It was accepted upon motion of Regent Cuthbertson, with a second of Regent James, all voting in the affirmative and extending a vote of thanks to Mr. Smith for the work done. Relative to the purchase of the machine mentioned by Mr. Smith, Mr. Cuthbertson, Regent, moved that Mr. Smith in conjunction with Dr. Cherry investigate the cost of it, and make the purchase. Seconded by Regent James, and unanimously passed. "never toiards!" as never mind your feet and study for a answer, allright? (as not the text). I try to finish a new delight in not off. Upon motion duly seconded and passed the Board then adjourned.

Secretary be present and record and dictate to Chairman.

Minutes of Board Meeting October 22, 1924

The Board of Regents met on October 22nd, at 10:00 into the office of Vice-Chairman, Mr. Sterrett Cuthbertson. The purpose of the meeting was to select the brick for the proposed Training School Building, and to act on some suggested changes for that building.

A quorum was present including: State Superintendent of Education, Dr. McHenry Rhodes; Mrs. James and Mr. Cuthbertson, Regents; Also President Cherry; The Treasurer, Mr. Nahn; and those interested in submitting prices and samples of brick. Mr. Brown, the Architect, was also present.

Upon motion of Regent Cuthbertson, and a second from Mrs. James, the following suggestions of the Architect, and Dean Gamble, were approved.

1. Remove storage room from basement level to ground floor level in space adjacent to west stair.
2. Redesign ground floor to include lockers and showers, also Home Economics suite consisting of sewing and cooking laboratory.
3. Cut door at foot of east stairway, rear of auditorium which will open on landing of stair between ground floor and basement.
4. Convert Reading Room on ground floor to Science Laboratory. Use Art room as Science Lecture room, cutting off; however, the part including windows 44 and 45 to be used as (a) book storage room; (b) Teachers' rest room, or (c) preparation room.
5. Move the stairs at east end of building which lead to ground floor, to front of building at extreme east corner.

The Board adjourned to lunch to resume School.
In Regent James moved that the Executive Committee be authorized to act upon theses minor changes as suggested; following consideration of estimate of cost thereof. Seconded by Mr. Rhoads and passed.

James, seconded by Mr. Rhoads, that after examination of samples and prices of brick submitted and after hearing the opinion of the Architect, Regent Cuthbertson moved that the steel gray brick, known as "Number 240 Owl", a sample of which was submitted by T. L. Herbert and son of Nashville, Tennessee, should be used, the price not to exceed $45.50 per thousand. The roll was called and each one of the Regents voted in the affirmative.

Upon motion of Mrs. James, with a second from Mr. Rhoads, the Executive Committee was authorized and empowered to make such disposition of the rock which has already been excavated as is best in their judgment. It was unanimously passed.

Upon motion of Regent Cuthbertson, with a second from Mrs. James, Regent, the Secretary was authorized to send a letter to the Mayor of the city of Bowling Green, calling attention to the urgent need of better water supply in the J. Whit Foscoe Hall, and to the fact that with about two extra hours of pumping added to the present daily effort, the supply of water on College Heights would be sufficient to give temporary relief, unless no one attempted to break off

Since the adjournment of the last meeting on the 17th, the draft of the report has been completed, and the excellent work of the draftsmen in producing the same is hereby recognized.

Minutes of Board Meeting
March 20th, 1925.

The Board of Regents met in the office of President Cherry on March 20th, there being present Superintendent McHenry Rhoads, Regents R. E. Cooper, Sterrett Cuthbertson, Mrs. James, and Judge H. H. Denhardt. The minutes of the previous meetings were read and approved after reading. The President then read his report, which was adopted.

The report follows:

The record shows that at the end of the budget year
