or all of the work required on the transcripts to be presented to the State Department by holders of either the Standard Elementary Teacher's License or the Provisional Elementary Teacher's License for purposes of reissuance may be completed at this institution and this credit may be also used to apply on certificates granted by Western State Teachers College and Normal School.

### GENERAL REQUIREMENTS FOR THE A. B. DEGREE

The baccalaureate degree is granted with the successful completion of a minimum of 128 semester hours of prescribed and elective work. Former students who have received the Advanced Certificate will be required to renew their attendance at the institution and spend a minimum of 18 weeks in residence study before the degree will be granted. This is required regardless of the number of semester hours of credit which the student may have completed at other institutions. Such a student must complete not less than 16 semester hours of work which must be taken only after conference with the Dean of Faculty. All other candidates for the degree must meet a residence of 36 weeks; at least 32 semester hours of work must be completed, the courses taken to be approved by the Dean.

The prescribed curriculum is divided among the following fields, the number of semester hours given being the minimum requirements:

|   |                   |
|---|-------------------|
| Education                                       | 24 semester hours |
| English   | 12 semester hours |
| Foreign Language (1 language)                   | 10 semester hours |
| Mathematics                                     | 7 semester hours  |
| Social Sciences (History, Economics, Sociology) | 12 semester hours |
| Sciences (Chemistry, Physics, Biology, etc.)    | 12 semester hours |

All students who are candidates for the A. B. degree must select a major and a minor field of study, completing a minimum of 24 and a maximum of 34 semester hours in the former and a minimum of 12 and a maximum of 18 semester hours in the latter. At least half of the work must be in the Senior College field.

Every candidate for a degree must present credit for a minimum of 100 hours of practice teaching. This amount may be increased at the discretion of the supervisor of practice teaching if the teaching of the student indicates lack of proficiency.

#### RECOMMENDED COURSE DISTRIBUTION BY YEARS

(In Terms of Semester Hours)

#### MEETING MINIMAL A. B. REQUIREMENTS

| Department     | Year I | Year II | Year III | Year IV | Total |
|----------------|--------|---------|----------|---------|-------|
| Education      | 8      | 6       | 5        | 5       | 24    |
| English        | 5      | 3       | 4        | —       | 12    |
| Social Science | 3      | 3       | 3        | 3       | 12    |
| Exact Science  | 5      | 4       | 3        | —       | 12    |
| Mathematics    | 4      | 3       | —        | —       | 7     |
| Language       | 6      | 4       | —        | —       | 10    |
| Major          | —      | 3       | 9        | 12      | 24    |
| Minor          | —      | 3       | 6        | 6       | 15    |
| Elective       | 1      | 3       | 2        | 6       | 12    |
| Total          | 32     | 32      | 32       | 32      | 128   |

Candidates for the B. S. degree in Home Economics and Agriculture are required to meet the nominal requirements in Education, English, Mathematics, Social Sciences, and Exact Sciences, together with the prescribed courses in Home Economics or Agriculture and related subjects.

#### FREE TUITION FOR EVERYBODY IN KENTUCKY

The recent Legislature of Kentucky removed the boundary line between the Eastern and Western Teachers College. Students who live in any part of Kentucky can now enter either college on free tuition. In fact, any student in Kentucky, regardless of the county in which he lives, is now entitled to free instruction in any and all of the regular literary subjects in this institution.

#### STUDENTS' FEES

Each student will be required to pay an incidental fee of \$5.00 per semester. This provides him with tickets to athletic events, to the various numbers of the Lyceum course, to the use of the library, etc. Nonresidents of Kentucky are required to pay a fee of \$25.00 per semester.

LYCEUM COURSE

THE BEST NUMBERS OF LYCEUM COURSE COME AFTER THE HOLIDAYS. Included in the great Lyceum course for our students this year are Mischa Elman, world renowned Violinist; St. Louis Symphony Orchestra; and three of the leading celebrities of the Chicago Opera Company, accompanied by other great musicians on Grand Opera night. In addition to this the Annual Music Festival will occur on May 15th and 16th. During the Festival three magnificent programs by some of the most noted musicians in the entire country will be given. Below are the dates for their appearance:

- Feb. 10—Mischa Elman, Violinist.
- Mar. 19—St. Louis Symphony Orchestra, Rudolph Gnaz, Conductor.
- Apr. 6—Grand Opera Night, presenting three celebrities of the Chicago Company, including Mme. Myrna Sharlow, dramatic soprano, Forrets Lamont, tenor, and Virgillo Lazzari, Basso, with Isaac Van Grove, conductor of the Chicago Opera Company, at the piano.

Noted artists and musical organizations, assisted by a local chorus, present concerts, recitals, and an oratorio. During the spring of 1924 Prof. Strahm, Director of the Conservatory of Music, organized a chorus of 150 voices and produced Strahm's Vespers in D and excerpts from Messiah and other operas. The assisting soloists were James Goddard, Walter Earnest, Katherine Meiles and Milton Cook, and the Indianapolis Symphony Orchestra rendered the music. During the May Festival the children of the Training School under the direction of Mrs. Nell Travelstead presented "The Last Crusade." The Festival for 1925 will be equally attractive. STUDENTS ARE ENTITLED TO HEAR ALL THESE PROGRAMS AS WELL AS TO ATTEND ALL THE ATHLETIC EVENTS FREE OF CHARGE.

