Dear Mrs. Vogel,

Thank you for your letter of June 25th, I read it with the greatest of interest. I shall try to see the two students (Murphy and Kieffer) at the American College. I read also the letter of Fr. Father Lenciotti C.R. I shall also try to see Father Schaeffer and tell him about you and your prayer for the deceased Fr. Lenciotti. I intend to visit Bavaria and perhaps also Theresia Neumann. Maybe that it will be possible for you to see the Passion Play next year. I shall see it if possible.

I have seen the Holy Father several times in audience and when he

Would I wish thee to die:
But modest joys and sweet
And length of years in di
And at the end
An Angel frier
The parting spirit to
And lead thee to eternal

instead of Peter's Banquet.
On Sunday July 7th, I had in
the evening last 7000. even
a private audience with
30 American visitors from
the ship Arkansas. The
July Father will leave St. Peter's
Basilica for the first time on
July 25th, carrying the Blessed
Sacrament in procession on
St. Peter's Place. As the Holy
Father will come out the choir
train with his choir in his
honor and then give the
Benediction with the Blessed
Sacrament from a altar to be
erected on the steps of St. Peter's.
Numerous German speaking people
have an audience the Holy Father
delivers a speech in German
he did the same to 200 from

Prison: however that they alone
all the others had a night to his
evening, they shared the patients
and hope could trust in God etc.
So the Holy Father does not that he
can for those poor people who
must fight for their most precious
rights.

I thank you also for the donation
you had circulated in your
letter.

Assuming you study the report
and recommendations in long
German

I am sincerely yours in Chr.
