

As the Board of Superintendents of
the 3rd District of Kentucky -
of Abraham D. Perkins, of Simpson
County Kentucky, having been directed
on the 12th day of September 1864
to remove or withdraw by the 15th day of
the United States!

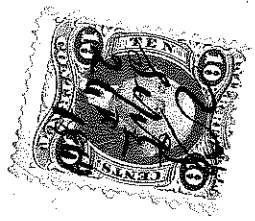

Open Business
Robert Wood Leslie, a good honest man
(21) years, born in Tennessee, liber
and not liable to draft for two
years,
of Kentucky

Residing near Princeton
County, Kentucky 3rd Dist -

Personally appeared before me
A. J. Gray, of said County of Kentucky
(which says he for me) he being sworn to the oaths
by said 15th and states that the former
time he ever saw Thomas Robinson Leslie
was some two months ago - at Harrodsburg, Kentucky
and the record will show him born at same
place about 3 months since, which seems to
be a lot of cheating - and this would be
also assigned to me by said Perkins to work
one year which he did some 2 or 3 weeks ago
my witnesses with him, I found him to be

a steady, civil, industrious and other
 man - and have no serious objection
 his society - He is a moderate man that
 he was a native of Tennessee, he has
 lost me property of the amount
 and several of the holdouts - and
 from all that I could learn from
 him I am perfectly satisfied, that
 he is an able and a justice of
 the law -
 of the
 of Gray

As soon as before me
 by David F. D. Gray at
 Bowling Green Ky
 this 20th Sept 1864
