Ruth Penn was the teacher in a one room school at Gracey, Kentucky, in Christian County, the Blakeley School.

My maternal grandfather, M. S. Hopson, was on the Board of Trustees. He stated that as long as he was a member of the Board they would have only teachers with a "first class certificate."

Ruth Penn and her sister, Mary, visited in the home of my grandparents where they shared food and fellowship.

Hope you find this receipt as interesting as I find it, considering the amount of payment. My first teaching assignment in 1939 in Trimble County paid \$80 monthly for an eight months school year.