MUSIC

PUBLIC SCHOOL MUSIC COURSE is free, but those who take private lessons in piano, voice, etc., get the following rates:

Piano Lessons: Mr. Strahm.

|                                       |         |
|---------------------------------------|---------|
| 1 lesson per week, \$1.50 per lesson; |         |
| semester .....                        | \$27.00 |

|  |       |
|--|-------|
| 2 lessons per week, \$1.25 per lesson; |       |
| semester .....                         | 45.00 |

Piano Lessons: Miss Rodes.

|  |       |
|--|-------|
| 1 lesson per week, \$1.00 per lesson;  |       |
| semester .....                         | 18.00 |
| 2 lessons per week, \$0.75 per lesson; |       |
| semester .....                         | 27.00 |

Piano Lessons: Miss Wilson.

|  |       |
|--|-------|
| 1 lesson per week, \$1.00 per lesson;  |       |
| semester .....                         | 18.00 |
| 2 lessons per week, \$0.75 per lesson; |       |
| semester .....                         | 27.00 |

Vocal:

|  |       |
|--|-------|
| 1 lesson per week, \$1.00 per lesson;  |       |
| semester .....                         | 18.00 |
| 2 lessons per week, \$0.75 per lesson; |       |
| semester .....                         | 27.00 |

Practice fee for use of school pianos:

|  |       |
|--|-------|
| 1 hour per day, \$0.35 per week; semester  | 6.30  |
| 2 hours per day, \$0.60 per week; semester | 10.80 |
| 3 hours per day, \$0.80 per week; semester | 14.40 |
| 4 hours per day, \$1.00 per week; semester | 18.00 |

THE NEW TRAINING SCHOOL BUILDING

The last Legislature appropriated sufficient funds to erect this handsome much-needed classroom and Training School Building. The construction of this building is well under way.

LABORATORY FEES PER SEMESTER 18 WEEKS

|                                   |        |
|-----------------------------------|--------|
| Physics .....                     | \$5.00 |
| Soils—Physics and Fertility ..... | 5.00   |
| General Chemistry .....           | 5.00   |
| Qualitative Chemistry .....       | 5.00   |
| Quantitative Chemistry .....      | 5.00   |
| Agricultural Chemistry .....      | 5.00   |
| Zoology .....                     | 5.00   |
| Botany .....                      | 5.00   |
| Bacteriology .....                | 5.00   |
| Pathology .....                   | 3.00   |
| Entomology .....                  | 2.00   |
| Agronomy .....                    | 1.00   |
| Horticulture .....                | 1.00   |
| Dairy Production .....            | 1.00   |
| Animal Husbandry .....            | 1.00   |
| Fancy Cooking .....               | 10.00  |
| Nutrition .....                   | 8.00   |
| Principles of Cooking .....       | 8.00   |
| Art and Designs .....             | 3.50   |
| Elementary Dressmaking .....      | 2.50   |
| H. S. Sewing .....                | 2.00   |
| H. S. Cooking .....               | 6.00   |
| Dietetics .....                   | 8.00   |

BOARDING EXPENSES

It costs students who attend this institution about one-half the outlay it would require to attend the usual accredited college or university. The aim and object of the management of this school since its organization has been to place the expense of securing an education within the reach of the boys and girls who have a limited amount of money at their disposal. With this in view, we have succeeded in keeping the rates for both meals and rooms at a very reasonable rate indeed. The rates offered by this institution have set the standard for other institutions and without doubt the rates will be appreciated. Good meals for either men or women can be had in the dining room of the J. Whit Potter Hall, which is under the direction of an expert dietitian who is a graduate from the University of Wisconsin. Two large dining rooms are arranged and equipped to supply meals to students at the following rates:

Meals:

|          |           |
|----------|-----------|
| Month    | \$16.00;  |
| Semester | \$72.00;  |
| Year     | \$144.00. |

ROOMING FACILITIES

The Girls' Dormitory, J. Whit Potter Hall, is a modern fire-proof building, accommodating approximately four hundred students. The students are under the personal supervision of Miss Hattie Funk and Mrs. W. A. Lee. It is recommended that parents place their daughters in the dormitory, since wholesome influence tends to develop students.

ROOM RENT

|                | Week   | Month  | 9 Wks. | 18 Wks. |
|----------------|--------|--------|--------|---------|
| 4 in room..... | \$1.00 | \$4.00 | \$9.00 | \$18.00 |
| 3 in room..... | 1.50   | 6.00   | 13.50  | 27.00   |
| 2 in room..... | 2.25   | 9.00   | 20.25  | 40.50   |

This amount includes a laundry fee which entitles the students to the use of a modern laundry with its convenient equipment.

Good meals in private homes can be secured for about the same amount. Room rent in private homes ranges from \$1.50 to \$2.50 per week. Very few students pay more than \$7.50 or \$8.00 per month for room rent, where two people occupy a room. Many of them secure good rooming places

for less than that. The institution prepares special lists that can be consulted, and these lists will offer good opportunities for light housekeeping places as well as meals or rooms. We recommend that students call at the office to look over these lists before making arrangements for rooms in the city.

#### RESERVE YOUR ROOM AT J. WHIT POTTER HALL

Those desiring to have places reserved in the boarding hall for the young women of the school should write and send the required reservation fee of \$5.00. This fee is applied on the room rent at the time of entering. Special interest and assistance will be given those desiring to secure rooms in the private homes of the city. We recommend that the young women of the school select rooms in the J. Whit Potter Hall, but they have the privilege of rooming in private homes in the city, if they prefer.

If you will notify us when to expect you, the representative of the school, wearing a badge, "Representative of Teachers College," will be at the train to meet you and direct you to the boarding home. Be sure to write us a day or two before you leave home, so that the word will reach us in plenty of time. Write to:

H. H. CHERRY, President,  
Bowling Green, Ky.

**YOU CAN ATTEND THE NORMAL AND TEACHERS COLLEGE ON A MINIMUM AMOUNT.** The amount of money usually required to keep a student for two years in other colleges of equal opportunities and rank as this will keep you here for the four years' work and enable you to secure a degree. Is this fact not worth careful consideration?

#### Western Teachers College and Normal School Is Now Authorized to Train Smith-Hughes Teachers

During the past two years the Western Kentucky State Normal and Teachers College has been developing its curricula in agriculture and home economics and facilities for training teachers of these subjects for the federally aided high schools of the State.

The State Board for Vocational Education unanimously approved the application of the institution for recognition on June 19, 1924. The Federal Board for Vocational Education unanimously concurred in the decision of the State Board on July 2, 1924.

The Western Kentucky State Teachers College and Normal School now enjoys the distinction of having the graduates from the course in agriculture and home economics recognized as teachers of these schools in the State. Graduates from these courses are also granted full graduate recognition by the University of Kentucky.

