December 12, 1921.

On Monday evening December 12, 1921 the faculty considered the question of bestowing letters on those members of athletic teams, who rightfully earned and deserved them.

A committee consisting of Miss Josephine Cherry, Mr. Craig and Mr. Smith, was appointed to act on the matter and their decision in regard to the men's athletics was as follows:

1. Each person who competes in five-eighths of the halves of all the varsity football games during one season shall be awarded an 8 inch, full block letter.
2. Each person who competes in five-eighths of all the varsity basketball games during one season shall be awarded a similar letter.
3. Each person who competes in five-eighths of the innings of all the varsity games during one season of baseball shall be awarded a similar letter.
4. Each person who wins a first and third place in an inter-collegiate track and field meet (or equal to a first and third place in the number of points) during one season shall be awarded a similar letter.

The student business manager of each of the above mentioned branches of athletics shall be awarded the regulation school letter upon the recommendation of the person in charge regardless of whether or not he is a playing member of the team.

When any individual has earned three letters in at least two branches of athletics he will be awarded the regulation sweater as recommended by the committee.

For example, a person may play three seasons of football but he is not entitled to a sweater, however, if he plays two seasons of football and one of baseball, he will be awarded a sweater.

In bestowing these letters on the athletes who have put forth their best efforts for the glory of the

school we are not unmindful of the fact that everyone connected with the school who is a supporter of athletics is to a great extent responsible for whatever success the various teams may have attained.

The fifteen men to whom the letters were awarded, as well as about twenty or thirty more put forth at least two hours of hard work daily from September 1st until November 25th, that we might excell on the field as we have in the classroom.

The following men earned their football letters last season:

1. Ex Captain R. D. Ridley
 2. Captain-elect W. D. Croft
 3. Manager C. P. Morris
 4. C. C. Cartwright
 5. Maynard Botto
 6. Lee Jones
 7. L. J. Pitchford
 8. Matthew Vincent
 9. R. E. Price
 10. Wilson Hunt
 11. Charles Myers
 12. Homer Neisz
 13. Edwin Ward
 14. Dewey Barnes
 15. Hoy Traylor.
