Dear Sirs,

I wish to resubmit the original research article entitled "Influence of Fatigue on Planned Agility Performance in Soccer" for consideration by European journal of exercise science. We have revised the previous submission and are here by submitting the final version.

I hope that you feel that the manuscript is appropriate for your journal in its current form! Please address all correspondence concerning this manuscript to me at [sofiajakobsson@live.se](mailto:sofiajakobsson@live.se)

Sincerely,

Sofia Jakobsson
