~~Amalgam Gold Lick #311~~

Chemical Preparation

2 parts Nitric Acid
1 part Muriatic Acid
put together & you will
dissolve gold

To make Imperial Ginger pop
Cream Tartar lb 1

Ginger $\frac{1}{2}$ lb 2
White sugar lb 7
Eps Salts 3i
Water 6 gal
Gent 1/2 pint

5 or 6 bottles &
the corks in

Infalible for Dysentary ^{Protracted Diarrhoea}

In a teacup half full of vinegar dissolve as much salt as it will take up, leaving a little excess of salt at the bottom of the cup, pour boiling water upon the solution till the cup is two thirds or three quarters full, remove the scum & let it cool —

Dose Teaspoonfull three times a day till relieved —

for
Strengthening

Tonic Mixture

Dr. Andrews

- Pentian 3i
- Horsehound 3i
- Poplar bark from roots 3i
- Wild cherry bark 3i
- Boneset 3i

Aqua - Oil 1 gal
Boil 3 hours, Pour off the liquid &
add Oil aqua to the drugs & boil till
the strength is extracted. pour off liquid
put both boilings together & boil down
to one gal add Sac. Alb. to taste
when cold put 1/2 teaspoon of soda by
carb & liquor of Fine Myrrh 3vi
Dose table spoon 3 times a day

Strengthening Plaster

S. Pittcomb

- { Burdock leaves
- { Mullen leaves a a

put in some water then boil down to
the thickness of Molasses - to every
pint of this, burdock & Mullen extract
add $\frac{1}{2}$ pint spts. turpentine & 1 lb of
Rosin 10% of Gum Camphor. 10% of
Gum Myrrh. 10% Black pepper
let the plaster stay till it drops off

R Hemerhoides

(L.H.C.)

Make a strong tea
of white or Black oak bark
& add a lump of Alum
wash the parts frequently

Salves how to make

2p Beeswax — 3XVI
 Salt butter 3XVI
 Venus Turpentine 3XXIV
 Balsam of Fir 3XII

Melt & simmer together over a slow fire then strain & use better than Russia salve

Basilicum solve

Beeswax — 3i
 Rosin — 3fs
 Fresh lard not salted 3ij
 Frankincense — 3ij
 Melt together & strain

Rp E Salve for Sores 3

(E. S. C. Roberts)

Take carrots enough to make the thick
of the wrist & boil them well strain of the
water & with the water put a small teacup
of hog's lard & steep down & is ready for use
apply to the sores twice a day

For Rheumatism

(Titmuss)

Colchicum seed Pulv. - $\mathfrak{z}\text{ij}$

Alcohol — $\mathfrak{z}\text{iv}$

Aqua fontain — $\mathfrak{z}\text{iv}$

Mix & shake well once a
day for 14 days & is ready
dose from 15 to 30 drops
3 times a day 1 hour before
eating If the drops act
on the bowels decrease the
dose

1-12
Rx for Consumption Bronchitis Coughs
Cold nervous debility Stomach diseases
Menstrual hemorrhage
Alcoholic Tincture of Cannabis Indica 3ij

Extract of Calabria Legumina 1lb
Gatts of Tarter 1/4 lb
Eburne Water - 20 Gallons
Tine Myrrh 3iv
Poplar Bark 1/4 lb
French Brandy 1 qt

1/43 Dose a Table Spoon full 3 times
times in the day 1 hour before
eating - If not effective gradually
increase to two three in the
day. For Menstrual hemorrhage and 4th of oak bark

To make the Tincture of Cannabis Indica Take
2 pounds of the fresh leaves supported
from Calceola Grass and digest them in
one gallon of alcohol over a moderate
heat for four days then express all the
liquid from the leaves put it in a
glass vessel in a sand bath and pour
the alcohol leaving the residue in
of that resin take you use to a
quart of alcohol - you have the
tincture.

Continents
 Spodollic
 White Castile soap ℥ iii.
 Strong spirits of
 wine over the fire. Then
 add ℥ i Gum Camphor—

US Soap

Another
 Castile Soap lb 3
 high wines gal 3
 Gum Camphor ℥ xij
 Oleum Rosemary ℥ iij
 Oleum Bergamum ℥ vi
 Aqua Ammonia lb 3
 let it stand a day or two
 exposed to moderate heat
 you can make it hard
 or soft by increasing the
 soap or soft by lessning it

ditto count

Cancer

Ex. 13
Fitzsimons

Take of red oak or hickory
ashes about one peck or more
mix water and boil it untill
you have a strong dye strong
enough to bear an egg side
ways continue the boiling when
on the fire after straining off
the dye untill the dye is as thick
as salve then spread a piece of
linen or cotton with the dye
salve about the size of the cancer
let it remain on a $\frac{1}{4}$ of an
hour take it off and repeat
every $\frac{1}{4}$ untill it becomes a
purplish black on a white
person on a black on a Col-
oured person then apply a
milk and flour poultice
untill it falls out
when applying the dye poultice
apply around the outer edge
of the plaster to keep

The eye from injuring the
flesh —
When the cancer falls out
make a salve of the leaves
of white stramonium weed
bees wax mutton tallow &
white rosin

For The Skin ^{to purify} (Fetor)
 Dogwood root bark
 at Tumbler full
 Sassafras root do
 Poplar root do
 Snake root do
