Mr. George J. Gosieki  
Racine, Wisconsin.  
Dear Sir:

It will be a pleasure to have Virge Whyte and the girls stop with us again.

We are thirty five miles from Barbourville, and fifteen from Corbin, about a twenty minute drive to Corbin and I, ll say an hour from Barbourville.

If Virge would like he can pull in here any time Sunday, leave any time before noon or if he has a Advance Man leave here by Noon and be able to cover his Matinee show in the afternoon, drive back here after the show turn in and do same in Corbin next day. He might get ~~Wednesday~~ Night at the Layne Theatre in Williamsburg. They are haveing some good bands there now.

I have a small place here Virge knows the set up if he would like to play about a three hour engagement after the Corbin show on Tuesday night or if he gets Wednesday in Williamsburg at the Layne, after that engagement, we can give him 75 %- at \$4 or \$5 per Couple after Federal tax taken out, it is so uncertain here during week it is only profitable to us to offer percentage, we never make any thing by the time we pay our help but some of the bands like to pick up that little extra after these theatre engagements.

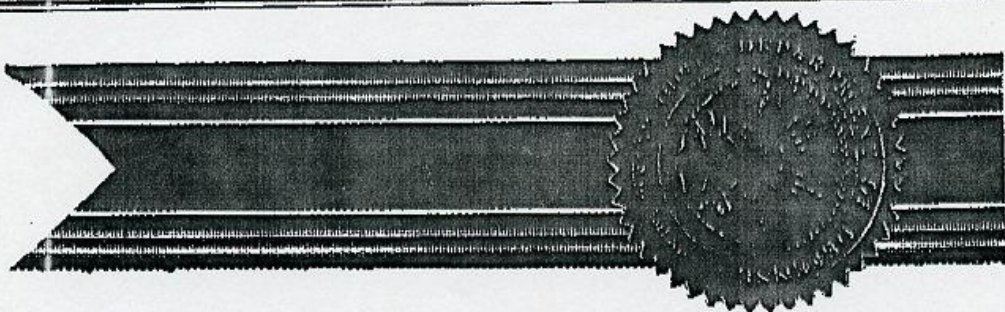

Regardless we will be glad to have them with us we will give them nice Quaters for \$1.50 per person, The kids know this is Home to them and just come on and make themselves at home as always, just let us know what day to expect them,.

We Remain, Respectfully Yours..

Howards Tourist Court.
