La Grange, Tenn.

Dear Sir:-

I wrote to you some days ago answering your letter of recent date, but I do not remember mailing the letter and it is possible that I lost it, so will write you again.

My bitch whelped nine puppies by Sport St Danstone but they were whelped on Jan 6 the coldest night we had (it was 8 degrees below zero) and five of them froze to death and the rest have been sick the last week. I am sorry you had such bad luck with your bitch. Let me hear

from you when you  
have time to write. I  
hope you will have better  
luck the next time you  
breed your bitch.

Your friend,  
A. W. Ellis