All graduates in agriculture and home economics are now placed in responsible positions for the coming year.

#### THE NEW CATALOG

We have promised our readers for many months a catalog of the Western Teachers College. There was a delay on account of the rapid development of the course of study, but we are glad to announce that the new catalog has been received from the hands of the printer and a copy of it will be mailed free to anyone desiring the same.

Address:

H. H. CHERRY, President,  
Western Teachers College,  
Bowling Green, Ky.

#### FREE TUITION FOR EVERYBODY IN KENTUCKY

The recent Legislature of Kentucky removed the boundary line between the Eastern and Western Teachers Colleges. Students who live in any part of Kentucky can now enter either college on free tuition. In fact, any student in Kentucky, regardless of the county in which he lives, is now entitled to free instruction in this institution.

#### R. O. T. C. UNIT

The government established the R. O. T. C. Unit at this institution January 27, 1919, under the command of Lieut. Ellsworth. After five months he was relieved, and Lieut. Col. Wilford Twyman was placed in command. Colonel Twyman had served twenty-five years in the army, ten of which were in Panama, France and the Philippines. Through untiring and efficient effort, he mobilized a group of energetic boys into a unit of strength, patriotism, and loyalty. At the expiration of four years with the unit, he was relieved June 20, 1923, and retired from military service October 25, 1923.

Major Cathro was placed in command here August 30, 1923. He brings to the school the advantage of a thorough training and experience. Already he has added dignity, loyalty, efficiency, and patriotism to the corps, which is recognized by both faculty and student body. He is more than a military commander; he is a benefactor of moral training and manly conduct to the boys under his command.

Members in the Junior Unit of the R. O. T. C. organization are furnished by the government the uniforms including trousers, coat, overcoat, two shirts, belt, leggings, caps and ties. Arms and ammunition are also furnished. A student enrolls for two years, the credit given being 3 semester hours for each year.

#### NEWS ITEMS

BY HENRY CLAY ANDERSON

We feel sure that we should start this column with a general statement of news which Mr. Cherry expressed recently.

"The Hill is in better shape now than ever before in its history. The faculty is larger, the student body is larger, the courses of study are more numerous and advanced, current revenue is greater, and the interest in education is at its peak."

This means that we are now an accredited Class AA Teachers College granting the A. B. and B. S. degree and that we have been honored with recognition as a Smith-Hughes Training School in Agriculture and Home Economics. There have been more physical improvements made on the Hill than ever before and there are a great number under course of construction. The new \$200,000 Training School will be ready for use in September. Thousands of shrubs, flowers and bulbs have been planted to enhance the scenic beauty of the Hill. These are only a few of the many good things that will come to us in the future.

Much news of the Hill is being gathered by the newly organized Bureau of Publicity.

Miss Jane Culbert, the newly elected head of the Department of Physical Education, has reported for detail after a month's illness.

Since the last issue of College Heights, President Cherry made a week's trip to Oklahoma where he addressed the State Teachers' Association at Durant.

The faculty and student body were hosts to the Fox Hunters during the meet of the National Association in Bowling Green. Visitors from all over the country attended the meet.

Mr. Perry Snell, who recently donated the new Science building at Ogden College, and his brother Getty, were our guests at chapel during the week of the dedication of the recently completed Perry Snell Hall.

D. W. Kinsloe of Madisonville, who was recently re-elected congressman from the second district, is a former student.

The county delegations are more active than ever before. Many constructive meetings are being held.

The school orchestra under the capable direction of Mr. Strahm is stepping right along. The strains of music emanating from room 4 every Monday afternoon indicates a "Symphony" before long.

Miss Virginia Kerr took a special course in Library Methods at the summer school of University of Michigan.

W. J. Craig, "Uncle Billy," State High School Inspector, drops in on us every once in a while. His comings are always celebrations. "Uncle Billy" will return to the Hill in February as Head of the Personnel Department.

The excavation for the new training school building is completed—thanks to two months of fine weather. The foundation is laid and material is on the ground for actual construction.

Have you written for the new catalog?

The second semester opens on February the 2nd. Shall we see you at the opening chapel?

Horace McMurtry, of the Department of Rural Education, spent the week of November 20th visiting schools in Barren County. Mr. McMurtry visited thirty-two schools.

The annual reunion and home coming of the U. S. Veterans' Bureau Trainees was held on November the 6th under the direction of Mr. Leland Bunch. A most interesting program was arranged and about 150 Rehabilitated Veterans returned for the commencement.

A donation of dressed dolls was made by the young ladies of the J. Whit Potter Hall to the local bazaar held for the benefit of the Welfare Home. About 115 dolls were given.

The fall planting of our many flower gardens has been going on at odd times. More than 1,000 bulbs and tubers will be ready to add their beauty to the Hill in the spring. It will be remembered that Mr. Carl Herdman donated 2,500 varieties of iris bulbs.

Many students took advantage of the Thanksgiving holidays for a week-end visit at home. Those who stayed here were the guests of Miss Reynolds at the boarding home. A delightful turkey dinner was served.

Mr. W. M. Pearce has visited 200 schools in Fulton, Graves, McCracken and Ballard counties this fall. He has also established large study centers in Paducah, Mayfield, Providence and other places in the first district. This is one of the activities of the Department of Extension.

The Bureau of Publicity requests all former students to write in for a special news bulletin which it hopes to send out shortly. Address communications—"Attention Bureau of Publicity."

The Theme Cover devised by Professor Leiper which has been used in the English composition work here for two years has been purchased by the Century Co., of New York, and will shortly be issued as a part of their Century Collegiate Handbook.

A call has been issued for the boys' and girls' basketball teams and the squads have been in active practice for several weeks.

Here are some of the study center classes established by Director Pearce, of the Department of Extension:

An interesting and large study center class is being conducted at Owensboro by Superintendent J. L. Foust in "Supervision of Elementary Teachers." Superintendent Foust writes that the class is enjoying the work and is deriving much benefit from the course.

