Ms. Scott,

I had the pleasure of being a member of Western's basketball team in 1925, 1926 and the better known team of 1929. We were coached the first two years by Nell Robins and the last by Elizabeth Dabbs. Mr. Diddle was always quite supportive and his sister-in-law Ann Monin was also a player. My team mates were some of the best of Western and they were all contributed to the schools in the state and where ever they spent their professional years.

I had the pleasure of meeting Coach Sanderford a few years back when the team played a game at Oldham County High School. The Ladies were great. When I was a player several of us were 5-2 in fact I think about 5-10 was the tallest. I have a basketball which the team autographed and gave to me that night. They were gracious, charming ladies but I would not have gone to the basket one on one with any of them.

Sincerely,
Edith Pearson
