This Article is brought to you for free and open access by TopSCHOLAR®. It has been accepted for inclusion in SelectedWorks™ by an authorized administrator of TopSCHOLAR®. For more information, please contact topscholar@wku.edu.
With SelectedWorks™ you can create a professional website and make your research available to others worldwide.

Benefits

- Works are easily accessible and searchable.
- The professional web page is easy to maintain.
- You can showcase all your works in one place.
- The website is optimized for Google and Google Scholar searches.
- You receive a monthly Author Dashboard report.

Create your own publishing platform in minutes. You can simply cite your work, provide links, or post full text.

What to Post

- articles
- book chapters
- presentations
- image files
- curriculum vitae
- speeches
- conference papers
- audio and video recordings
- areas of expertise
- other materials

Two Ways to Get Started

Request to have a site created for you
Email your CV and photo to Todd Seguin at todd.seguin@wku.edu.

OR

Create the site yourself
Follow these simple steps:

1. Go to http://works.bepress.com
2. Click on the green start button
3. Create an account
4. Upload your content

“I welcomed the opportunity provided by the library to help me create my SelectedWorks site. It has become a vital part of my email signature and connects me with publishers, international scholars, and colleagues at African-American religions conferences.”

- Dr. Bella Mukonyora
  WKU Assoc. Professor, Religion