At Paducah Superintendent L. J. Hanifan has two large classes. This is probably the largest study center group in the State.

Mayfield is the possessor of a study group in College Algebra under the supervision of Mr. Carlisle Cutchins.

Superintendent C. T. Cannon at Russellville has a class in History of Education of the United States, which is doing unusually good work.

At Providence, Mr. Lee Jones has a class in Modern American Literature.

A large group at Jamestown is studying Tests and Measures under the direction of Superintendent John Jones.

There are many other successful study centers in different parts of the State.

Anyone interested in correspondence study work to be done individually or in a study center class and having a group of persons desiring the same subjects should address the Department of Extension for further information.

Miss Sue Belle Mason recently spent a week in Hardin County visiting the schools and came back loaded with all sorts of "good things."

Mrs. Travelstead navigated a "Lizzie" over Hart County for a week visiting the schools and former students.

Mr. Taff had a great time visiting the schools in Breckinridge County for a week.

Miss McLean and Mrs. Lee spent a week touring Logan County and visiting former students.

Dr. Stickles is listed in this year's "Who's Who in America."

Supt. Kirkpatrick of the Paris schools, and a former student, gave us a most interesting chapel address recently.

The regular annual meeting of the directors of the College Heights Foundation was held on College Heights on November 18, 1924.

O. G. Bryn was elected a director to fill the vacancy caused by the resignation of Lewis C. Humphrey, and E. G. Dent was elected to fill the place made vacant by Thruston Ballard.

Mrs. Alvin T. Hert, M. O. Hughes, R. P. Green, and Julian W. Potter, who were elected for one year and whose time expired at the annual meeting, were re-elected for three years.

The other members of the board are: H. H. Cherry, president; J. R. Alexander, chairman Executive Committee; C. U. McElroy, vice chair-

man; M. M. Logan, Carl D. Herdman, and Mrs. H. R. Matthews.

R. H. Seward was re-elected secretary, and Carl D. Herdman was re-elected treasurer.

The Bureau of Publicity is compiling a special news bulletin for the classes of 1924 which will be sent out as soon as all the responses are in from the members. Send in your name.

Dean Gamble is working on a survey of the Rural Schools in Marshall County.

President Cherry and several members of the faculty attended the meeting of the first district Educational Association which was held in Paducah, November 28th and 29th.

Dean Gamble, Miss Hatcher, Mr. Lancaster, Mr. Burton, Miss Kinslow and Henry Clay Anderson attended the Educational Conference held at the State University, October 30th and 31st.

Several former students, now teaching in Eastern Kentucky, came over to Lexington to witness the football game with Transylvania.

Mr. M. C. Ford, who is working on his Master's Degree at the University of Wisconsin, dropped in on us at Thanksgiving. Mr. Ford also attended the Christmas Chapel. He will be back on the Hill at the second semester.

President Cherry, Dean Gamble and Mr. Pearce attended the conference of Superintendents at Frankfort, December 17th, 18th and 19th. President Cherry delivered an address on "Citizenship or that 'Other Thing.'"

Miss Kinslow, recently a member of the faculty and now State Director of Home Economics in the State Department of Education, returned to the Hill for the Christmas holidays.

Miss Mattie McLean spent the holidays at her old home in Lexington, Mississippi. Miss McLean drove in an automobile.

A Christmas party was held in the J. Whit Potter Hall Monday evening, December 22nd, for all students who did not go home for Christmas.

The faculty held a New Year's party at the J. Whit Potter Hall on New Year's Day.

The students returning for the second semester will fail to recognize the area back of the old Potter College building. Concrete curbing has

been laid, and gravel roads have taken the place of the old cinder paths. The porches have been reconstructed and painted.

A much needed concrete sidewalk has been laid from the Library to the J. Whit Potter Hall.

The establishment of the Bureau of Publicity will mean a lot for the Hill. Every former student should become an active member. See announcement elsewhere.

The faculty is well represented in the membership of the Bowling Green Rotary and Kiwanis clubs. President Cherry and Professor Craig are members of Rotary, while Dean Gamble, Dr. Kinman, Dr. Stickles, M. C. Ford and Henry Clay Anderson are members of Kiwanis.

Mr. Strahm has composed a new march which made its debut in chapel at a recent football rally. This march was dedicated to the 1924 football team and will be published in sheet form with a group picture of the team on the front page.

**THE BEST NUMBERS OF LYCEUM COURSE COME AFTER THE HOLIDAYS**

Included in the great Lyceum Course for our students this year are Mischa Elman, world renowned Violinist, who will be here on February 10th; The St. Louis Symphony Orchestra on March 19th; and three of the leading celebrities of the Chicago Opera Company, accompanied by other great musicians, on April 6th, Grand Opera night. In addition to this the Annual Music Festival will occur on May 15th and 16th. During the Festival three magnificent programs by some of the most noted musicians in the entire country will be given. Students are entitled to hear all these programs as well as to attend all the athletic events.

The Department of Music reports an exceedingly busy semester. Miss Wilson has large classes in Harmony, Methods in Music, Solfeccio, and History of Music. Mr. Strahm has organized an orchestra which plans to give a concert after the new year. During the next semester the activities of the Music Department will be extended

to include two male quartettes, a Girls' Chorus, and Oratorio Society. Recently Mr. Strahm has given a number of recitals at various cities, including Owensboro, Nazareth and Nashville.

A feature of the programs given during the week preceding the holidays was the Christmas Pageant given by the children of the Training School under the direction of Mrs. Nell Travelstead. The pageant was characterized by excellent ensemble and solo work, artistic backgrounds for the various scenes, and professional technique in method and speed of handling the production.

**PROGRAM**

December 18, 1924

**CHRISTMAS PAGEANT**

Presented by the children of the Training School Under the direction of Nell Gooch Travelstead Assisted by the Teachers of the Respective Grades

"Hark the Herald Angels Sing" By Girls of Junior High.

Scene I.—Appearance of the Angels to the Shepherds.

