

Sunday Dec 7-  
1941

My dear Mrs Helm.

I want to tell you  
again how very much  
I appreciate all you did.  
That was really an  
understanding - your  
coming down from  
Smiths Grove from two to  
five times a week - You  
were always so lovely

about it. Please  
my opinion, I don't change  
your musicianship - but  
to me your accompanying  
was perfect - I heard many  
compliments on ~~your~~  
all your playing - from the  
beginning to the end - from  
your friends and from  
people who didn't even know  
you - yet who loved music  
and good playing.  
You made my work very  
much easier all along -  
and all the chorus enjoyed

having you -

Come to see me during  
Christmas, Bring Ch Helm

Sincerely  
Willi Goach Travelled

Thank you for the coat too  
Ill give you I am sorry  
My son didnt wear black  
shoes - I told him to, but  
he came with tan ones  
on.
