In addition Professor Miller:

- distributed the premiere issue of the newsletter of International Programs, “Global Connections” to Board members;

- noted her intention to discuss funding priorities for efforts in the diversity area at a future meeting.

**Finance & Budget Committee Report, Mr. Earl Fischer, Chair**

Mr. Fischer reported the Finance and Budget Committee met earlier in the morning with only enough time to review the Annual Financial. Other items on the agenda (6, 7, and 8) will be addressed as a committee of the whole with one recommendation for the acceptance of these three items.

**FACTS:** The financial statements of the University are the responsibility of University management. The establishment and maintenance of an internal control structure and compliance with laws, regulations, terms, and conditions of contracts and grants are also the responsibility of University management. Western Kentucky University employs an external independent auditor to provide to the Board of Regents opinions that the financial statements present fairly the financial position to the University; that the University has complied with applicable laws, regulations, contracts and grants; and that the design and operation of the University’s internal control structure are effective.

Baird, Kurtz & Dobson (BKD) has completed the audit for Western Kentucky University of the fiscal year ended June 30, 1999. The Independent Accountants’ Report on Financial Statements and Supplementary Information submitted to President Ransdell and the Board of Regents show no findings to be addressed by University management.

The financial reports were provided to members of the Board, and a copy is filed in the Board’s official files. Representatives from BKD were at the Finance Committee meeting to review the report and answer any questions from Board members.

**RECOMMENDATION:** President Gary A. Ransdell recommends that the Board of Regents accept the 1998-99 Annual Financial Report prepared by Western Kentucky University and audited by the independent accounting firm of Baird, Kurtz & Dobson.

**AGENDA ITEM 6 – Approval of Educational and General (E&G) fund balance allocations.**
FACTS: Changes in fund balance primarily are the result of over realizing revenue in comparison to the budgeted revenue and under expending funds in comparison to budgeted amounts. The total unrestricted fund balances, as of June 30, 1999, were $11,438,571 and $1,384,038 for E&G and Auxiliary Enterprises, respectively. The Annual Financial Report, page 3, shows the unrestricted fund balance at $12,822,609, the sum of these two components. We separate the amounts in recognition that the auxiliary programs are 100 percent self-supporting and that all of their fund balance is returned for the enhancement of the auxiliary operations.

The undesignated fund balances available for allocation are $1,452,665.92 and $210,159.53 for E&G and Auxiliary Enterprises, respectively. The difference between the total fund balances and the undesignated fund balances is attributed to the fund balance reserves, prior Board of Regents capital projects, balances designated to be returned to the divisions, and accounting requirements (e.g., encumbrances and accrued vacation).

It is proposed that the E&G Reserve be set at $3,050,000 and the Auxiliary Enterprises Reserve be set at $500,000. Attachment A details the obligations and the amounts of funds available for allocation. Attachment B lists the proposed E&G allocations which address many of the significant needs of the University. A Carry Forward Policy was implemented in 1998-99 whereby expenditure balances at the end of the fiscal year are being returned to the respective divisions generating the balances. Many of the needs being addressed by the proposed allocations are in areas of the University for which alternative funding to meet these needs are limited or nonexistent.

RECOMMENDATION: President Gary A. Ransdell recommends that the Board of Regents approve Educational and General fund balance allocations totaling $1,452,000 from undesignated funds which includes $350,000 from the E&G Reserve.

AGENDA ITEM 7 - Allocation of the 1998-99 Auxiliary Fund Balance

FACTS: Downing University Center is a 30-year-old facility with approximately $800,000 in accumulated deferred capital renewal. As an integral part of our student services programs and activities, it must be maintained and supported by the revenues generated by the services and activities within Auxiliary Services. Although the facility is generally in good condition, failure to adequately fund capital renewal needs in the past has taken a toll on the building that is in need of updating.

RECOMMENDATION: President Ransdell recommends that $210,000 be allocated from the auxiliary fund balance to fund a capital improvements pool for Downing University Center. A portion of this pool will provide funding for a building survey, inventory, and project prioritization schedule by an architectural/engineering firm who will conduct a building audit and produce a facility report and facilities recommendation.

Members of the Finance and Budget Committee unanimously approved allocation of the 1998-99 Auxiliary Fund Balance.