Scripture Reading—Luke 2, 1-17. Etta Mae Miller.

Song—"It Came Upon the Midnight Clear." Song—"Oh, Little Town of Bethelhem."

**CURTAIN**

Song—"Once Unto the Shepherds." By a group of 1st and 2nd grade children.

Song—"Luther Cradle Hymn." By Jean Gamble.

Scene II.—Shepherds at the Manger.

Lullaby—"Sleep Holy Babe." By Louise Pickles.

Song—"Silent Night." Chorus.

**CURTAIN**

Scene III.—Herod's Court.

Scripture Reading—Math. 2, 1-8.

The Wise Men Appear at the Court.

The Wise Men Pursue Their Journey.

Song—"We Three Kings of Orient Are."

**CURTAIN**

Scene IV.—Wise Men Present Their Gifts to the Babe.

Reappearance of Shepherds and Angels while Chorus sings the "First Nowell."

Final—Chorus, "Joy to the World."

Stage Decoration .....Miss Hill  
 Angel Costumes .....Miss Jones  
 Shepherd's Costumes .....Miss Wyckoff  
 Wise Men Costumes .....Miss Scoville  
 Manger Scene .....Miss McCormick  
 Court Scene .....Miss Ellis

**FREE TUITION FOR EVERYBODY IN KENTUCKY**

The recent Legislature of Kentucky removed the boundary line between the Eastern and Western Teachers College. Students who live in any part of Kentucky can now enter either college on free tuition. In fact, any student in Kentucky, regardless of the county in which he lives, is now entitled to free instruction in this institution.

**CHAPEL**

Although a state institution and hence not under denominational influence, it is a fundamental purpose of this college to stress laws of religion and morality. A daily chapel is held from 9:30 a. m. to 10 a. m., opening with devotional exercises and followed by a program containing music, recitals, lectures, addresses, student productions, and other types of activities. While attendance at church is not compulsory, at the beginning of each semester a special chapel service is held which enables local clergymen to meet student members of their church. This institution endeavors to maintain high moral standards and the atmosphere created is one of respect for ideals and reverence for religious standards.

**DOZEN CHURCHES OF BOWLING GREEN**

Students are given a most cordial welcome at the various churches. In fact, they are urged to attend church services. At intervals during the year special entertainments for their pleasure are given by the various organizations of the church, and pastors are always delighted to have young people leaving home to enter school here placed under the watchful care of the church. Bring your letters with you and identify yourself at the opening of your stay here with the church of your choice.

Above are shown Bowling Green's modern church edifices. Reading top to bottom first row right are: First Baptist, Christian Science, Westminster Presbyterian, Christ Episcopal; Second or middle row top to bottom: Twelfth Street Church of Christ, St. Joseph's Catholic Church, State Street Methodist, First Presbyterian; Third and left row top to bottom: Broadway Methodist, Adams Street Methodist, Cumberland Presbyterian, First Christian.

## ECHOES FROM CLASSES OF 1924

BY BUREAU OF PUBLICITY

Mr. D. J. Miller, Life Class '24, writes from Lakeland, Florida, that he has a school with a faculty of sixteen teachers. G. E. Everett, a former student, is Superintendent of the Lakeland Schools. Misses Polly McClure and Bonnie Richards from last year's class are also there.

F. L. Hooks, B. S. '24, is the vocational teacher at the McCracken County High School and is setting a hot pace. F. L. can be reached at Paducah, Route No. 2.

Conley Ryan, A. B. '24, is principal of the High School at Nolan, West Virginia.

J. R. Witmer, A. B. '24, now President of Bethel College, McKenzie, Tennessee, has Miss McNeill and Mr. Rudolph from last year's class on the faculty.

President Whitmer is also listed in the 1924 edition of "Who's Who in America."

T. O. Hall, A. B. '24, is Superintendent at Uniontown. T. O. paid us a visit Thanksgiving and Christmas.

J. H. Dodd, A. B. '24, is in the graduate school at Peabody. Mr. DeMumbrum and Miss Mayfield, who received their degree last year, are also at Peabody.

George L. Rankin is Superintendent of Prestonburg Graded Schools. Supt. Rankin reports that Mrs. Rankin (nee Miss Lena D. Mills) and himself have a new member of the faculty who is doing fine. He will answer to the name of George III.

Miss Catherine Barnes, Life Class '24, is teaching at Science Hill, Kentucky.

R. E. Hale and L. T. Dickinson are taking the post-graduate work at the University of Indiana.

Miss Georgia McElwain, Life Class '24, is teaching the 5th grade at the Fremont Public School in Fremont, Michigan.

Miss Bess Hope, Life Class '24, is teaching at Tompkinsville, Kentucky. Miss Hope will be a member of the 1925 A. B. graduating class.

L. O. Toomey is assistant Principal and Athletic Coach at Mayslick, Kentucky. Mr. Toomey is also an A. B. '24.

Miss Pearl Johnson, A. B. '24, is a member of the faculty at the Mayslick High School.

Mrs. Helen Turner, Life Class of '23, has charge of Home Economics and coaches the Girls' basketball team at Mayslick.

Opal Barker, A. B. '24, is teaching Agriculture and Chemistry at Sand Fork, West Virginia.

Thomas E. Totten is at the Oakland High School and reports the recent arrival of a daughter. Her name is Mary Elizabeth.

Arnold Thomasson is Principal of the Rochester Graded and High School, Rochester, Kentucky. Mr. Thomasson is coming back to us in the summer to finish his A. B. work.

L. C. Curry, A. B. '24, is Principal at Lone Oak, McCracken County. L. C. can be reached at Paducah, Route No. 6.

Miss Ruth Wade has a rural school in Fulton County and will enter the A. B. class at the second semester.

W. L. Matthews, A. B. '24, is Superintendent of the Franklin City schools.

W. D. Croft, A. B. '24, is Principal and Athletic Coach of the Franklin City High School.

Miss Pattie Mae Sugg, Life Class of '24, is teaching the primary department of a two-room in Fulton County, where her father is Principal. Miss Sugg can be reached at Fulton, Kentucky.

