Biographical/Historical Note: According to the Elevator, the first basketball teams were formed in November 1913. The original team name was Pedagogues. Early games were held in the Red Barn when it was not in service as a girls' dormitory. By 1921, the program was well established and has not missed a season since. As this finding aid shows, records are virtually non-existent prior to 1942.

Description: Records created by the basketball coaches regarding athletes, activities, conferences and tournaments. These men have served as basketball coach:

1914-16 - J.L. Arthur
