Bermuda Prints FOR FRAMING

Here I am back on
these beautiful islands!
Although it is hot, that
exciting breeze is still
blowing to cool the area.

The flowers are lovely,
lovely - at their peak of beauty!

Tomorrow I hope to travel
to where I worked as a librarian
some years ago.

Bermuda is a riot of colour especially in the summer months.
Featured here are the purple Bermudiana (national flower), Hibiscus, Easter Lily and Oleander.
