

RECORD OF MEMBERS

—OF—

CHURCH OF CHRIST

191—

NASHVILLE, TENN.

McQUIDDY PRINTING COMPANY

EXPLANATORY

THE first sheets are left without any special ruling for a record of protracted meetings. The church clerk may make a full or brief record, as he may choose. The names should be recorded in chronological order.

In the record of members, under "How Received" the clerk can make a cross mark—thus, ×. For example: If a member is received by baptism, a cross mark made in the column headed "Baptism" would indicate this; and so of the other columns under "How Received" and "How Removed."

The marriage of any sister may be noted under "Remarks" without rewriting the name. For instance, Mary Jones marries John Brown; simply write "Mrs. John Brown" in the column opposite her former name, under "Remarks."

Further, under "Remarks" may be noted the cause of disfellowship, any noteworthy circumstance attending death, where removed, etc.

The place of residence should be written with a pencil, as many members are continually changing.

RECORD OF PROTRACTED MEETINGS

1924. Brother J. M. Hottel, regular minister, was assisted by Bro. H. L. Olmstead of Horse Cave. The meeting began Sunday Sept. 7 and closed Friday September 19. In all there were twenty-three names added. Twenty were baptized and three came for membership. The interest was exceedingly fine throughout, and Christians were made to rejoice. All acknowledged the presence and power of the Lord in every service, to whom we ascribe all the praise for this good work. The visiting preaching brethren were Bros. Allen Phyll and M. L. Moore. Bros. Elam Derryberry of Portland, Tenn. and James Salmon each conducted the song service one time. 9/20/24. J. M. H.
