

WILLIS & THOMPSON,

GENERAL MERCHANDISE.

Willis, Ind. Ter., June, 14, 1893,

Mr. C. S. Martin,
Gainesville, Ky.
My Dear Father,

You must know a few days back, I have been trying to write to you, I was truly glad to know that you gained your self, I will be glad when you settle with estate and get it all off hands, I pray for your health, I don't think you need a special Army or Navy afection at all, It is more than likely that you entirely trouble cause by indigestion or indigestion, I would think off so much Quinine, and we know how detative of any kind, such as Bromide, By their continue use they will bring about meningitis of brain, and then a softening of brain, and they also cause an atrophic condition of the Pancreatic & Gastric glands of Stomach, and these five greatly impair digestion for life, you do as I tell you to do for
