Homecoming Fete
Is Highly Successful

By Bert Borromeo

Declared out in all her autumn glory by mid-week frosts, the Western campus was roamed again by thousands of old grads Saturday as Homecoming was observed on the Hilltop.

Eastern State failed to play the perfect foil in the foot ball game which attracted a record 7,500 fans. Western led the crowd, Wanda Steenbergen, senior physical education major from Glasgow, was crowned Homecoming Queen Saturday by Wendell Butler, state superintendent of public instruction.

Crowned by Wendell Butler

Wanda Steenbergen is Crowned Queen of 33rd Annual Homecoming

For a few minutes, flashbulbs exploded and the heyday of last Sunday afternoon was reflected in the unbounded enthusiasm wrought by this event. Wanda Steenbergen was the Western representative for the 1961 Homecoming parade during pre-game festivities Saturday. She was crowned before a crowd of 7,500 by Wendell Butler, left, state superintendent of public instruction. At right is her escort Cecil Steen.

November 4-7

Educators To Evaluate Two-Year Self-Study

A group of educators will visit the Western campus next week to serve as an evaluation team representing the Commission on Colleges of the Southern Association of Colleges and Schools.

The study will be conducted by the Southern Association of Colleges and Schools, a regional accrediting agency.

The study is being conducted toward projects of Western and Kentucky State College.

Sabinine Oral Vaccine

Distribution Set
Nov. 4

The director of the Warren County Health Department has announced that Monday, November 4th, will be the first mass polio immunization of residents of Bowling Green and Warren County.

The Warren County Medical Society and Bowling Green-Warren County Junior Chamber of Commerce are planning the distribution of the oral Sabin vaccine to the 117 schools, type No. 1 to 17 locations in the county.

The designation of these doses will be given from noon until 6 p.m. at the county fair gymnasium.

Parents and administrators personnel are urged to have all children vaccinated at any of the following distribution centers: Poppy-Gray School; Parker-Reusch School; T. G. Cherry School; Evergreen Street School; L. C. Curry School; St. Joseph's School; Bowling Green High School, and High Street School. The vaccine is so far under investigation, it will be given to all members of the Junior class. It may be taken on schedule.

Western Kentucky State College
VOLUME 42, NO. 6-Z351
BOWLING GREEN, KENTUCKY WEDNESDAY, OCTOBER 31, 1962

The Baptist Student Union float, which depicted a Western in orbit, was the Homecoming parade winner. D.E.L.T.A Kappa was judged second and Delta Tau Sigma was third.

White Stone Hall won the parade contest division of the Float Award. Sorority council moat," Young Americans for Morton, was judged first, and Hilltop, a representative of Western was second.

The main item of business to receive and the date revealed was conceded from each person receiving the vaccine.

They were announced as recipients of Kentucky Colonel commissions during the herald breakfast.

Western's Board of Regents, and their escorts, the members of the Junior class, and other students representing Western in the parade were, Perching Rifles Rifles and Majorettes, PersHING Rifles and Majorettes, Rubbers Club and Majorettes, Young Democrats (2 cars), Young Republicans (3 cars), Alpha Omicron Pi, Epsilon Delta (Iota of Alpha Omicron Pi), Lambda Sigma Fraternity, Gamma Sigma (1 car), Jefferson County Club (3 cars), Fox and Hounds, and the Eastern Artistic Floats.

There is no charge, but a doctor's permission is required.

There was no charge, but a doctor's permission is required.

The entire project was conducted in cooperation with the Southern Association of Colleges and Schools, Western's regional accrediting agency.

The study was directed toward projects of Western and Kentucky State College.

**THE BAPTIST STUDENT UNION captured first place honors and a check for $32 in the float competition of Saturday's Homecoming celebration. The float depicted Western about to go into orbit. The second place award of $10 went to the Delta Kappa fraternity; Delta Tau Sigma took the $50 awarded for third place.**
Civit War Returns To Life In Shiloh Trip

By Byrnel Johaliner

"One of the best ways to get an education is traveling," Dr. Carlton Jackson of the history department might say to his Civil War class as he suggests to them that they travel to Shiloh, one of the first great battles of the Civil War.

