1982 ANNUAL MEETING

Mr. Roger Davis, owner of the Seelbach Hotel in Louisville, was the keynote speaker at the 1982 Landmark Association Annual Meeting held at Christ Episcopal Church on May 14.

Built in 1905, the 11-story, 500,000 square foot Seelbach was one of Kentucky's leading hotels for 25 years. Recently restored at a cost of $20 million, the hotel is now operating in the black. Mr. Davis has also rehabilitated three high-rise apartment buildings as well as his own home, Spring Station.

Among the 150 people attending the meeting were Landmark members and their guests, city officials, county officials, state representatives, bankers and business owners.

Fourteen awards were presented to owners who have completed rehabilitation of their property: Mariah Moore House, 801 State, Marlin White; Underwood-Jones House, 506 State, William Moore and Robert Pitch; Newton Building, 326 East Main, John C. JUNE GENERAL MEETING

The Landmark Association June General Meeting will be held at the Hobson House, 1100 West Main Street, on Monday, June 28 at 7:30 p.m.

A guided tour and history of this prominent house will be conducted. Built by Col. Atwood G. Hobson, construction began in 1862, but was delayed during the Civil War. The house was sold out of the family in 1952 and was acquired by the City of Bowling Green in the early 1970's.

BLAKELEY HOUSE PROJECT

Built circa 1880 by Dr. W.H. Blakeley, this National Register listed house at 1162 College Street was extensively damaged by fire in 1981 and was demolished May 12.

However, Landmark was allowed to materials from the building. We would like to thank the following for their help on April 24: Charlie Ray, Rick Voakes, Tom Babik, Chris Burford, Jo DiBella, Tom Hermann, Jennifer Jansma, Craig Kellogg, John Matheny, Becky Newcomb, John Parker, John C. Perkins, Jay Sloan, Hugh Thomason, Jean Thomason and Richard Wiesemann.

A circa 1920's house directly to the rear of the Blakeley House on East 12th Avenue was also demolished. Landmark was able to salvage material from this building May 5 with the help of Rick Voakes, Charlie Ray, Tom Hermann and Becky Newcomb.

We would also like to thank Rick Voakes for the use of his basement for storage until the Toll House is ready for occupancy.

REVOLVING LOAN

Landmark has been notified that our application to the National Trust for a revolving loan has been accepted. This $25,000 loan must be matched at the local level by an equal amount. Landmark's revolving loan program will provide assistance to qualified property owners in the downtown historic district. The details of this new program are in process and the fund will be operational this summer.

!!!!!!!!!!!!!!!! A CALL TO ARMS !!!!!!!!!!!!!!!

In six short years, Landmark has grown from a small, all volunteer organization to a larger, professionally staffed operation. Our responsibilities to the community have greatly increased and will continue to do so in the near future. As duties have increased, so has our need for membership participation. Our members are strongly encouraged to take part in our daily operation. At the present time, we need members to help in our Salvage Committee, Membership Committee, Program Committee and Annual Meeting Committee. Others will soon be formed. Your help will be welcomed and appreciated. Please call the Landmark office at 781-8106 if you are interested in any of these activities.

OLD-HOUSE JOURNAL

Many of our Landmark members are beginning to receive subscription renewals for the Old-House Journal. Please remember that you can renew or begin a new subscription through Landmark for $12.00 (a 25% savings off regular rates). Old-House Journal is a monthly publication containing many useful and informative articles concerning all aspects of restoring the pre-1930 house. We need your renewal or new subscription as soon as possible because they are sent in groups of ten or more. Thank you.
