RELIGIOUS EMPHASIS WEEK

In a world of confusion and chaos, vetoes and ultimatums, accusations and retaliation, atomic bombs and pathological warfare, one wonders if there is anything he can do to relieve the feeling of helpless frustration that comes over him when he thinks about world conditions.

Scientists have agreed that in the atomic bomb man has at last conceived a monster that can destroy him if not controlled. Many of them believe that religion and the application of religious principals is the world's only hope.

Because of that belief and the knowledge that college students are the future leaders of the world; because now is the time for people to realize that religion is fine in theory but better in practice; because no life, college or otherwise, is complete without definite spiritual experience, the Western Religious Council is sponsoring Religious Emphasis Week.

They have chosen as speaker for the week Bob Denny, who is particularly well-adapted to student work because of his vibrant personality, his natural and effortless wit, his aptitude as a fascinating and moving public speaker, and his sincere zeal for the principles for which he stands.

We hope that the students of Western will take full advantage of the opportunities of next week; that we shall not only observe a week of religious emphasis, but a life of religious emphasis as well.

JUNE BAXTER
Robert S. Denny, associate in the student department of the Southern Baptist convention, Nashville, is the speaker for religious emphasis week January 19 through 22. Mr. Denny will speak each evening at 7:30 and in chapel Tuesday and Thursday at 10:00 a.m. in Van Meter auditorium. Dave Field, music major, will lead the singing at each service and announces that a choir of sixteen students will provide the special music. In addition to these services Mr. Denny will be on the campus every day for personal conferences or group counseling. Any organization, or class, interested in an appointment with the speaker is requested to contact the Western religious council, sponsor of religious emphasis week.

Bob Denny was born in Somerset, and reared and educated in Lexington, graduating from Henry Clay high school and the University of Kentucky with a Bachelor of Science in Commerce and an LL.B. Degree and was admitted to the Kentucky Bar association with Joe B. Orr, local attorney. Mr. Denny served as student secretary at the University of Kentucky, Louisiana State University, and Baylor University before joining the student department in Nashville. His travels include England, Denmark, Germany, Holland, Belgium, Luxembourg, Switzerland, Italy, France, Mexico, and most of the United States. Here the father of the house has strict control over every member of his family no matter what age. A boy or girl does not dare say a word against his father. Many parents are unwilling to give up their Buddhist gods, or their Shinto shrines, yet they insist on serving all their lives. Under such conditions it is very hard for a young person to be a Christian. But we have a greater Father who is in heaven! And some of the Japanese young people are "obeying God rather than man."

This should give you more zeal since you can serve in a free country without interference.

Now in all this talk what am I driving at? As we say, "Come on and get to the point!" It is simply, just this. That we, as young people today living in a sin mad world, must wake up, ask Jesus to help us up, to lift us above the world and its sin, we must give our lives to Jesus, and "remember our creator in the days of our youth!"

The field is wide open right around you! Take one of my opportunities for an example. Just last week a boy came to our door telling this, his story. Life had become too hard for him so that that very day he had tried to buy poison at the drug store to take his life. Hundreds of young people are doing just that in Japan today. But he just happened to walk by our gate and saw the sign which read in Japanese, "Jesus can help you!" So he came to the door wanting to find out how. He would have one last try before finding another way to take his life. Perhaps he will turn to the Lord and save his life from eternal doom. Opportunity comes without looking for it! It's the same in America and the world over!

What is your decision, young people? Won't you turn to the Lord and serve him now?

Yasuo Maruishi, Tokyo, Japan

WAIT! YOUNG PEOPLE!

So often today we hear young people saying, "I am still too young, and in a few years when I am older I will help in the service and work." Usually that day never comes and another precious soul is snatched away by Satan. Where does this idea that we (as a young person can say) sometimes think that we must wait until we reach the age of thirty or more before we can really be of use in the work of the Lord come from? Surely it is not the case than another one of Satan's snares and perhaps his greatest! causing people to wait and put off until some other time.

Do you not realize that you may never have the opportunity to wait until you are older? Do you not realize that our lives may be snatched away at any moment? That Jesus may return before you grow older?

Then if we do realize it, what is the thing to do? Of course, start serving Him today as though you will never have another day in which to do so! We have all heard the saying, "There is no better time than today." And how true! Oh, that we might fully realize this today. There is no better time than this very hour, this very minute to start serving Jesus!

There are many, many examples of young people being great servants and workers in both the Old and New Testaments. There are Moses, Daniel, Timothy and many others. It is interesting to note that these great characters did not wait to start until they were older, but from the very beginning of their life they started in training and service.

What about you? Have you waited this long and wasted 10 or 15 precious years you might have spent for Jesus?

There is another young man in the Old Testament that started in his youth and continued throughout his life, a boy we don't hear too much about in Bible stories and study. He is Josiah, who at the age of eight began his reign as king.