A group of 29 students and faculty members had a "wonderful and informative" time, according to Dr. Jackson, who hopes to take more classes on other trips next year after the group arrived Saturday morning on its 30-hour trip. Dr. Jackson stated that the historic site is a 'notable feature of the Federal line of defense heading toward the Shiloh National Park, which site was the heart of the Union's strategic Federal point. It was here that the enemy of General Sherman, one of the Union's best generals, was located. Dr. Jackson said that the group spent most of the afternoon实用 the saved the audience's attention from Mr. Pauli. 6:30 p.m. - Pershing Rifles (ROTC dept.)

Society Activities Calendar

Wednesday October 31, 1962

By Joh Edmonds

Because it is becoming quite common to see dogs accompanying students in and around the buildings regardless of what is going on, care can't help but reflect a whisk of conspiracy.

The Canine Conspiracy? is a group of students interested in the 12-and 24-pound objects placed in a quiet place to study or merely to read for entertainment, but if students living in the dormitories insist upon driving anywhere they see fit, the executive board of the college will be compelled to enforce a six-hour tour taken them first to Fort Shiloh, one of the first grand battles of the Civil War.

They have not been satisfied with these meager guidelines, so they have organized a group called the Canine Conspiracy. Very recently a 55-brown-brown dog entered one of the English classes in cherry Hall. His performance obviously was not up to the same level, but it was very unique, but fake limp. Upon entering the room, he was immediately exercised out, but to no avail. In less than thirty days he developed a limp.

The class allowed him to stay, but he did not listen attently to the teacher's command. In other parts of cherry Hall, use of his limbs was a busy work; also, he was not permitted to bury his class of the classes he attended. He was an aggressive type, quite well known in the doggy underworld as an accomplished thief of shoes, gloves, and "doggies"

Will the next move of Canines Incorporated be directed toward adequate doggy dorms?

The College Heights Herald is the official newspaper of the Western Kentucky State College. It is published weekly during the school year under the general management of Robert Cochran. The staff is composed of members of the student body selected by Miss Frances Richards. News coordinator for the Herald is Robert Cochran.

By Byrnel Johaliner

The Herald goes to press Tuesday, November 5, 1962.
Scholarship Applications Available For Institute Of European Studies

Scholarship applications for several summer sessions in Europe during the academic year 1963-64 will be accepted by the Institute of European Studies, beginning Thursday, November 1.

Several scholarships are being offered for study at the Institute's center in Freiburg, West Germany. Included are three full scholarships, each covering all basic costs such as tuition, room, meals, and round-trip ocean transportation from the United States.

Each program embraces formal classes, lectures, seminars and field work. The programs are designed to fulfill usual course requirements in the academic year to which the student is admitted.

The programs in Vienna and Paris are open to college sophomores and juniors, while the Freiburg program is limited to juniors.

A full scholarship valued at $2,350 and a partial scholarship valued at $1,050 are available for the Institute's program at the University of Vienna.

The programs combine English-taught liberal arts and general studies courses, intensive German language instruction, regular university classes taught in German for those competent in that language, and supplementary lectures and seminars. Previous knowledge of German is not required.

For study at the University of Freiburg, the Institute is offering a full scholarship worth $2,125 and a partial scholarship valued at $1,000, and $500 are available for the Institute's program at the University of Paris.

The program there combines English-taught liberal arts and general studies courses, intensive German language instruction, regular university courses, and classes taught in German for those competent in that language, and supplementary lectures and seminars. Previous knowledge of German is not required.

For the program at the University of Freiburg, the Institute is offering a full scholarship worth $2,125 and a partial scholarship valued at $1,000. The program includes political science, German language study, German philosophy and literature, and European history, with all classes taught in German.

Self-Study Visit

Continued from page 1

The group coming to the campus next week will culminate the work of the past two years.