AGENDA ITEM 8 - Acceptance of the 1999-2000 Quarterly Report
FACTS: Total realized Educational and General (E&G) revenue, as a percentage of the budget, was comparable to the 1998-99 first quarter revenue. Students receiving Kentucky Educational Excellence Scholarship (KEES) awards have caused a timing difference in realizing revenue for the first quarter. Due to the fact that funding has not been transferred from the State, we have allowed students to continue their enrollment even though full payment has not been received.

Restricted revenues and expenditures for Grants and Contracts have slightly increased due to activity in the Programs of Distinction and the newly created Kentucky Commonwealth Virtual University Technology Infrastructure initiative.

The percent of 1999-00 Revised Budget for Auxiliaries has decreased compared to first quarter of 1998-99. Contributing factors included a timing difference in recording local telephone charges for the fiscal year, and timing of commission and rental revenue receipts.

The increase in the revised budget for the first quarter of 1999-00 was due to fund balance allocations based on prior Board of Regents’ approval and accounting requirements. Most of the fund balance allocations were due to closing fiscal year 1998-99 (e.g., carry forward of encumbrances and grants and contracts).

RECOMMENDATION: President Gary A. Ransdell recommends that the Board of Regents accept the Quarterly Financial Report that includes previously approved budget revisions for the first quarter 1999-00.

After hearing a review of the recommendation by Ms. Ann Mead, Chief Financial Officer, the Finance and Budget Committee unanimously approved the recommendation.

Mr. Fischer made a motion, seconded by Ms. Loafman, on behalf of the Finance and Budget Committee to approve the following:

- approval of the Educational and General fund balance allocations totaling $1,452,000;
- approval of the allocation of $210,000 from the Auxiliary Reserve to fund capital improvements pool for Downing University Center; and

Mr. Fischer’s motion carried unanimously.

AGENDA ITEM 9 - Report by the Academic and Student Affairs Committee

meeting on October 6 to review the recommendation for revisions in the Post Tenure Review Policy (Update)

Ms. Gray noted that minutes of the meeting reflect some suggestions to the committee which are not intended to be directives but rather suggestions. The policy has gone back to the Committee for review, modifications and suggested revisions to the policy. Basically, the process will be delayed one year.

FACTS: A modification to the Board-adopted policy was presented at the special meeting on September 24, 1999. After a thorough discussion of the proposed modification, it was decided that an in-depth review should be made of the new policy to determine if further
refinements were needed prior to its full implementation. Any suggested modifications would be reviewed and discussed by the Academics and Student Affairs Committee at an early October meeting with recommended modifications to be presented to the Board of Regents for the October 29, 1999, meeting.

The Academics and Student Affairs Committee met on October 6, 1999, and reviewed and discussed the document listed below which was distributed by Professor Miller. **Note:**

ASAC approved changes to the document are indicted in bold and with strikeouts.

**POST TENURE REVIEW**

*(Secretary’s Note: Deletions to the original document are reflected with strikeouts, and additions are bolded.)*

To: Academics and Student Affairs Committee

From: Mary Ellen Miller

October 6, 1999

Preamble: The faculty of Western Kentucky University is committed to a meaningful review process that enables us to demonstrate to our many constituencies the importance of what we do in teaching; in service; and in research/creative activity. Further, we support a process that highlights outstanding contributions in these areas so that such contributions may be recognized and rewarded in a significant way. In addition, we support a process that identifies weaknesses that might require remediation provided those weaknesses are identified by a procedure that utilizes demonstrably fair process.

We now have a Board-approved post-tenure review document, and we have been given the opportunity to refine that document. It is our intention to refine and clarify our document in such a way as to make all concerned proud of the final results. As a matter of fact, we hope to see our post-tenure procedure become a model for the state and perhaps for institutions outside the state.

Procedure: we have identified, working through the Faculty Senate, and with the Provost, Dr. Barbara Burch, a list of potential concerns that need to be addressed before the process is implemented. Following is the list:

- Removal of previous department heads’ evaluations
- Designing a system for resolving disputes
- Establishing resources **Recommending guidelines** for rewards and recognition for superior performance
- Establishing **Recommending** resources and system for remediation
- Establishing **Recommending** reasonable and consistent guidelines for process and remediation; for example: mentoring
- Improving efficiency of PTR process
- Developing department and college guidelines for PTR folder in addition to University requirements
- Clarifying imprecise wording and eliminating illegal wording
- **Submitting to legal counsel for review**
- Clarifying PTR committee structure (problems with number of tenured faculty in some departments)
- Specifying criteria used to identify problem areas for individual faculty member
- Other

Recommendation: we would like to suggest the following follow-up procedure:

- Reconvene the original committee (**Rename: Task Force**) and add to its numbers three representatives **identified** from the Faculty Senate
• Set up department meetings with departmental senators to discuss departmental criteria (This should be accomplished by the end of November)

• Departmental reports to be considered by the Task Force on Post-Tenure Review Committee (This should be accomplished by the end of November).

