PROGRAM, MID-SEMESTER OPENING MARCH 31, 1930

Entrance to J. White Potter Hall, Girls' Boarding Home

Information for Students:

The information given below is designed to acquaint you with certain important matters connected with the requirements of this institution. A knowledge of the information outlined is absolutely necessary for an intelligent and satisfactory registration. You will save much time and probable worry by reading very carefully each word in the instructions which have been prepared for your guidance.

1. Student Load.

The normal load for the mid-semester is eight hours, and should not be exceeded by the

average student. The maximum load for this term is nine semester hours.

2. Freshman Courses.

Freshmen entering for the first time should make up their programs from the following subjects: English 101a, Education 100a, History 102, Biology 100, Agriculture 101, Mathematics 101, Geography 101, and Music 100.

3. Directed Teaching

Courses in Directed Teaching are not open to Freshmen. Education 100a, Education 101, and Education 102 are prerequisites to Directed Teaching. Students electing this course must arrange with the teachers of the Demonstration School for their hours before making up the remainder of their programs. The first course in Directed Teaching is Education 103; second course, Education 303; and the third course, Education 304. Students registering for one of these courses will hold conferences with their critic teachers every Tuesday afternoon from 4:15 to 5:45.

4. Junior and Senior College Courses

Courses numbered from 100 to 199 are open only to Freshmen and Sophomores; course numbered from 200 to 299 are open to Juniors and Seniors, but may be taken by Sophomores if consent is granted by the instructor; courses numbered 300 to 399 are open to Juniors and Seniors only.

5. Calendar for Registration, etc.

March 31—Registration.
April 2—Last day for registration for full program.
April 5—Last day for registration.

Normal Department

SPRING TERM, 1930

The Normal Department has been made an integral part of the Training School and no longer exists as a separate organization. Regular courses in the various secondary fields previously offered in the Normal Department are maintained in the Training School for those teachers who have failed to secure a high school education, and for persons above high school age who desire to advance their academic and professional training. The same opportunities which were provided for these students in the Normal Department during the regular year and the summer terms will be available under the new arrangement. Tuition in this department as well as in the College Department is free.

During the spring term beginning March 31 the following courses will be available in the Normal Division of the Training School.

English 2—Oral and Written Composition ½ unit
English 6—English Literature ½ unit
Economics 50—Introduction to Econ. ½ unit
Hist. 3—English History ½ unit
Math. 2—Algebra 1 ½ unit
Math. 4—Plane Geometry 1 ½ unit
Biol. 2—General Science ½ unit

Additional courses will be offered if the demand justifies.

Enrollment

Registration begins on March 31, 1930, and continues rapidly until all students are enrolled. Everything is done to make this enrolling a real demonstration in practical school management. Students are urged to be prompt. A reception

committee of students will be on hand and members of faculty, giving all assistance possible in the enrollment.

COURSES OFFERED AT MID-TERM

Special classes will be arranged for the incoming students. Course in all departments of the institution will be offered so that no student will be denied the privilege of earning a certificate.

TUITION AND FEES

Tuition is free to all citizens of Kentucky. An enrollment fee of \$3.00 for the nine weeks term is charged, for which the student receives many, many times its value in free library service, tickets to athletic games, lectures and concerts, etc.

MEALS

Meals may be obtained in the dining room on the campus for \$4.00 per week. An expert dietitian has charge of this department. Menus are prepared with the idea of giving the most wholesome and attractive meals possible for the money. No effort is made to make a profit in this department. Good business methods are practiced so as to make the expenditures and receipts come out practically even.

Excellent meals may be secured in private homes in the city at prices slightly in advance of those charged in the dining hall.

ROOMS

The institution is now operating two beautiful fireproof and attractive dormitories for girls, on the campus, J. Whit Potter Hall and West Hall. Each is well furnished and in charge of an excellent matron and corps of helpers. An atmosphere of home life is maintained by the management of each. Rates in J. Whit Potter Hall are now \$11.25 for nine weeks, three in a room; and \$18.00 for nine weeks, two in a room. Rates in West Hall are \$20.25 for nine weeks, two in a room. The rate is less when more than two occupy a room.

Many, many private homes in the city are asking for students to room in their house at rates ranging from \$2.00 to \$2.25 a week. These places offer excellent accommodations.

CREDITS

This institution is a member of the Association of Colleges and Secondary Schools of the Southern States.

Credits made here are received as prerequisites for graduate work in all the big universities in America. This applies to credits made in both the academic and educational fields.

During the nine weeks of intensive study a student can complete eight or nine hours of college work or one unit of high school work.

FACULTY

The regular faculty, more than a hundred in number will be teaching during the mid-term. In addition to this, quite a few new men and women of talent and education have been engaged to do special work during this term.

Registration for the mid-term will begin March 31st promptly at 7:30.

High school graduates who enter at the beginning of the term have the privilege of classifying for eight or nine hours of college work. Those still in the normal or high school field will have the privilege of taking two subjects, or one unit of work.

WE MEET HERE AT BREAKFAST

The Brown Hotel, Fourth Street at Broadway, where we shall gather for breakfast at 7 a. m., Friday, April 18.

