# WELCOME

A **vibrant** and **unique** campus backed by the **rich tradition** of Western Kentucky University, WKU-Glasgow provides a **world-class** education close to **home**. Here, you'll find a **close-knit** community of students, faculty, and staff who genuinely **care** about each other. From the Academic Transitions Program, which welcomes freshman Hilltoppers into our family, to the Graduation Recognition Ceremony, a celebration of our graduating students, WKU-Glasgow creates and celebrates the **future leaders** of Barren County and our 10-county service area.

**It's your future, so don't be shy!** The Glasgow Regional Center, home of WKU-Glasgow, is located near Cumberland Parkway exit 11, convenient to Bowling Green and surrounding areas. **Visit us today to see why WKU-Glasgow is a good fit for you.**

"At WKU-Glasgow, I had the opportunity to be around professional people who love and enjoy what they do. WKU-Glasgow teachers love their jobs and have a positive attitude; you want to mirror that as an education major."

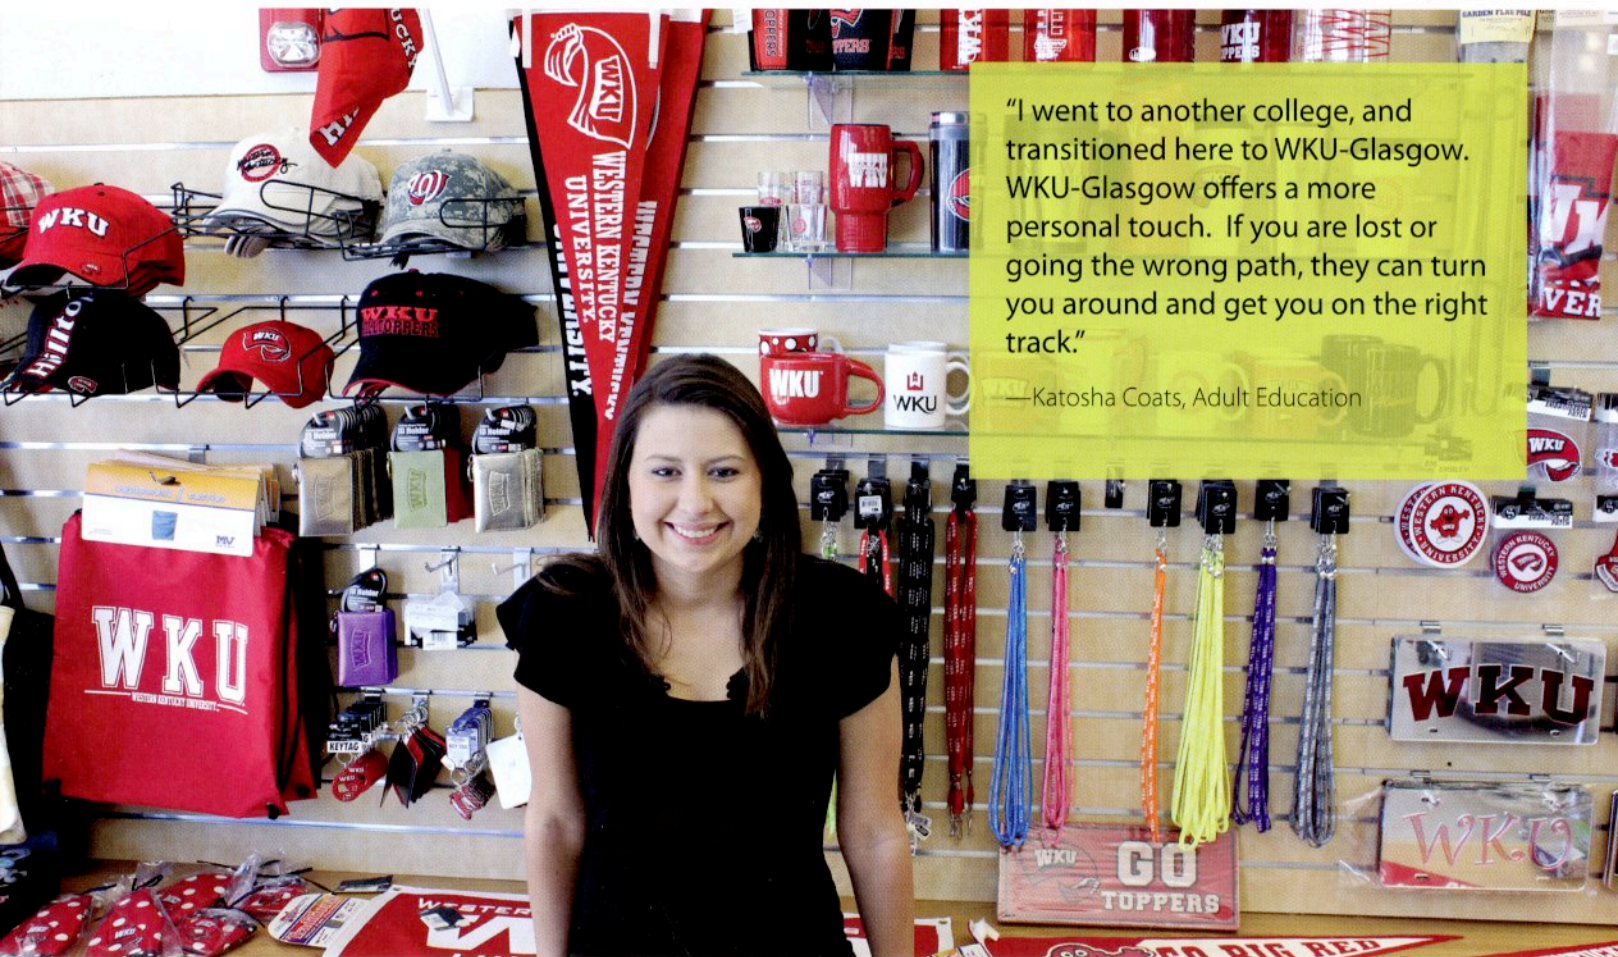

—Joey Simpson, Middle Grades Education (Science), 2011 graduate

# ACADEMICS

**Small classes. Flexible scheduling. Award-winning** faculty who are committed to making your experience at WKU-Glasgow the best it can be. All of these things combine to create a **relaxed yet challenging** learning environment with an emphasis on **critical thinking, hands-on experience, and broadening horizons** through guest speakers, field trips, and study abroad opportunities. Our largest classroom holds only 40 students, so you will never find yourself in a huge lecture hall surrounded by strangers. This intimate learning environment allows our students to form **lifelong friendships** with their classmates and instructors.

"I went to another college, and transitioned here to WKU-Glasgow. WKU-Glasgow offers a more personal touch. If you are lost or going the wrong path, they can turn you around and get you on the right track."

—Katosha Coats, Adult Education

“I was a single mom and worked full-time. I needed classes to accommodate my busy schedule. WKU-Glasgow set up my class schedule so I could still work full-time and be a mom. I was also able to complete my entire Sociology degree at WKU-Glasgow. The faculty and staff really do everything they can to accommodate students. They take pride in their students and want to see them succeed.”

—Crystal Nuckols, Sociology, 2004 graduate
