

RED CROSS DINNER

Since so many of our American boys are now at the battle front in France, the demands on the Red Cross are growing more and more to give them the necessary assistance to carry them through these dark days of battle.

In order to raise our share of the funds to meet the situation, our Warren County Chapter has combined with the Fair Association, and we hope to make ten thousand dollars at that time, September 4, 5, 6 and 7, which will carry on the work successfully through the winter.

Next to the gate receipts we expect to make our largest profits on the sale of food, and in order to have plenty to serve dinner for each of the four days, it will be necessary for us all to give liberally. When we just stop and think that all the money made in this way goes to the aid of our wounded boys who are fighting for us, we will not do our bit, but our VERY BEST for them.

After filling in the blanks, stating what you will give, help the work by getting all your neighbors to donate, whether they are Red Cross members or not. Remember, if we give till it hurts, that is small, for the boys "Over There" are giving their all.

I pledge the following amount of food for the Red Cross Warren County Fair, September 4, 5, 6, 7, 1918:
