APPROVED

  • Recognition Committee (Pam Herriford) — pass
  • Development Committee (Matt Idlett) — comments on membership push ... need to get news releases on website ... good support for men’s basketball hospitality
  • Special Projects Committee (Mike Montgomery) —
    1) suggests the board consider the possibility of the fund-raiser event (perhaps off-campus an off-campus dinner with a former letterwinner as a speaker) — present club awards (Edwards and Just awards + honorary memberships)... proceeds could help support hospitality for football and basketball games (discussion — Baysinger suggests other use for funds, i.e., student-athlete awards, etc.; other comments — just direct funds raised to operations budget and not tie to specific items) ... Bush expressed concern about fitting event into the annual calendar; and others concern about underwriting event to cover costs ... general agreement to continue to explore the idea.
    2) W-Club Room in The Arena ... discussed 2nd phase of renovation (conversion to “patio” area to become part of the room) ... has had preliminary talks with a potential sponsor for the project
    3) Hospitality Tent in The Stadium ... presented architect’s renderings of what a permanent structure on the site of the current tent might look like ... will continue to explore.

  • Basketball Tickets (Montgomery) — Stewart is interested in trying to make something work

W-Club Executive Committee Meeting /// 4/2/14

In Attendance (6) — Bryan Baysinger, Bill Edwards, Matt Idlett, Paul Just, Mike Montgomery, Bill Moore (presiding)

1. Membership Drive for 2014-15 — discussion on person to chair ... Baysinger: need some way to reach out, an effective “platform” ... engage prominent alums, promote lifetime memberships, maybe a promo video to distribute via e-mail ... Montgomery: perhaps a fund-raiser featuring a prominent alum or alums ... discussion about making Brunch a pay event for all; varying opinions.

2. Stewardship Gifts — Just noted that it is time to begin that annual project and asked if budget can handle it ... all in agreement that stewardship gifting should continue and Just advised to proceed.

3. Budget — Edwards reported that most recent printouts should balances of $824 (membership account), $67,802 (endowed account) and $5,79 (? ) in Halls of History account.

4. Halls of History Donor pledges — Just noted that he has reviewed the project’s donor list and found that several (estimated 20 +/- ) individuals who made pledges for the Halls of History are behind on their payment schedules ... following short discussion, Just was instructed to send out tautful reminders.

5. Other Items — Montgomery reminded committee that the estimates for completing the renovation of the W-Club Room (area) in Diddle Arena were approximately $20,000 and that he has interested from a potential “lead donor” for that project who may participate to $5,000 (or perhaps more).

6. Football & Basketball Hospitality — 2013 FB was a success ... funds were raised to cover hospitality for three-and-a-half of our 5 homes games ... compete games by: 1) Mickey Riggs ... 2) Gary Carver & Tony Rhoades (State Farm Insurance) ... 3) Norm Johnson & Brian Lowder ... and a partial game by Doug Gorman ... and it was noted that a large part of the hospitality for men’s basketball games was also paid for by outside funds (Just believed ‘13-14 hospitality support was the best ever).