Miss Mary Sue Poole is teaching at Pageton, West Virginia.

Miss Grace Hall is teaching at Compton, Wolfe County, Kentucky, and reports that four out of the six teachers in her school are former students.

Sam C. Miller, A. B. '24, is at the Murray High School and has sent in some glowing reports of his work there this fall.

Miss Mable Shehan is teaching at Bloomfield, Nelson County. Miss Shehan will return to the Hill in February.

Miss Minnie Hatfield, Life Class '24, is at the Pine Mountain Settlement School, Pine Mountain, Harlan County, Kentucky. Miss Hatfield will return for the summer school.

Miss Mary Henson, Life Class '24, is teaching English and Latin in the Eddyville High School and will return to become a member of the 1925 graduating class.

Miss Norma Ross is teaching in the city school at Owensboro. She can be addressed at 510 Clay Street.

Miss Renada Short is Principal of the Cherry Hill School in Muhlenberg County and can be addressed at Box 433, Central City, Kentucky.

Mrs. Goldia Dunn, A. B. '24, is teaching at the four-year high school at Russell Springs. Mr. Add Tartar, a former student, is Principal of the school.

Miss Reeta Young is doing departmental work in Flat Rock High School in Caldwell County. Her postoffice address is Fredonia, Kentucky.

Mr. C. T. Clark, A. B. '24, is Principal, Coach and general utility man of the Hickman High School.

James A. Barnes, A. B. '24, is working on his Master's Degree at the University of Wisconsin. "Jimmie" has been offered a position on the faculty at the University, but expects to return to his native state upon completion of his work.

Miss Marguerite Renfrow, Life Class '24, is teaching Home Economics in the high school at Cunnigham. Miss Renfrow expects to return to College Heights next year.

D. P. Curry, A. B. '24, is Superintendent of the schools at Cave City, Kentucky, with a new building and an enrollment of 250.

H. W. Puckett, A. B. '24, is back in the superintendency of the Owenton Public Schools. Mr. Puckett reports a new \$25,000 gymnasium and the growth in attendance from sixty pupils to one hundred and fifty.

J. S. Brown, A. B. '24, is Superintendent of the Marion City Schools.

Fred McDowell, Life Class '24, is Principal of the Junior High at Marion, Kentucky.

Homer W. Nichols, A. B. '24, besides being Superintendent of Caldwell County, was President of the First District Educational Association for the years '23 and '24.

C. F. Deatherage, A. B. '24, is Principal of the Elizabethtown High School. His address is Box 102.

W. B. Owen, A. B. '24, is teaching in the Cave City High School and coaching the athletic teams.

M. M. Botto is the Smith-Hughes man at Muncordville, as well as the athletic coach.

Raymond Ridley, A. B. '24, is Principal of Glasgow High School and athletic coach.

Miss Elva Gooden, A. B. '24, has charge of the Commercial Department, Pine Grove Public School, Pine Grove, West Virginia.

L. T. Dickinson, A. B. '24, can be reached at 421 Kirkwood Avenue, Bloomington, Indiana.

Miss Norma Ross is teaching in the Centertown graded and high school.

Address R. E. Hale, A. B. '24, at 321 East 3rd St., Bloomington, Indiana.

Miss Bernadine Conley and Miss Geneva Moffitt are teaching in the public schools of Louisville.

Miss Nell Baynhan, A. B. '24, is with us on the Hill as a member of the faculty.

J. D. Coleman, A. B. '24, is Superintendent of McCracken County Schools, Paducah, Kentucky.

Mr. and Mrs. G. E. Ferren, A. B. '24, are living in Bowling Green. Ferren is still selling insurance.

C. R. Franklin, A. B. '24, is in the Medical School, University of Louisville. He can be addressed at Y. M. C. A.

R. D. Holder is Principal of the school at Center, Kentucky.

Henry Jameson is a member of the faculty of the Bowling Green Business University.

C. P. Morris is a member of the Training School faculty on the Hill.

Mr. and Mrs. H. R. Matthews are members of the Training School faculty.

R. E. Price, A. B. '24, is athletic coach at Greenville, Kentucky.

Miss Elizabeth Thomas, A. B. '24, and Miss Jewell Sledge, A. B. '24, are members of the faculty of the Bowling Green High School.

Miss Ronella Spickard is teaching at the Cobb School, Cobb, Kentucky.

The Bureau of Publicity takes this opportunity to again request all members of the Life Class and Degree Class of 1924 to send in their names to the Bureau of Publicity so that they may receive a special news bulletin which is being prepared for their information.

THE SUMMER SCHOOL of this year will be composed of two sessions of six weeks each. During this time it will be possible for a strong student to earn as much as ten or twelve hours of college credit work or about one and one-third to one and two-thirds units of high school work.

GIFTS TO THE FOUNDATION  
College Heights Foundation Is Succeeding

By R. H. SEWARD

The Christmas season just passed was characterized by gift-giving to the Foundation on a large scale. People on that occasion laid aside self and self-interest and emulated the example of the lowly Nazarine who taught the doctrine that it is "more blessed to give than to receive." Their giving was genuine, not perfunctory; the outgrowth of the heart, of self-immolation, not mechanical. Christmas was the most prolific season of the year for the Foundation from a pecuniary standpoint because it was then that the currents of self-love were at their lowest ebb and the currents of universal love permeated every avenue of life.

Receptivity is contingent upon dispensation. People must give in order to receive. The individual who ceases to give will cease to have. This is the inevitable working out of the law of cause and effect. Consecration to a worthy movement like the Foundation does not weaken one's obligation to the movement but strengthens it. Giving does not make one poorer, but richer. If this is not true in a material sense it is true from a spiritual standpoint, and spiritual values after all are what really count in life.

There is a sort of reflex action involved in giving. One cannot give without receiving. The person who gives unselfishly to a worthy cause will experience the rebound occasioned by the giving, and the reaction which comes back to the donor will correspond in quality to the motives behind the giving. It is essential that the giver be in the gift. A gift without the giver is a tragedy in the life of the giver. Gifts should be vitalized with spiritual power in order to be productive of the maximum of good.