Team Members

Members of the group are: Dr. Everett Derryberry, president of the College, Mary Washington College, Fredericksburg, Virginia; Dean Edward Alvey, Jr., dean of the College, Mary Washington College, Fredericksburg, Virginia; Dean Belk Beal, dean of students, Middle Tennessee State College, Murfreesboro, Tennessee; Douglas R. Jones, director of education, East Carolina College, Greenville, North Carolina; Miss Louise Savage, associate librarian, University of Virginia, Charlottesville, Virginia.

DKN, Tri-County Sponsor Dance

An estimated crowd of 250 students attended a dance held last Saturday, October 26, in the Student Union Building. The dance, sponsored by the Delta Rho Nu fraternity and the Tri-County Club, received Bob Goodnight and his Cavaliers.

Twirling music plus a variety of other musical selections made up the dancing floor for the larger than expected crowd. Dancing started at 9:30 p.m. and lasted until 11:30 p.m. The Tri-County club is tentatively planning on sponsoring another dance in November.
Guidance Counselors Meet At Annual Fall Conference

Recently, guidance counselors in Kentucky were told that their image must be changed and that they are to be effective in their relations with students.

"One big task is to build an image of ourselves as guidance counselors and not as part-time teachers," said Dr. Merle Olsen, professor of education at the University of Illinois.

He spoke to a convention of the Kentucky Personnel and Guidance association, which sponsors the annual fall counselor's conference. It was attended by more than 250 guidance counselors from Kentucky, high schools, and colleges.

Oregon was well represented by Dr. Elsie Dotson of the Psychology department, and Mrs. Ruth Fuller of the Personnel Office, and all the Education department. Mrs. Fuller acted as program chairman and the remaining three were consultants.

Don Bale, head of the department of Education, held the group that guidance is an integral part of the total school program and the guidance counselor should not be considered a part-time job.

Dr. Frank Wellman told the closing session of the conference of the Kentucky Personnel and Guidance association. North Hall 123.

Phi Kappa Chi Is Now Formulated

A few budget and new type of pledging are the key concepts of a new fraternity, Phi Kappa Chi, concepts of a new fraternity. Phi Kappa Chi, which has recently been formed mainly for out-of-town students, is not quite what Kentuckians are used to. The group hopes to gain in an opportunity for students who remain on campus of various activities in fraternity activities.

Recognition is now being sought by the group and it is now able to hold an open house Wednesday, May 30th, and subsequent business managers.

Home Management Girls Hold Coffee

Approximately forty members were present at the annual home management coffee at the Home Management House Saturday from 6:45 p.m. to 10:30 p.m. Following this, there was an open house.

The table was laid with linen and furnished with a silver tea set. The centerpiece was bronze cymbalums, Mrs. Marie Adams and the Eva Scott officers made up the receiving line.

Pre-H'coming

The winner of the residence hall decoration competition was adjudged to be Whitestone Hall, which constructed and enter...

Whitestone Wins First Place In Dorm Decorations

Whitestone Hall captured first place in the dormitory decoration contest despite stiff competition from the other residence halls. The first prize consisted of a check for $35.

Another winner's dorm, Potter Hall, capped the second place award of $20, with South Hall and the Home Management House taking the third place prize of ten dollars.

The colorful and in some cases unusual dorm decorations added much to the spirit and flair of Western's third annual Homecoming celebration, which had as its theme "Western Is The Sourcing Of.""
ROTC SPONSORS — Recently elected are, seated from left, Nancy Ricks, Scabbard and Blade; Dianne Howard, ROTC Battle Group Sponsor; Marcia Woodring, Headquarters Company; (standing, from left) Dianne Horsley, "A" Company; Sylvia Teny, "B" Company; Pat Rogers, "C" Company; Sandy Marshall, "D" Company.

Scholarship Fund Established By Muhlenburg County Alumni

A scholarship fund for Muhlenberg County students was the major topic of the Muhlenburg Western Alumni meeting Friday night at Central City.

The six members present contributed $15 that night toward the fund.

