# Southern Foundry Company

(Incorporated.)  
General Foundry Work!  
Manufacturers of Architectural Iron  
and Modern Store Fronts!

*All agreements are contingent upon strikes, accidents  
and unavoidable or unforeseen delays beyond our control.*

Quensboro Ky. June 7, 1910

Mr. C. F. Krider,

Paris, Tenn.

Dear Sir:-

We learn from building reports that you have contracted to erect Grove School Dormitory your city and we wish to figure with you on the iron work for same. If you have an extra set of plans, express them to us COLLECT at once. We will return them IMMEDIATELY PREPAID and submit you a proposition which we know will save you MONEY, TIME AND IRON WORK TROUBLES.

We have ample capital, a large and modern plant, carry the largest stock of beams, channels, angles, plates and shapes in the South, and we are therefore prepared to prove our claims if you will give us an opportunity.

We manufacture plain and ornamental iron work, STAIR WORK, cast columns, lintels, sills, steel girders, roof trusses and structural work of all kinds, VAULT DOORS, etc. In our sheet metal department we manufacture all kinds of galvanized work including cornice, skylights, ventilators, FIRE PROOF WIRE GLASS WINDOWS, steel ceilings, etc.

We solicit at least a share of your business with the assurance that it will receive the closest possible attention and be highly appreciated.

Yours very truly,  
SOUTHERN FOUNDRY COMPANY,

M. F. Bransford

Gen. Mgr.