Interesting Report from Personnel Office

A recent report of Mr. W. J. Craig, head of the Personnel Department, proves to be most interesting. Some of its high lights are: Of the total number of 196 graduates of last year 23 are employed as principals and superintendents, 83 as instructors in high schools, 52 teach in the grades, 8 in the employ of colleges, 8 doing graduate work in universities while a few have decided to change their profession.

As to finances the salary received by principals and superintendents average \$181.50 a month or a total of \$37,670 monthly; those in the high school field average \$130.95 a month or a total of \$96,655 monthly; those in the grades \$116.22 a month or a total of \$54,395 monthly, while those employed in colleges average \$168.33 or a total of \$12,115.

In addition to the above the department of which Mr. Craig presides placed or aided in placing 62 fine young people who last year completed junior college courses and were awarded the Advanced, or Life Certificate. The average salary of these range from \$87.48 to \$102.40 a month.

Many other students holding certificates of lower rank were also assisted in securing employment at an average salary of \$85 to \$95 a month.

It is the purpose of this department as well as all other agencies of Western to assist worthy qualified students at all times in securing employment. Every care is assured in making recommendation in order that conscientious service may be given to both boards of education and to the students personally and that the best interest of each may be served.

Will See You In Louisville

The Seelbach, Fourth Street at Walnut, where the headquarters of the Western Kentucky Teachers College will be established.

Headquarters of the Western Teachers College during the meeting of the Kentucky Educational Association, will be located at the same place as heretofore, on the mezzanine floor of the Seelbach Hotel. All former students attending the K. E. A. or who may be in Louisville during the session, are cordially urged to make our headquarters their meeting place, to come in and see us and to give us the opportunity to tell them of the splendid progress of the Kentucky Building program. The Kentucky Educational Association will convene on April 16 and will have its concluding programs on April 19, during which time we want you to know the latchstring is on the outside at Western Teachers Headquarters. Come and visit with us.

Display of Western Kentucky Teachers College

Booth number 70, the same space used last year by our institution, will be the display space of Western Teachers College during this meeting of the K. E. A. The booth is located in the gymnasium of the auditorium and will be in charge of Mr. W. J. Craig, head of the personnel department of the college, and of Mr. W. M. Pearce, who is in charge of our extension department. Mr. Craig and Mr. Pearce will welcome you at any time and will cheerfully give you any information which may be helpful. If you wish to get in touch with any governing board relative to procuring a position please come and leave your address at this booth as we are urging school superintendents, trustees, members of the governing boards and others who have authority in making these selections to call at this location to communicate with prospective employees. In short, just use our booth as a get-together point. If you are a former student seeking a connection, come and tell us where you can be located. If you are a county superintendent in need of help come and tell us your needs—we want to serve you both and take this opportunity to extend you a most cordial invitation to Booth number 70.

As a part of the regular lyceum course there will be given on the evening of April 10th, an unusually attractive concert by Isador Berger, Violinist, Bruno Steindel, Violoncellist, Alexander Aster, Pianist. These three artists have achieved great honor in this country as well as throughout Europe, and students and faculty as well as the citizens of Bowling Green will enjoy an unusual opportunity on the date named. They will be assisted in the program by the lovely and talented Gloria Randolph, who has studied the ballet under leading instructors of the world. For the past three seasons she has appeared regularly with the Chicago Civic Opera Company. All regularly enrolled students will have an opportunity to attend this entertainment without cost.

The Kentucky Building and The Student Loan Fund

By ROY H. SEWARD

Executive Secretary College Heights Foundation

The student Loan Fund feature of the College Heights Foundation has been in operation for the past six years, and during this time it has proven the popularity and service appeal of this great helping hand. It has made over twenty-eight hundred different loans to students, amounting to over one hundred thousand dollars. There is hardly a village or hamlet in Kentucky in which are not to be found living witnesses to the helpfulness of this great benevolent organization.

The Foundation always has met, and always will meet, in so far as it is able, every student call for financial help; and in return, the Foundation is asking the assistance and co-operation of all former students in helping to put over the program of the Student Loan Fund and Kentucky Building. If it can be done without working a financial hardship on the donor, we are hoping that many students and citizens will find it convenient to pay their pledges immediately. This would be a splendid thing to do as it would hasten the time of beginning work on the Kentucky Building, and who would not like to see this work started?

Western will run a special train to the K. E. A., as usual, leaving Bowling Green early Friday morning, April 18th, and returning late Saturday night.

Those who are unable to secure their tickets for Western's breakfast on Friday morning, April 18th, before going to Louisville, may do so at the headquarters at the Seelbach Hotel. A good breakfast will be served for fifty cents. Please get your tickets before Thursday noon.

Superintendents, principals, and others who desire to make appointments with prospective teachers from Western are invited to make use of our headquarters on the mezzanine floor of the Seelbach Hotel.

Be sure to meet us at the breakfast, Friday morning at 7 o'clock. The place is the Crystal Ballroom of the Brown Hotel. The price of the ticket is fifty cents.