President Kelly Thompson was the principle speaker for the evening. He gave the alumni of Muhlenberg credit for this county being fourth in the state in the number of students attending Western.

There are 51 freshmen, 34 sophomores, 36 juniors, 39 seniors, and 32 graduate students enrolled at Western for a total of 212 students from Muhlenberg County.

Dr. Thompson stated that the new buildings which were being erected at Western would be a contribution to our educations in the future.

The new officers for the coming year were also elected at this meeting. Mrs. Mary Armstrong, a sixth grade teacher at Brown was elected president. The new vice-president is Mr. Barrett Green, manager of K & D Building Supplies Company of Central City. Mrs. Kathleen Strader was re-elected to the office of secretary-treasurer. Mrs. Strader is an English teacher at Hopkinsville High School.

Mrs. Bernadine Stucl was named chairman of the loan program.

The details of this program have not been worked out yet. The objective, however, will be to furnish finances to those people who have academic ability and need funds to attend Western.

The alumni association also voted to hold a social event each summer for all prospective Western students in Muhlenburg County. Representatives of the college would also attend and tell the prospective college students about Western.

Members of the association participated in a special stain depicting a kangaroo court in which President Thompson was the defendant. Various fictitious characters testified to ways in which President Thompson had disturbed the peace by taking away student automobiles, a series of serious student programs, disturb
The Texan Receives First 'Grand Old Grad' Award

The presentation of the "Grand Old Grad" award to a 98-year-old Texan was the highlight of the evening. President Thompson's welcome and the Western Alumni Association's welcome to the college were major events of the evening. The invocation and the presentation for the college project were both significant moments.

The Texan was the highlight of the evening, and the Alumni Club gave the presentation for the college. The award was given to a 98-year-old Alumni member, who was a native of Kentucky. The Alumni Club expressed their appreciation for his contributions to the college.

The Homecoming Fete continued with the presentation of the "Grand Old Grad" award. The Texan was the speaker for the evening, and his speech was well received by the audience. The award was presented to him by President Thompson, who praised the recipient for his contributions to the college.

Dr. John Minton Attends Social Science Meeting

Dr. John Minton, a member of the history department, attended the meeting of the social science teachers of Ballard and McCracken counties. The meeting was held at Paducah.

Following these introductions, Dr. John Satter, who is a member of the social science department, gave an address entitled "Hail to the Hilltoppers!"

The Evening was a Dinner Meeting

One of the highlights of the evening was a dinner meeting attended by a large number of guests. Dr. John Satter addressed the gathering and reminded them of their responsibility to promote the interests of the college. The meeting was a great success and the attendees were pleased with the presentation.

Horn-Rimmed Bookstacker

The Bookstacker serves the cause of classical literature in various ways. Perhaps the least of these is in keeping the rows of books properly aligned and the jackets free of dust. Her most important contribution is in improving the environment for study, enhancing the atmosphere of learning with her own classical form. Many a college man has discovered a previously unfelt craving for knowledge simply because he received his copy of Homer from the hand of a deep-breathing redhead who sighed, "I think Homer is the most!" Yes, it pays to take a good look at the classics now and then.

Among cigarettes, Pall Mall is a classic—famous length, fine tobacco...no flat "filtered-out" flavor, no dry "smoked-out" taste. Try Pall Mall and see!
The Rendale Band Will Perform Here

Two Performances Are Scheduled November 15

By Jim Cherundolo

The United States Marine Band, the official White House Band, known as "The President's Own," will appear in Bowling Green at Western's Van Meter Auditorium, Thursday, November 15, for two performances. One concert is scheduled for 2 p.m. for high school students and the evening performance is set for 8 p.m. for adults.

Tickets are now on sale at Bowling Green High School, Royal D'lite Music Company, and at the offices of Dr. Tate C. Page, head of Western's department of Education; Mr. A. J. Thomas, College Heights Foundation and Dr. Thomas Stone, head of the college department of Music.