Gifts have their degrees of comparison. Some gifts are better than others. A gift to a philanthropy is better than a gift to a charity. A gift to a permanent cause is better than a gift to a temporary measure. No gift is based upon true wisdom until and unless the giver first visualizes the usefulness and continuity of the gift and traces it mentally to its ultimate ramifications.

Giving is usually associated with charity and there are so many avenues through which our giving may find expression that it behooves us to consider these channels carefully before giving. Now, the Foundation is not a charity. Conversely, it is a philanthropy. Gifts given to the Foundation are made to a perennial philanthropy and not to an ephemeral benevolent enterprise. They will be safeguarded for generations to come. This is a factor worth considering when one is thinking of casting his or her bread upon the waters. In giving gifts to the Foundation the giver not only helps ONE but MANY individuals. Gifts given to the Foundation will be conserved in the interest of spiritual education, and will be serving a useful and beneficent purpose long after the giver shall have passed from the plane of physical existence.

The year just closed has been a most successful one to the Foundation in many ways. During this period it has made 300 loans. These loans would not have been available had it not been for the self-sacrificing efforts of individuals who recognized the NEED of a Foundation fund and were willing to aid it morally and pecuniarily. So, the Foundation has been made happy through the gifts bestowed upon it by thoughtful people who chose well and wisely their avenues for giving, and in return the Foundation has been able to make others happy; and for this two-fold condition of happiness, the Directors and Executive Committee desire to express their heartfelt thanks, and to bespeak for the Foundation the continued support of all persons who are desirous of making gifts to an enduring and permanent institution.

The future of the Foundation is big with blessings. Contentment with the accomplishments of the past year is disappearing; the outlook is expanding, and the first faint morning beams of its light are giving place to the full-orbed radiance of a New Year. The old year with its memories and experiences is gone; the New Year with its hopes and promises is here. The poet expresses this thought beautifully in these words: Naught is the squire when the king is nigh; Withdraws the star when dawns the sun's brave light.

May the New Year bring to all the fulfillment and realization of their fondest hopes and aspirations, "the freer step, the fuller breath, the wide horizon's grander view."

**THE 1924 FOOTBALL TEAM**

The football schedule for 1924 as originally planned called for ten games, but an open date for November 1st looking toward the game with Georgetown College failed to materialize and only nine games were played. The Pedagoges won only four out of the nine, but a summary of the games played could only lead to one conclusion: that the team which represents Western Kentucky State Normal School and Teachers College, 1924, played a brand of football that would redound to the credit of any school. The season was one of upsets the country over.

The football camp opened the first week in September with the largest number of candidates that ever reported at a camp.

Tom Moran, a son of "Uncle" Charlie Moran and a member of his father's famous teams at Center, came down from Horse Cave to assist coach E. A. Diddle, who was also a captain at Center in 1916.

The opening game with Campbellsville College was a romp for the team and gave Coach Diddle an opportunity to make use of all the men on the squad.

On October 4, 17 players entrained for Cleveland where they played the strong John Carroll University team. The game was John Carroll's all the way through. It is worthy of note, however, that John Carrol held the Marquette to a ton to three score after they had beaten the Navy at Annapolis twenty to three.

The game with the University at Louisville was a reversal of the two previous contests with the U. of L.

The teachers' had little trouble beating their neighbors from the Middle Tennessee Normal of Murfreesboro.

At Lexington the game with Transylvania was played in a heavy rain, and although the Pedagoges outplayed their opponents they had to be satisfied with the short end of the score as a result of fumbles.

St. Xavier won a hard fought game at Cincinnati. The contest was played before a crowd of 10,000 people.

Diddle's men went to Evansville and displayed a perfect brand of football during the entire sixty minutes of play and came home with 35 points to their opponents' nothing.

Thanksgiving found Captain Hunt and his men

in Russellville beating Bethel College in the Turkey Day event. Even though the game was shortened by ten minutes on account of darkness, Western managed to pile up seventy points to Bethel's nothing.

**THE SUMMARY**

|                      |     |   |     |
|----------------------|-----|---|-----|
| Sept. 27—Western..   | 65  | Campbellsville .....                      | 0   |

**THE BUREAU OF PUBLICITY**

BY HENRY CLAY ANDERSON

By action of the faculty on October 14th, following a report of the committee on Publicity, a Bureau was established as a recognized department. This Bureau is in operation with the sole purpose and aim to collect all the news of the Hill and the field and broadcast it through the recognized channels of distribution.

Every member of the faculty, all student chairmen of county delegations, student clubs, and former graduates are active members of the Bureau.

Following are a few of the working details of the organization as quoted from the bulletin sent out by the Bureau:

"All news items concerning every department and organization on the Hill should be sent to the Bureau for distribution.

"Former students in the field should be active contributors and send in all items of interest to the Bureau.

"The news matter will be edited and distributed to the local papers, Metropolitan Press, County Press, Associated Press, Teachers College Heights, and special news bulletin.

"Pictures are always welcome.

"Bulletins and news stories about the Hill from former students are always acceptable."

Letters have been sent out from the Bureau to all of the newspapers in Western Kentucky and a tentative arrangement has been made whereby these papers will receive news letters concerning the activities of the students on the Hill from the various counties. The papers in turn have very kindly placed us on their exchange list and the home papers will be on file in the Library after the first of the year.

The success of the Bureau will be measured to the extent of the co-operation given by every member of the faculty, student body and former students in the field.

It is somewhat difficult to reach all former students in the field and the Bureau takes this opportunity to appeal to them to become interested to the extent of writing a letter or card to the Bureau announcing their desire to become a member and participate in its mutual benefit.

**REPORT OF U. S. VETERANS' BUREAU**

BY LELAND BUNCH

The U. S. Veterans' Bureau reports that quite a number of men who are in training at the Western Kentucky State Normal School and Teachers College will go to their farms on January 1st for further training.

Most of these men own their farms, in Western Kentucky, and will be in training for a short season on their farms, after which they will be rehabilitated.

