Code of Conduct

I am an American fighting man. I serve in the forces which guard my country and our way of life. I am prepared to give my life in their defense.

I will never surrender of my own free will. If in command, I will never surrender my men while they still have the means to resist.

If I am captured, I will continue to resist by all means available. I will make every effort to escape and aid others to escape. I will accept neither parole nor special favors from the enemy.

If I become a prisoner of war, I will keep faith with my fellow prisoners. I will give no information or take part in any action.