The tickets for high school students at the afternoon concert are $1.00 and college students will be admitted for the same fee plus their Western I. D. card identification.

The grand performance in the evening may be seen with patron tickets for two, at $9.00, with reserve ticket in singles selling for $2.00 and $1.50 per person on general admission tickets.

Friend Of Band Member

The appearance came about as a result of John Griffy, Bowling Green High and Western music department faculty member, whose acquaintance with a member of the band made it possible. Griffy, after corresponding with his friend and arranging an appearance of the band in Bowling Green, which acceptance was made and arrangements made, notified the Kiwanis club and the Bowling Green Advertiser of the coming students at the afternoon concert are Head Band, known as "The President's Own," will appear at the afternoon concert and be the music setting for every event and entertainment. This unique organization expresses the soul of our nation in this country. President John Adams approved a bill for the establishment of the Marine Band in 1798. The Marine Band has been given the opportunity to be the outstanding symphonic concert band of our day.

The Band has been given the opportunity to be the outstanding symphonic concert band of our day. Music critics as a genius at program building. On each program he selects top notch and versatile musicians from various sections of the ensemble to display their instrumental proficiency and individual artistry as soloists. Their brilliant technique and sparkling personalities evolve into a rich and thrilling musical experience for the Marine Band audiences. The Band has been given the opportunity by special approval of the President, to tour the nation. These personal appearances afford a rare privilege to see and hear this colorful organization at its best, and in our own community.

Only Tour

This is the only tour in which the Band can participate this year, since the tour route is limited and only a comparatively few communities can be included on this Trans-Continental tour of the United States. The civic club, newspaper, group bringing this world renown musical organization to its community, is rendering a sincere civic service.

As well as supplying a cultural, educational, and entertaining treat for its neighbors.

Birkhead Elected President Of Daviess Co. Club

Larry Birkhead, senior history major, was unanimously elected president of the Owensboro-Daviess country club at a meeting held Wednesday, October 31, in the Student Center. Other officers elected were Herschel Morgan, sophomore agriculture major, vice-president; Pat Farmer, junior commercial education major, secretary; Donnie Sulherlin, sophomore math major, treasurer; and Marilyn Galloway, sophomore agriculture major, reporter.

The success of these three events, return engagements, attest to the constant popularity of the Marine Band's musical, patriotic, and universal appeal.

On the Band's previous tours, interesting phenomena occurred. In Elizabethville, Pennsylvania, on November 12, an audience of more than 5,000 thrilled to the concerts, while 1,000 music lovers paid tribute to the Band's offer of a concert at Cleveland, Ohio and Tulsa, Oklahoma.

Crowds, limited by the auditorium capacity, were encountered in Houston and Austin, Texas; Springfield and Chicago, Ill.; Grand Rapids, Mich.; Pittsburgh, Pa.; Buffalo and Rochester, N.Y.; Seattle, Wash.; Pittsburgh, Conn.; and Dayton, Iowa.

The geography club was held Thursday evening, October 25, at the Paul L. Garrett Student Center.

Ground was broken for the new Student Center last week. Other officers elected were Jim O'Brien, sophomore agriculture major, vice-president; and Frank Finley, treasurer.

The results are:

The next meeting will be held Thursday evening, November 15, during the only Trans-Continental tour of the year. The 144-year-old organization was established in 1798 by President John Adams.

EAT, SLEEP, AND MATRICULATE

The trouble with early morning classes is that you're too sleepy. At late morning classes you're too hungry. At noon classes you're too logy. At late afternoon classes you're too hungry again. The fact is—and we might as well face it—there is no good time of day to take a class.

What shall we do then? Abandon our colleges to the sky? I say no! I say American did not become the hope of mankind and the world's largest producer of butter, lard, and tallow by running away from a light!

If you're always too hungry or too sleepy for class, then it's probable that you're too hungry or too sleepy when you're eating or sleeping.

Clauses while eating or sleeping are a simple matter. Just have a lecture lesson while the eaters eat. But watch out for noisy food. Imagine the band playing celery or matzo or like that? Serve quiet stuff—like anchovy paste on a doughnut, or steaming bowls of lamb fat.

