Dear Friend of Bethany:

Greetings in the Glorious Name of our Precious Saviour
from the lovely hills of Kentucky!

Words fail us to show our appreciation for the grand
gift of chicks you sent us. They arrived by Saturday night
June 3rd and we were called to our nearby Landsaw Post
Office to get them from there as the next delivery from
there would be Monday. We brought them here and so far have
only lost one. We are more than elated with the gift. We
feel that they are exceptional chicks and we will try to
give them the very best of care. We are truly grateful to
you for your generosity and thoughtfulness. May God richly
reward you and use you in His service to the salvation of
souls.

Now that school is out, the campus is buzzing with
activity and the boys and girls are enjoying their vacation
in various ways. We will appreciate your continued
prayers for our work for the Lord here.

Sincerely yours in Christ,

Dear Mrs. Uhl:

We are happy again to be writing you and trust that the Lord has been blessing you and meeting your needs.

Spring is here and we will again be needing some chicks and are wondering if you will have some you could supply us again this year. We would appreciate knowing the price of them and the kind you have. We believe we could use about 500 of the same kind we had last year. Please let us hear from you in the near future.

We have been having some wonderful services in our Church and are thankful for the Presence and blessing of the Lord and for the salvation of souls. Will you join us in prayer for the children who have not as yet accepted Christ as Saviour?

Sincerely yours in Christ,

Margaret Miller