You may say, "Well he was a young king and was protected from evil. He didn't have the temptations to cope with that we have today." But not so! His grandfather and father, both kings before him, were two of the most wicked kings. Manasseh, his grandfather, even burnt his own children as sacrifices to idols; Amon, his father, was even more wicked. So much so that his own people "conspired against him and put him to death in his own house." (II Chron. 33:24) Certainly we cannot say these were good examples for an eight year old boy to follow!

Turn to II Chronicles 34 and read verses one through nine. Then back up to verse three, "In the eighth year of his reign, while he was yet young, he began to seek after the God of his father David." (II Chron. 34:3)

Then in the twelfth year when he was 20, "he began to purge Judah." He began cleaning up the idols and sin of those before him. And it wasn't an easy job. The people had served idols and been under the rule of evil kings for 57 years. People don't turn easily from such a background to serve God. I know from my experiences here in Japan as I have watched thousands come to the temples and shrines to bow down and worship the idols of this still pagan and heathen land, "Gods that are no gods."

In the eighteenth year of his reign at the age of 26, he began to repair the house of God. This was certainly a large task, for before him there had broken down the altars of God and set up idols of other gods. You will remember that the temple Solomon built was the greatest, most expensive structure ever built. It was no easy job to repair all the damage that had been done. But he sought after God and trusted him. He was a young person, too, don't forget!

Why don't we young people take this young man as an example. He wasn't famous! Not much space is taken to write about him. Yet he is a young man who trusted and served God! That is far more important than fame or anything else!

If we young people will build upon the foundation already laid by the older ones in the church, if we will faithfully follow the great example Jesus has set for us, if we will trust in this great "Solid Rock" then we will be the very "powerhouse" of the church.

Josiah didn't have such a background to build upon, but still he succeeded. How much more then should we with such a great blessing to start with serve Jesus!

Some people don't realize, but we should realize that the other faithful ones CAN help us. They have spent many years in the service of the Lord and are grounded firmly. We cannot deny that they have gained much wisdom through the years. If we will get the idea out of our head that they are standing over us with a rod, and see that they are there wanting to help us, then we will profit greatly. Yes, the young and older in the same church can and should work together. Paul and Timothy did!

It is true and bad that sometimes we don't have older leaders that are good examples, but then that leaves the complete task for us, so we must work even harder! Too, in this case, the older people should wake up and as we say, "Get on the ball." Perhaps we can be examples for them!

Of course I don't say it is half as easy to do this as to go away and say, "I can't now, I'll wait until I am older." It's not easy at all, but is that all you want out of life, the easy way? A tramp or beggar doesn't say he will wait until he is 20 before he will go to work. If we gave away one of us would trade places and be in their shoes! Remember, it wasn't easy for Josiah, but it SURE was for them.

Young people, you in America really have a wonderful opportunity. This is the time! This is the time for us to turn to the Lord and serve him!

RESPONSIVE READING
Who has believed what we have heard? And to whom has the arm of the Lord been revealed?

For he grew up before him like a young plant, and like a root out of dry ground; he had no form or comeliness that we should look at him, and no beauty that we should desire him.

He was despised and rejected by men; a man of sorrows, and acquainted with grief.

And as one from whom men hide their faces he was despised, and we esteemed him not.

Surely he has borne our griefs and carried our sorrows, yet we esteemed him stricken, smitten by God, and afflicted.

But he was wounded for our transgressions, he was bruised of our iniquities, Upon him was the chastisement that made us whole, and with his stripes we are healed.

All we like lost sheep have gone astray, we have turned everyone to his own way, and the Lord has laid on him the iniquity of us all.

He was oppressed and he was afflicted, yet he opened not his mouth; like a lamb that is led to the slaughter, and like a sheep before its shearers is dumb, so he opened not his mouth .... Isaiah 53

For I know that my Redeemer lives, and at last he will stand upon the earth, and after my skin has been thus destroyed, then without my flesh I shall see God .... Job

Dear

We would like to take this means of re-introducing to you our Western Religious Council. We try to be of service to the students, in any way we can, in maintaining a vigorous and vital religious life among the students on the campus. Specifically, our purposes are: To strengthen Christians in their spiritual life, to present a real and vital witness of Jesus Christ to non-Christians, and to encourage Christians to consider lifetime Christian work.

For the furthering of these purposes, we have a prayer group each day, vespers three days a week, dormitory devotions, Bible studies, Easter sunrise service, and Religious Emphasis Week.

Our Religious Emphasis week this year is to be November 1-4, and its theme will be "Research, Reason, and Revelation." Dr. George K. Schweitzer, associate professor of chemistry at the University of Tennessee, will be the speaker. We are enclosing a program, and we hope that you can arrange your activities so that you can attend all meetings possible.

We appreciate your interest in our activities, and ask you to pray for us in our future undertakings with God.

Yours in Christ,

I am taking this method of calling special attention to Religious Emphasis Week, which will begin on this campus next Tuesday and continue through Friday.

Attached is a complete program of Religious Emphasis Week. Dr. Moore and his committee have done the college an outstanding service in carefully planning this program. It now needs only your enthusiasm and cooperation to make it a beautiful success.

