My dear Harry:-

Owing to absence  
 of our regular Foreman - an earlier answer  
 to your favor of 21<sup>st</sup> ult. has been impracticable. He says he will give you a trial  
 on the C. J., but unless you are an ex-  
 pert printer he would advise you  
 not to try it. No compositor can hold cases  
 in this office unless he is rapid & accu-  
 rate. He must be equal to any emer-  
 gency or yield to one who is. The pay  
 is 38 cts per 1000 lms. I shall be glad  
 to aid you all in my power if you conclude  
 to tackle a hard row of stumps.

With regards to you & your father.

I am, Dear Sir,

Harry R. Coleman.