And kindly observe silence while lighting your post-prandial Marlboro's fine flavor and filter tips. You can, if you like, permit yourself a few small shoulders of pinions as you smoke, but take care not to send gunsmoke which will set up a clatter when you shuffle—like talc, for example, or knee cubital.

Let us turn now to the problem of learning while sleeping. First, can it be done?

Yes, it can. Psychologists have proved that the brain is distinctly able to assimilate information during sleep. Take, for instance, a recent experiment conducted by a leading Eastern university (Rutgers). A small tape recorder was placed under a pillow of the subject, a freshman named Globe Sipple. When Globe was fast asleep, the recorder was turned on softly, all night through the night, repeated three statements in Globe's slumbering ear:

1. Herbert Spencer lived to the age of 100 and is called "The Father of English Educational Philosophy."

2. The banana plant is a tree and a great perennials. However, it grows in the tropical and temperate zones. However, it may also be grown in the tropics. However, it may be grown in the tropics, temperate, and tropical zones.

3. The Archdike Ferdinand was assassinated in 1914 in Sarajevo by a young nationalist named Mihajlo Cerovic, who was called "The Trigger of World War I."

When Globe awoke in the morning, the psychologists said to him, "Herbert Spencer lived to the age of 100. What is he called?"

Globe promptly replied, "Perennial Herb."

Next they asked him, "What has Mihajlo Cerovic been called?"

Replied Globe, "Perennial Serb."

Finally they said, "Is the banana plant a tree or a fruit?"

But Globe, startled from the long interrogation, had fallen back asleep, where he is to this day.

Globe dreams, but goes on, travail, and awake. Why not improve each waking hour with our fine product—Marlboro Cigarettes? You get a lot to like—filter, flavor, price, and more.
A plan for the establishment of a Housing and Dining System through refinancing programs has been approved by the Board of Regents in a meeting at the college yesterday.

The refinancing plan calls for the issuance of $43,400,000 Housing and Dining System Revenue Bonds.

All nine dormitories now occupied and the Paul L. Garrell Student Center are included in the plan. The new housing dormitories will be constructed as well as any housing and dining facilities built at the college in the future.

Upon completion of the plan for the refinancing of the housing and dining facilities at Western, the college's financial capacity to finance new academic buildings will be increased, as will its ability to create expanded housing and dining facilities.

The Board approved a recommendation by President Thompson that the three academic departments be housed in the new Academic-Athletic Building and the Departments of Military Science, Physical Education, and Foreign Languages.

The new $2,300,000 structure now being built on the Bowlingville Road will be ready for occupancy next September in time for the opening of the academic year.

These departments of Military Science and Physical Education and the Foreign Language Department are to be housed on the third floor of Cherry Hall.

The Board also approved a recommendation by President Thompson that the new academic dormitory for women located on the Kentucky Building grounds be named State Hall.

This new dormitory was occupied in September of this year and provides housing for 66 women. It is the sixth new dormitory to have been built on the campus during the past six years.

The Board approved other requests on projects underway at the college and acted on routine business.

Attending the meeting held in President Thompson's office were: H. Bennis Lawrence, Owensboro; Dr. Gerald Eddis, Cadiz; Hugh Pollard, Guthrie; and Maxey B. Harlan, Bowling Green.

The Board members and their wives were guests at the W Club Longstreet at noon with President and Mrs. Thompson. All of the Board Members attended the Homecoming football game and participated in the raffle, evening of the 1942 Homecoming Queen, Superintendent, Butter frowed the Queen.

DISTINGUISHED MILITARY STUDENTS—Eight students were recently announced by Col. Grover G. Smith, professor of military science, as having received distinguished military student awards. They are (left to right): William Brown, music major from Central City; Tom Dunn, psychology major from Bowling Green; Michael Meath, music major from Medinaville; Lynn Bowles, English major from Earlington; Jim Daily, pre-service aviation major from New Albany; and John Vittus, industrial arts major from Elizabethtown; Barry Poole, commercial education major from Medinaville; and Jerry C. Traylor, political science major from Bowling Green.

