Mr A B Bucher,
Pauldin, Ohio,
R4 Bx 1A,

Dear Sir:

On Jan 11 we had the pleasure of mailing you 5 lbs. of leaf chewing tobacco which we hope that you enjoyed and we judge that you did as we heard no complaint.

We are writing you to say that we now have in our shipping room several hundred pounds of Mr. Harris' crop which is ready and in tip top shape for shipping. If you are in need of tobacco we can recommend this crop to you above all others. Mr. Harris is known to be one of the countys leading and most scientific farmers. His tobacco is always closely graded and only the very choicest put into first grade. If you want 5 or 10 lbs of this crop we will let it go at our regular price of, chewing 5 lbs. \$1.75, ten lbs \$3.00, smoking 5 lbs \$1.50, ten lbs \$2.50 plus postage while it lasts, provided you will return this letter with your order as we want to be sure to mail this particular crop to those to whom we make this offer. We can only make this offer to a limited number because the supply is limited. Our regular guarantee of satisfaction or money promptly refunded goes with every order.

If you do not care for this particular crop but want any of our cheaper tobaccos or cigars or manufactured goods we will be just as glad to have your order for that.

Postage on 5 lbs will be .37¢. if sent C.O.D.

Postage on 10 lbs will be .57¢. if sent C.O.D.

However if you wish to send P.O. money order or check with order for tobacco and postage in full it will be .07¢ less. You know Uncle Sam charges a fee of .07¢ on all C.O.D. packages.

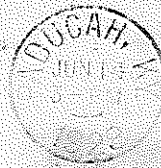

Awaiting your orders, we are

Yours to serve,
