Hopkinsville, Ky.

Dear Sir,

The colored independent voters League, was organized in Madisonville, Ky. Shortly after the national election, for the purpose of furthering the interest of the Dem. party in the state of Ky. among colored voters. The drift of colored people away from the republican party in Ky. has been very noticeable in recent years, and particularly so in the recent national election when it is estimated that fifty percent of them supported the Dem. ticket.

To assist us in our program we are asking you for any advice that you can render, as our purpose is to get a membership of 30 thousand in the state at large.

I remain

Sherman Parks.

Mr. Joseph F. Garnett
Hopkinsville Kentucky.

Dear Sir:

Your past record has made a favorable impression upon this League and as much as you are the first choice in your race for State Senate. We wish to support you for the same.

I am sure you realize there will be some considerable expenses to get the voters to the polls, and other expenses have already occurred in running of office. If you can see your way clearly on a portion of these expenses let us know not later than Wednesday August 2.nd or we will be forced to lean to our second choice, which would be a bad step for the League as well as for you.

Our meeting nights are Monday, Wednesday and Friday.

Sincerely yours.

Sherman Parks. Pres.
Frank Brown. Sect.