ATTENTION WESTERN SENIORS—Appointments for your senior photographs should be made immediately. Our new phone number is 842-9476. Phone today for your appointment. Our studio, at 928 State, is open Monday thru Saturday, 9 a.m. to 5 p.m. And there's free customer parking at the rear of our store, entering from Tenth street thru the American National Bank parking lot.

College High Runners In Regional Meet

College High's cross country team met with five other high schools Friday, October 26, in the regional cross country meet. The teams entered with College High that run the two-mile course at Lampkin Park were from Greensburg high school, Bowling Green High, Franklin-Lincoln high school, and Bowling Green High Street high school.

The regional meet was the final preliminary meet before the state cross country race Nov. 3 is to be held in Lexington, November 30. Any individual runner of the first five finishers, or the winning teams may compete from this region in the state meet. The College High team consisted of Skipper Hutton, Gray Comer, Mike Godfrey, John Mercrecy, and Baby Bailey. These boys were instrumental in gaining a second place finish in Clarkson high school in a triangular meet held Wednesday, October 31. Hutton finished first in this run, but was the first College High runner to cross the finish line. Clarkson was the winner with 35 points, College High had 40 points and Bowling Green High school finished third with 45 points.

Almond Elected Head Of W Club At Luncheon

Western's "W" Club has elected College High basketball coach Al Almond as president of this "W" Club during the organization's luncheon meeting attended by 125 persons Saturday at Western Hills.

Burt Lands Pass Grabbers

Western sophomore halfback, Jim Burt, continued to be the only Hilltopper to lead a statistical department in the OVC as he leads all pass grabbers with 11 scores for 185 yards and one touchdown. Jim Daily and Bobby Mitchell hold down third place in their respective departments, passing and punting. Daily has completed 21 of 45 attempts for 318 yards and one touchdown. Mitchell has posted 16 times for 264 yards and a 35.4 average.

IM Handball Team Begins

The intramural handball tournament has begun and due to the large number of entries, each team will be played as quickly as possible so we won't be playing this team next fall or second place trophy which would be the first trophy for Bowling Green High School. The meet was started by a Western track team since 1969.

Western Wins In X-Country Over Murray

"They'd place five runners ahead of our first man." The speaker was cross-country coach Tom Ecker just before the Western - Murray cross-country meet last week at Murray. Coach Ecker was probably the happiest man in the state but after his squad of runners had sport a powerful Murray team, Coach Ecker had not been, dedicated in a duel most with never having in his group in the OVC as far as cross-country is concerned. This week was even more satisfying due to the fact that Murray's first year in cross-country competition.

Although Murray didn't place five runners ahead of the Toppers, they did place two in front. Curt Stender, Murray's OVC 2-mile champion, led the only in the Runner's Row on the track with his individual efforts. Teammate David Williams placed second. Western's Tom Graham again led the Toppers as he placed third in leading a host of five runners in succession across the finish line Graham, a freshman, would prove to be one of the best runners in the OVC with steady improvement.

Dave Hunt Rolls 550 Series In IM Bowling

Intramural bowling is now in its second full week of competition for the men. The highest score posted by Dave Hunt of the Twisters with 550. Next was Benny Carrington of Delta Kappa Nu with a total of 500 for the three games. Each Waverider of the Ten Pins accumulated 500. The teams are competing for points and in order to have the honor of winning the bowling trophy that will be awarded.

1962 HILLTOPPERS FOOTBALL

Western 15, Eastern Kentucky 7

"All our boys played wonderfully well on offense," said Topper skipper Nick Davis, "and we moved the ball on offense, too. We just couldn't get across for six more points."

Many come through the Eastern loss in good physical condition. Bob Kopper suffered a slightly sprained ankle, but is expected to be ready to play by Saturday.