This institution carries instruction to these men while on their farms. The following are the instructors who are in charge of this work:

- CHAS. L. TAYLOR, Director.
- B. S., University of Ky.
- W. J. EDENS,
- B. S., Miss. A. & M. College
- H. C. WEIR,
- B. S., Peabody College.
- C. W. BROYLES,
- B. S., Peabody College.
- J. F. PACE,
- B. S., Iowa A. & M. College.

These men visit the trainees on their farms three times per month, and give assistance and instruction in carrying out their scientific methods of agriculture in which they have been trained while in institutional training at this institution.

There are at the present time more than one hundred trainees at this institution, and since the school's first contract with the U. S. Veterans' Bureau more than five hundred men have been in training here. About two hundred and fifty have completed their courses, quite a number of whom received college degrees.

The following is the list of men who will begin their final training on their farms January 1, 1925, and the county in which they will locate:

- Clarence Baker ..... Warren
- Gilbert Boston ..... Metcalfe
- Duck Bowlin ..... Marshall
- Wade S. Case ..... McLean
- Bartley Chandler ..... Lyon
- Lee Collins ..... Allen
- Emmet DeBruler ..... Ohio
- Hugh D. Dunn ..... Trigg
- Edward Elmore ..... Grayson
- Vess Embry ..... Ohio
- Dennis Gates ..... Todd
- Willie Loftin ..... Ohio
- Howard McGregor ..... Caldwell
- Wm. H. Martin ..... Livingston
- Dempsey Mercer ..... Muhlenberg
- Martin J. Metcalf ..... Meade
- Edgar C. Miller ..... Calloway
- Thomas E. Morrow ..... Barren
- Robt. Newton ..... Warren
- Wm. H. Pettit ..... Caldwell
- John W. Phipps ..... Carlisle
- Otis Powell ..... Casey
- Prince I. Rather ..... Simpson
- Sampson Rich ..... Monroe
- John R. Roof ..... Edmonson
- Carl C. Sandidge ..... Greene
- Raymond Smith ..... Webster
- Wm. L. Tate ..... Jefferson
- Lee J. Walden ..... Monroe
- Elijah Wilson ..... Allen
- Escoe Wood ..... Monroe

**FOOTBALL TEAM**

Left to right—Top row—Tom Moran, David Galloway, Horse Cave; Paul Taylor, Russellville; Freeman Weldon, Henderson; William McFarland, Owensboro; Euel Howton, Dawson Springs; Ed. Ward, Morgantown; Marshall Sterett, Hawesville; Dewey Barnes, Beaver Dam; E. A. Diddle, Coach. Middle row—Roy Porter, Bowling Green; Mike Coffey, Henderson; R. Throgmorton, Mayfield; Clarence Horn, Wickliffe; Harry Glenn,

Owensboro, Broadus White, Bowling Green; W. W. Durham, Campbellsville; L. D. Wallis, Cadiz. Bottom row—E. B. McClure, Corydon; E. S. Frazier, Greenville; Hershel Meyers, Wickliffe; Bull Wells, Murray; J. B. Glasgow, Murray; L. L. Valentine, Fulton; Ual Killibrew, Fulton; H. S. Champion, Murray.

Note: Captain H. B. (Babe) Hunt was absent when this picture was made.

# THE RURAL LIFE CONFERENCE

**This Conference Will Open On College Heights At 9:30  
A. M. February 20th And Close Sunday  
Evening, February 22nd.**

On February 20-22, 1925, we shall hold our annual Rural Life Conference on College Heights. The program will be made with a view to a great constructive patriotic celebration. All thought will center about Washington's Birthday and every effort will be made to see the life of our great Rural Patriot in terms of our present needs. The country school and the country home will be the central theme. The rural health problem, rural church and better farming will be stressed as essential to any permanent betterment in country life.

A great program is being arranged. It is the purpose of College Heights to make this the most outstanding conference in the interest of rural education ever held in the South. **A complete program and detailed announcements will appear in the next issue of Teachers College Heights, which will be mailed between the first and fifth of February.**

Dr. Wm. E. Dodd, of Chicago University, the great Historian, will lecture on our great patriots, Washington, Jefferson, Lincoln and Wilson. Dr. Dodd is a teacher and lecturer of national fame and will bring four great messages to the hill. He will be with us for the entire three days. Dr. M. S. Pittman, head of the Department of Rural Education, State Teachers College, Ypsilanti, Michigan, will lecture and conduct conferences on rural schools. Dr. Pittman is, perhaps, the ablest living thinker on rural schools and their needs. He will be with us on the 20th and 21st. Mrs. Nellie K. Jones, of the University of Wisconsin, will speak on the home and home-making, and conduct round tables for those interested in better country homes. She will be with us for two days. Agriculture as an essential element in better rural life will be discussed by leaders from out of the State and from within the State. In fact, a large number of leaders of the State will participate in the conference. We hope to build a program that will be constructive and far-reaching in its influence.

The Model Rural School will be in active operation during the Conference and will present a program that will be constructive and inspirational. The School of Music will offer many interesting musical numbers from time to time during the conference. Solos, quartettes, choruses, community singing, etc., will be rendered. The Training School of the Western Teachers College will present a religious and patriotic pageant interspersed with music, on Sunday afternoon, February 22nd.

General programs will be offered in the morning and evening, and round tables will constitute the work for the afternoons, except on Sunday, when general programs will be rendered in the afternoon.

All class work will be suspended after 4:00 o'clock on Thursday afternoon the 19th until Tuesday morning, February 24th. The conference will take the place of the school work. All students will be expected to attend the Conference and to treat the work done with the same seriousness that they would a class recitation. No school will be held on Monday in order to give the student-body a chance to prepare their classroom work for Tuesday. This is done in view of the fact that the students will be in attendance at the Conference on Saturday.

The public is cordially invited to attend all of the meetings. No charge will be made for admission. The conference offers the public a wonderful opportunity to be in school for three days and study the vital problems that concern its success and the advancement of the country.
