REVERSING LOAN

Dick Pfefferkorn attended a comprehensive workshop on Revolving Loan Funds in Hartford, CT on June 10-12. This workshop, sponsored by the National Trust and the Hartford Architecture Conservancy, brought together over 70 staff persons and board members involved in revolving funds from California to Louisiana to Maine.

The conference covered various subjects pertinent to revolving fund operation including its role and function, management of the fund, organizational structure, financial planning, public image, fundraising, and real estate matters.

The workshop was a very positive learning experience and will be helpful for Landmark in establishing its Revolving Fund in the very near future.

KENTUCKY IMAGES

The Landmark staff participated in an architectural conference entitled "Kentucky Images: People and Their Buildings", held at the Seelbach Hotel in Louisville June 18-19. Over 150 preservationists, folklorists, architects, historians and geographers from across the state attended this two day conference.

Landmark's slide adaptation of the Kentucky Museum's "Main Street: Mirror of Change" was well received by the audience. Creating an appreciation for Kentucky's various cultural resources, this conference sponsored by the Kentucky Dept. of the Arts, may be the beginning of an annual conference focusing on Kentucky's people and architecture.

!!!!!!!! VOLUNTEERS NEEDED !!!!!!!

In six short years, Landmark has grown from a small, all volunteer organization to a larger, professionally staffed operation. Our responsibilities to the community have greatly increased and will continue to do so in the near future. As duties have increased, so has our need for membership participation. Our members are strongly encouraged to take part in our daily operation. At the present time, we need members to help in our Salvage Committee, Membership Committee, Program Committee and Annual Meeting Committee. Others will soon be formed. Your help will be welcomed and appreciated. Please call the Landmark office at 781-8106 if you are interested in any of these activities.
A Toll House Carnival, sponsored by the Bowling Green Board of Realtors will be held July 10 from 11:00 a.m. until 5:00 p.m. in Fountain Park. Funds raised by this event will be used for rehabilitation of the Toll House at 99 College Street. Activities will include music, a baby contest, bingo, food, games and contests. If you would like to help, contact Ann Elliot at 781-1234.