Your attention is especially called to the 4:00 p.m. meeting on Thursday when Dr. Schweitzer will address the Faculty in the Little Theater.

Anything that you may do to publicize, promote or support this excellent series of events, constituting Religious Emphasis Week, will be most appreciated by the college.

Sincerely yours,

Kelly Thompson

INVOCATION Dr. Walter I. Munday

CONGREGATIONAL HYMN “He Lives”

1. I serve a risen Savior, He's in the world today;
   I know that He is living, whatever men may say;
   I see His hand of mercy, I hear His voice of cheer,
   And just the time I need Him He's always near.

Chorus:
   He lives, -He lives-, He lives, -He lives-, Christ Jesus lives today!
   He walks with me and talks with me along life's narrow way.
   He lives, -He lives-, He lives, -He lives-, salvation to impart!
   You ask me how I know He lives? He lives within my heart.

2. Rejoice, rejoice, O Christian, lift up your voice and sing
   Eternal hallelujahs to Jesus Christ the King!
   The Hope of all who seek Him, the Help of all who find,
   None other is so loving, so good and kind.

Dear Mr. Gore:

I am deeply grateful for your kind letter concerning the invitation for Billy Graham and the team to come to Bowling Green during the time we are at Louisville.

I spoke to Mr. Graham about it and he says that even though he would like to come, those arrangements will have to be worked out through the committee in Louisville, after our crusade plans are completed for that city. Billy Graham has had so many invitations that it is impossible for him to get to all of them.

We will be happy to talk with you later on during the Louisville Crusade after the plans have been completed for the crusade in that city.

Yours most cordially in Christ,

Christ The Lord is Risen Today

Christ the Lord is risen today, Alleluia!
Sons of men and angels say, Alleluia!
Raise your joys and triumphs high, Alleluia!

Fought the fight, the battle won, Alleluia!

Christ hath opened Paradise, Alleluia!

So we now where Christ has led, Alleluia!
Following our exalted Head, Alleluia!

Western Rocket Club Performs At Ft. Knox

By DIDDY DALE

Western now has a rocket club which is evidence that its students are science-minded. Western's Rocket Club is a branch of the University of Kentucky's Amateur Rocket Society, and the group consists of 12 members, including Jim Feix, senior from Frankfort, and the group is being sponsored by Dr. Earl Patterson, senior from Berea; Sharon Goff, junior from Cadiz; and Janice Prifti, sophomore from Gamaliel; and publicity chairman, Kathleen Cobb, junior from Slaughters.

The group is in charge of dorm devotions, the annual Religious Emphasis Week, and the Easter sunrise service.

This year's Religious Emphasis Week is Nov. 2-4, during which time seminars will be held in the Little Theatre and Van Meter and also special dorm sessions. This year's speaker is the Rev. Ed Beck, former basketball star for the University of Kentucky, now attending the Chandler School of Theology in Atlanta, Ga., and he is the principal speaker for Religious Emphasis Week, November 1-3.

The Rev. Mr. Beck recently made an around-the-world tour on the Victory for Christ team, playing the roles of a basketball player and a minister of the Gospel. He has a quite distinguished reputation as a speaker for college students on religious subjects.

The format of religious emphasis week includes seminars, conversations, dorm sessions, personal interviews, special music, a chapel program, and breakfast. The Rev. Mr. Beck will participate in all these activities. The Western church will make at least one appearance during the three-day period.

Religious emphasis week is sponsored by the Western Religious Council. Officers for the council are: president, Mike Chamberlain; vice president, Francis Pearson; dorm devotions coordinator, Sharon Goff; Bible study coordinator, Pat Patterson, senior from La Grange; program chairman, James D. McAlpine, junior from Cadiz, and Janice Prifti, sophomore from Gamaliel; and publicity chairman, Kathleen Cobb, junior from Slaughters.

- 7 p.m.: Convocations – Little Theater
- Thursday, November 3 – 7 p.m.: Breakfast – Cafeteria

NOTA BENE

TAKE NOTE

The first address of ED BECK during Religious Emphasis Week will be at chapel on Wednesday, November 2. Because lack of space prevents a large number of upperclassmen from attending chapel, another service will be held in Van Meter Auditorium at the free period, 11:00 the same day, in order to accommodate them. However, Mr. Beck's address at the second hour will be different from the one at chapel; so any person who can do so is invited to attend both meetings. The Western Chorus will sing at both.

Other addresses by Mr. Beck at 7:00 p.m. Wednesday and Thursday in the Little Theater, open to all.

Religious Week Termed Success

Religious Emphasis week came to a close on Friday afternoon, November 4, with the showing of "The Stones Cry Out," a Moody science film.

Dr. William A. Benfield, Jr., pastor of the Highland Presbyterian church in Louisville, was the speaker for the week. His addresses in chapel, convocation services, seminars, and dormitory sessions carried out the Religious Emphasis week theme, "Christ Makes a Difference."

Dr. Benfield greatly complimented Western for its religious leadership and enthusiasm. He commented that the Western campus contained more religious interest than many church school campuses that he had visited.