• Senate forum on revised document (This should be accomplished by the end of March)

• Suggestions from the Academics and Student Affairs Committee (These can be to the Task Force on Post-Tenure Review Committee at any time before the end of February)

• Refined document re-submitted to Board (This should be done at the April meeting)

• Budgetary implications, if any, to be determined for consideration; feed in budget process--(for January Board meeting)

MOTION: Ms. Gray moved to postpone any action on the recommendation to revise the Post Tenure Review Policy until May and that an update be given at the January Board meeting. The motion was seconded by Professor Miller and carried.

AGENDA ITEM 10 - Approval to award honorary degrees to Ms. Sallie Bingham and Mr. Don Vitale

Bingham and Mr. Don Vitale

FACTS: The University’s Honorary Degrees Committee reviewed the credentials of several outstanding candidates for honorary degrees and has recommended that two such degrees be awarded at the 1999 Winter Commencement. One will be to Ms. Sallie Bingham, an outstanding humanitarian and a gifted artist. The other will be to Mr. Don S. Vitale of Bowling Green who is Chairman and President of Manchester Capital.

• Ms. Bingham’s ground breaking memoir, Passion and Prejudice, received both national and international acclaim, along with her short stories, poetry, and novels. Her most outstanding achievement is her founding of the Hopscotch House in Louisville, Kentucky, to serve as a retreat for women, as well as funding and beginning the Kentucky Foundation for Women. Ms. Bingham is a true pioneer in feminist issues that have led to support and education for the women of Kentucky. Her fundamental values of equality and education make her an excellent recipient for this honor.

• Mr. Vitale serves as a member of the WKU Foundation Board of Trustees and the WKU Board of Advisors; co-chairs the Major Gifts Fund Raising Committee; and is very involved in our community and supports a number of organizations. Mr. Vitale also serves as a member of the Board of Directors of the Bowling Green Bank & Trust, the St. Thomas Hospital in Nashville, and the St. Louis University Bubourg Society. Along with his vast community contributions, his many entrepreneurial accomplishments range from being a founding principal partner of DESA International to founder of Manchester Capital, a private investment company. His community involvement, contribution to the arts, and entrepreneurial success made it clear to the committee that Mr. Vitale exemplifies the Western spirit.

RECOMMENDATION: President Ransdell recommends that honorary degrees be awarded to Ms. Sallie Bingham and Mr. Don S. Vitale 1999 Winter Commencement at Western Kentucky University.
MOTION for approval of Ms. Sallie Bingham and Mr. Don S. Vitale as recipients of honorary degrees to be awarded on December 17, 1999, was made by Mr. Fischer, seconded by Mr. Sheffer, and carried unanimously.

AGENDA ITEM 11 - Recommendation for approval of personnel recommendations since July 31, 1999 which are contained in the next fifteen pages.
The recommendation was presented for approval by Mr. Martin. Motion for approval was made by Mr. Fischer and seconded by Mr. Sheffer. Regent Gramling asked if the number of part-time temporary hires is up and if the current trend is to employ more part-time temporary employees. Dr. Ransdell stated that there is not a strategic direction to go with part-time employees and asked Mr. Glisson, Director of Human Resources to follow up with appropriate numbers.

AGENDA ITEM 12 - Approval of a quarterly meeting schedule for 2000 and a Board Committee schedule for 2000

1) adoption of the quarterly meeting schedule for 2000

The motion carried; the Board accompanied by President Ransdell, Ms. Esters, Mr. Bob Skipper, Ms. Wilkins, Mr. Charlie Pride, Mr. Scott Taylor, Mr. Howard Bailey, Dr. Jerry Wilder, Ms. Ann Mead, Dr. Barbara Burch, Dr. Richard Kirchmeyer, and Mr. John Osborne went into closed session at approximately 12:10 p.m.

Motion to adjourn came at 2:30 from Mr. Fischer, seconded by Mr. Tennill.