Three Lettermen Return As Cage Practice Begins

Head Coach Ed Diddle opened his 41st year as pilot of the famed Hilltopper cagers two weeks ago with three lettermen returning to form the nucleus of this year's basketball squad.

In the hardwood camp for some rugged practice before the season opener December 1 are forwards Bobby Jackson and Jim Dunn and guard Darel Carrier.

Bobby Jackson, a 6-6, 210-pound senior from Alcoa, Tenn., is one of three returning starters from last year's champion OVC squad. Averaging 12.3 points per game last year and the team's second leading rebounder, he is expected to take up some of the slack left by the graduation of Harvey Todd and Bobby Hancox. Jim will be beginning his third season of varsity basketball after transferring from the University of Tennessee where he played freshman basketball. He is married to the former Miss Sandra Farley of Princeton, and plans a teaching and coaching career after graduating next August.

American Farmer Degree Awarded To Bill Buckner

Billie Joe Buckner, son of Mr. and Mrs. William O. Buckner of Cummer, received the American Farmer Degree at the National FFA Convention held in Kansas City, Missouri, during the week of October 8-12. The degree is the highest to be achieved in the FFA organization and is given to those students studying vocational agriculture in secondary schools in the United States.

Billie earned the degree by developing an outstanding farm project, leadership and cooperation. His farming program included the following: two acres of tobacco, sixteen head of beef cattle, ten head of dairy cattle, twenty-three acres of corn and fifteen acres of soybeans. For his improvement projects, he improved 3 acres of pasture and put up 138 rolls of fences.

Billie was a graduate of Hart Memorial High School in Hartsville, in 1960. At the present time, he is a junior at Western majoring in agriculture.

Student Prints Now On Exhibit In Art Gallery

The prices of admission: Nothing. The location: Convenient. The surroundings: Pleasant, but no crowds have yet arrived. A show of student prints began Thursday October 25, in the gallery of Cherry Hall.

These prints are executed by the following artists: Myrlie Abbott, Frank Banta, Fossett Cofey, Pat Doyle, Scott Gibbs, Hal Gunten, James Hargis, John D. Hollifield, Mary C. Hunter, William L. Luther, William D. Moxley, John Warren Oden, Barbara Parker, Alan Parson, Peggy Parks, Debra Phillips, Ron Spears, and Gerald Seabrook.

This show presents an opportunity for the people here at Western to see some good examples of the quality of art being created here.

Due to the above conditions, the art department is hoping for a larger audience for the remainder of this show.

ATTENTION WESTERN SENIORS

Appointments for your senior photographs should be made immediately. Our phone number is 936-6811. Please phone for your appointment. Our studio, at 936 State, is open Monday through Saturday, 9 a.m. to 5 p.m. and there's free customer parking at the rear of our store, entering from Twelfth street thru the American National Bank parking lot.

Reception Held After Western-Eastern Game

Western's Homecoming reception was held in the Paul L. Garrett Student Center Saturday, following the Western-Eastern game. Mrs. Garrett Gilbert was chairman and Miss Sara Tyler assisted.

Folksy women served at the two tea tables which were centered by red and white floral arrangements, fashioned on either side by silver candleholders holding red tapers.

Twenty members of the senior class served as hosts and hostesses during the reception. Sixteen home economics girls helped serve refreshments of broomcorn, tea and coffee, which were prepared by the school cafeteria.

Approximately 260 guests attended, including many members of the alumni, parents, and out-of-town friends.

500 Attend Homecoming Dance Friday

A larger than expected crowd danced Friday, October 26, to the music and songs of Karl Gurvin and his orchestra at Western's annual Homecoming Dance. The audience, estimated at 500 students and alumni, were entertained with the soft music of this well-known band in the Paul L. Garrett Student Center. The dance started at 8:30 p.m. and lasted until 11:30 a.m.

This band from Nashville drew the largest crowd seen in years to one of the Homecoming festivities held this year. Last year they all•

ed at Western's Homecoming dance in charge of this year's dance committee, Mrs. W. A. Beach, of the Music department.
